PUBLIC OPENING CEREMONY

MONDAY, JULY 10, 1967

THREE THIRTY O'CLOCK P.M.

DIRECTOR GENERAL TED M. RALPH: Ladies and gentlemen, please rise for the Invocation by our Imperial Chaplain, Noble Reverend Woodrow Wilson Hayzlett.

REVEREND WOODROW W. HAYZLETT (Imperial Chaplain): Let us pray.

O God, who art and wast, and art to come, before whose face the generations rise and pass away; age after age the living seek Thee and find that of Thy faithfulness there is no end.

Our fathers in their pilgrimage walked by Thy guidance and rested on Thy compassion; still to their children be Thou the cloud by day, the fire by night.

Where but in Thee have we a covert from the storm or shadow from the heat of life? In our manifold temptations, Thou alone knowest and art ever nigh. In our prosperity and ease it is Thy spirit only that can wean us from our pride and keep us low.

O Thou sole source of peace and righteousness, take now the veil from heart and lend Thy presence to this Imperial Shrine Convention so that throughout this week we may be led by Thy spirit to do Thy will.

For Thy servants, The Imperial Potentate, the Imperial Divan and the Imperial Council members, we ask for wisdom, health and strength that this session may be the means of moving Shrinedom forward into newer and greater fields of endeavor.

All of which we ask in the name of the Supreme Architect of the Universe. Amen.

(Whereupon, the singing of "The Lord's Prayer" ensued by Noble Joseph A. Rabitaille, Jr.)

DIRECTOR GENERAL TED M. RALPH: Please be seated.

We will now have the parade of state flags carried by the patrols of Almas and Kena Temples.

(The parade of state flags ensued.)

DIRECTOR GENERAL TED M. RALPH: The color squads will now present the colors, after which the bands of Damascus and Almas Temples will render the anthems of the United States, Canada and Mexico. Please rise.

(Whereupon, the advancement of the colors, consisting of the United States flag, Canadian flag, Mexican flag, Imperial Potentate's flag, Shrine flag and District of Columbia flag ensued, following which the bands played the Star Spangled Banner, the Canadian national anthem and the Mexican national anthem and the colors were then appropriately posted.)

DIRECTOR GENERAL TED M. RALPH: Let us all join together in the Shrine Pledge of Allegiance. This Pledge will first be given by our Colonel of the Units, Charles Holsclaw, and then you will please repeat after him the Shrine Pledge of Allegiance.

(Whereupon, the Shrine Pledge of Allegiance ensued.)

DIRECTOR GENERAL TED M. RALPH: Please be seated.

Good afternoon, ladies and gentlemen.

My name is Ted M. Ralph, Potentate of Almas Temple. We are about to officially open the Ninety-Third Imperial Shrine Session.

Before we do, however, let's all of us give these two great bands that have been entertaining us a standing round of applause. First, Almas Temple Military Band under the direction of "Skinny" Morris, and the Damascus Musical Unit, under the direction of Charles B. Benedict. (Applause)

Imperial Sir, Imperial Officers, Grand Masters, distinguished guests, Nobles, ladies and gentlemen: I have been highly honored this year with two assignments – Illustrious Potentate of Almas Temple and Director General of the Ninety-Third Imperial Shrine Convention. This is good from your standpoint, as you will only have to listen to one opening speech.

I am very proud and humble as I stand before you today, extending sincere greetings and a warm welcome to this Ninety-Third Convention. We in Almas Temple are very proud of our great city, the Nation's Capital, and we want you to feel the same way when you leave here and return to your respective homes.

We, being in the news center of the world, are probably quoted and misquoted more than any other city in the entire world. At least we are in every newspaper every day and, frankly Washington is not as bad as some newspaper people would lead you to believe. It is a great city, a warm city, full of wonderful people, all of whom are dedicated to the finer things in life, and we know that you will enjoy every minute of the time you spend here with us.

Conventions such as this just do not happen, they take many long hours of planning and work, cooperation and dedication to the cause.

At this time, I would like to pay tribute to my eight Deputy Directors, all of whom had specific assignments and carried them out well and efficiently, and also to the various committee chairmen and, most important, to each and every Noble and the wives who have given of their time, effort and talents so freely — and to the Potentate of Kena Temple, for their assistance. My deepest appreciation to each and every one of you.

This is the Fifth Imperial Council Session held in Washington, D. C. and we hope it will not be the last one. The last one, however, was in 1965, so we are fortunate in having experienced people on many of the same committees.

Have fun in Washington, visit the great nationally-known monuments, institutions, shrines and buildings, and get better acquainted with the Nation's Capital. Thank you for coming.

We will now have several renditions by the famous Ismalia Temple Chanters, under the direction of NobleWalter B. Reitz.

(Selections by the Ismalia Temple Chanters ensued.)

DIRECTOR GENERAL TED M. RALPH: Thank you, Ismalia Temple Chanters.

Ladies and gentlemen, it is a real pleasure for me to introduce to you Deputy Director General, Illustrious Sir Edward E. Buckley, Past Potentate of Kena Temple, who will introduce our civic, government and Masonic dignitaries.

NOBLE EDWARD E. BUCKLEY: Thank you, Illustrious Sir Ted M. Ralph.

Imperial Potentate, all distinguished guests, Nobles, ladies and friends: It is certainly an honor to have a part in the Opening Ceremonies of this Ninety-Third Imperial Session.

As a Past Potentate of Kena Temple in Alexandria, across the river, I extend to you, in behalf of our Illustrious Potentate, officers and members, a cordial invitation to visit Northern Virginia and see all the places of historical importance, of which we have many.

We, too, are at your service.

With us today are a number of leaders from government, from Masonry and from the Shrine, and I shall introduce them to you at this time.

We are gratified to have with us the Chairman of the District of Columbia Committee of the Senate, Senator Alan Bible of Nevada. (Applause)

THE HONORABLE ALAN BIBLE: Thank you very much.

Imperial Sirs, Most Worshipful Grand Masters, distinguished guests, fellow Nobles and your ladies: It has always been one of my pleasant duties to join in welcoming Shrine Conventions. I was so privileged just two years ago and I am again happy to return. As the old saying goes, it gets a little bigger and better.

I am particularly happy to pay tribute to my own Kerak Temple. We have a fine delegation here. (Applause)

I might say that we have a restriction on them because every delegate here, his name must start with the initial "B." Therefore, that gives you Bond, Bohen, Boland and now, of course, they call in a fellow by the name of Bible. I'll bet this is the only Temple that is composed entirely of those whose names very fortunately start with the letter "B." Therefore, I extend a special greeting to my own Kerak Temple in Reno, Nevada. (Applause)

As you begin your Convention here today, we on Capitol Hill are coming back to work. We are beginning the first session of the 90th Congress after a 4th of July recess.

Regardless of the situation in which we find ourselves, I still am happy to bring you the greetings of the Congress of the United States. As Chairman of the Senate Committee of the District of Columbia, it is my added pleasure to join others representing various phases of the Nation's Capital in extending the greetings of our Capital City, the Nation's Capital and capital of the free world.

I believe every American becomes a little bigger and a little better American when he visits this historic city, sees the shrines which have made this country great and is reinstilled with a sense that each and every individual citizen across this land has a

personal responsibility toward keeping this Nation of ours on the march to even greater heights.

Americans have never been a people capable of standing still or of drifting. Whatever the problems are that this world dishes up to us, our country must stand united to meet each and every threat to these freedoms which we hold so dear.

This era in which we live, constantly reminds us just how fantastic it really is. We have now advanced to the point where we are in the space age. You know, it is unfortunate, even tragic, that man cannot pace his advances on earth with those in space. The peoples of this planet remain engaged in war and killing. Even as I talk to you, in Vietnam, the Middle East and Africa, in China and elsewhere, mankind has still not learned how to get along peacably with his fellow men.

We can only hope that man's ability to meet the challenges of space, we trust, will be matched by our ability to get along with our neighbors right here on earth.

Unquestionably, however, ours is a marvelous era, a frightening one but, at the same time, a time in world history when we must keep pace in order to keep up.

Whether we are on the sidelines reading the newspapers or whether we are actual participants, fellow Shriners, this is the world we have today and in your Convention host city this week you are on the center stage of this changing drama.

To you Shriners amid our national shrine I give you every best wish for a successful and inspirational convention. Have a productive session, enjoy yourselves and the Nation's Capital.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: Thank you, Senator Bible, for taking time from your busy schedule to be with us today.

Our wonderful soloist has an unusual treat for us.

(Singing of "Indian Love Call" by soloist ensued.)

NOBLE EDWARD E. BUCKLEY: Thank you very much.

Now, let us meet our Masonic guest for the occasion. All of us are aware of the great importance of the Order of DeMolay. May we have a big hand for their Grand Master, Brother William A. Hensley. (Applause)

To bring us the greetings of the Grand Lodge of Maryland, I will ask the Grand Master, Most Worshipful W. Norman Penn, to say a few words.

MOST WORSHIPFUL W. NORMAN PENN: Imperial Potentate, distinguished guests, members of the Masonic Fraternity: It is nice to bring you the greetings of the Free State of Maryland, especially remembering that just a few short years ago the place in which you meet belonged to the Free State of Maryland and we gave it away. (Laughter) Of course, we have other things in the Free State of Maryland which we would like to give away but nobody seems to desire them. (Laughter)

Seriously, it is a nice greeting that I have received this afternoon, especially through meeting so many of my friends downtown and then coming in and meeting some more of my friends because just recently I returned from a visit overseas in relation to attending several very important Masonic meetings. One of these consisted of the 250th anniversary of the Grand Lodge of England, a meeting at which sixty-five hundred Masons were seated and 120,000 begged the right to enter.

The doors of Masonry have never been closed to deserving people and I have often wondered why so many of us take so much for granted in the world today.

It is fine to see this great gathering of Nobles of the Mystic Shrine. I have been a member for twenty-five years. However, the field is open to all Master Masons to become Nobles of the Mystic Shrine.

We talk about the wonderful works that they have done – the wonderful works that the Shriners are doing today and so, as you can see, the future is open.

It is nice to bring you greetings of the Grand Lodge of Maryland. You know, as a youngster, I was taught the three "R's" – reading, writing and arithmetic. However, being a past Grand Lecturer and also Past Grand Master, I must likewise remember the three "B's" – brother be brief – because there are many men here whom, I am sure, will have the pleasure of addressing you.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: I would now like to recognize the Grand Master of Masons of the Commonwealth of Virginia, Most Worshipful H. Bruce Green.

MOST WORSHIPFUL BROTHER H. BRUCE GREEN (Grand Master, Commonwealth of Virginia): Illustrious Sir, distinguished guests, First Lady of Shrinedom, Mrs. Rush; distinguished guests, ladies and Nobles: I can assure you that it is a real joy and privilege for me to join with the others in extending this welcome to the Ninety-Third Shrine Convention.

We who wear the Fez in Virginia, take a special pride in extending these greetings to such a vast number of members who have walked the "hot sands," because of the high compliment which you paid to one of our number one year ago.

Imperial Sir, Orville F. Rush, is a man who has Masonic acumen, devotion to duty, loyalty to his trust and other attributes too numerous to mention, all of which had formed for him a background for achievement in the fullest.

We in Virginia have basked in the atmosphere of a job well done. Orville has been a friend of mine for many, many years and I admire and respect his countless evidences of ability and aggressiveness. His interest in Masonry is all-inclusive, he having served some years ago as Master of his home Lodge. I could go on at some length with regard to his accomplishments but, on the other hand, time impels me to epitomize my remarks.

In welcoming you here today, I likewise express the hope that our deliberations will meet with great success. Let us change the old saying, "Where there's life there's hope" to "While there's hope there's life."

We have great hopes in the success of our future endeavors. We trust that you will make a visit to the George Washington Masonic National Memorial in Alexandria, Virginia and the other shrines of both national and Masonic significance in the Old Dominion State. Have a good time while you are here and return to your respective homes refreshed by this great experience and truly proud that you are an American and a Shriner.

I thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: We are honored to have with us Grand Masters from several other Grand Jurisdictions and I will ask that they stand and be recognized as their names are called. Some of them are in the audience.

From the State of Illinois, Most Worshipful Myron K. Lingle. (Applause)

From the State of Mississippi, Most Worshipful A. Doty Bailey. (Applause)

From the State of Nebraska, Most Worshipful John A. Bittorf. (Applause)

From the State of Kentucky, Most Worshipful Davie J. Smith. (Applause)

From the Canal Zone, Right Worshipful Norman B. Davidson. (Applause)

From Mexico, Most Worshipful J. Weldon Thomas. (Applause)

If there be others whose names we have not called, we likewise greet you and hope you have a good time.

Also, will the Secretary of the Grand Masters Conference, Most Worshipful Samuel W. McIntosh please stand. (Applause)

The Chairman of the Grand Masters Conference, Most Worshipful Robert A. Hockstad, is recognized and requested to speak briefly.

MOST WORSHIPFUL ROBERT A. HOCKSTAD (Chairman, Grand Masters Conference): Imperial Sirs, distinguished guests, Nobles and ladies all: On behalf of the Master Masons of all of the Grand Jurisdictions in our Masonic Fraternity of North America, I bring you officially the warmest of fraternal greetings, the most sincere congratulations and appreciation for the work that you have done on behalf of Free-Masonry and the premise of continued cooperation and also the very earnest prayer that we, working together under God, may ever continually maintain our humanitarian work in the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: May we have a real show of Southern hospitality for our friend from the North, The Supreme Grand Master, Sovereign Great Priory of Canada, Brother Walter E. Montgomery. (Applause)

BROTHER WALTER E. MONTGOMERY (Supreme Grand Master, Sovereign Great Priory of Canada): Imperial Sirs, Grand Masters all, Nobles, ladies and gentlemen: On Janu-

ary first of this year, every resident of Canada was appointed an ambassador of good will in connection with any place they may travel throughout the world.

Canada is celebrating its one hundredth year of confederation. Celebrations are being held throughout Canada, in every major city.

Coming from Montreal, I would say that we were granted, several years ago, the privilege of putting the ice on the centennial cake in order to produce Expo '67, the greatest fair the world has ever known.

Every gathering throughout the world for over one hundred years was computerized as to attendance, and several other factors and the result was that the computer came up with the estimation that within eight weeks we would be lucky to expect ten million visitors at our fair. However, ladies and gentlemen, let me say that we are now preparing for our twenty millionth visitor. (Applause) In connection with this most fantastic piece of engineering that has ever been produced, we are now planning for in the neighborhood of our fiftieth to sixtieth million visitor.

May I invite all of you to come to Canada during its centennial celebration and especially to Expo '67.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: I am next happy to present to you a close acquaintance of all active Masons, particularly those in this area, the Provincial Grand Master, Royal Order of Scotland, Most Worshipful Marvin E. Fowler. (Applause)

It is likewise a pleasure to introduce the General Grand Master of the General Grand Council, Royal and Select Masters, Brother C. Elwood Smyrk. (Applause)

It is likewise a pleasure to introduce the General Grand High Priest of the General Grand Chapter, Royal Archmasons, Brother Sprague H. Carter. (Applause)

We are honored to have with us, and I recognize the Sovereign Grand Commander of the Supreme Council, Thirty-Third Degree, Northern Jurisdiction, Brother George A. Newbury. (Applause)

We are likewise honored to have the Sovereign Grand Commander of the Supreme Council Thirty-Third, Southern Jurisdiction. I recognize and ask to say a few words, Brother Luther A. Smith.

BROTHER LUTHER A. SMITH (Sovereign Grand Commander, Supreme Council Thirty-Third Degree, Southern Jurisdiction): Imperial Sirs, distinguished guests, Nobility of all America, ladies and gentlemen: It is a great pleasure for me to be here at this moment and to bring to you the warm fraternal greetings of the Supreme Council of the Scottish Rite in Freemasonry of the Southern Jurisdiction of the United States of America.

It is a great pleasure to thank you, Brethren, for giving us the opportunity again to present an exhibit, one which is down on the lower floor of this assembly hall, indicating our great program in support of the public schools of America and Americanism and the heritage of our freedom.

We invite you to go down and inspect and have a look at that exhibit. I think you will both be interested and stimulated by what you will see.

Also, let me say, while I am here, that we have a great Temple over here on Sixteenth Street, Northwest, and for those of you who have an opportunity to do so, we would be very happy to have you drop by and say Hello. The Temple is the headquarters of the Supreme Council of the Southern Jurisdiction.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: Representing the Grand Commander of the Grand Encampment of Knights Templar, the Right Eminent Grand Generalissimo. Let us hear from Brother G. Wilbur Bell. (Applause)

BROTHER G. WILBUR BELL: Imperial Sirs, distinguished guests, ladies and Nobles all: It really is a thrill and pleasure for me to extend greetings to you on behalf of our Most Eminent Grand Commander, Sir Knight Wilbur M. Brucker and also from the hundreds of Sir Knights over the country.

We wish for you at this Imperial Council Session the very, very best of success during the coming years. If we can be of service to you, please do not hesitate to call on us.

Thank you very much. (Applause)

NOBLE EDWARD E. BUCKLEY: I will now return the rostrum to the Director General for a very special introduction.

DIRECTOR GENERAL TED M. RALPH: Thank you, Buck, for a job well done.

My Brethren, ladies and gentlemen, I am honored to introduce and present the current number one Mason in this Grand Jurisdiction – a wonderful man, an able leader, a warm friend – the Most Worshipful Grand Master of Masons of the District of Columbia, Most Worshipful Charles T. McDonald. (Rising Applause)

MOST WORSHIPFUL CHARLES T. MCDONALD (Grand Master of Masons, District of Columbia): Imperial Sir, Illustrious Sir, distinguished guests, Nobles and lovely ladies: I am not sure that any man alive could live up to the very wonderful things which have just been said about me by my very good and biased friend, Ted Ralph, and, believe me, let me say that during the past year we have had the closest relationship between the Shrine and the Grand Lodge in this Jurisdiction that has prevailed in many, many years.

This has been a happy experience for all of us and a delightful and rewarding one for me.

You know, Nobles, I am afraid that in many of your Jurisdictions there may be prevalent a feeling that you consider yourselves just a little above your Brethren. Now, of course, I know this is not so. Likewise do you. However, there are many of the Brethren who are not members of the Shrine who do entertain such thoughts. This is true here but we have endeavored to dispel this and with the cooperation which has existed between the Shrine and the Grand Lodge this year, I feel that if progress was necessary (and I doubt that it was) it has been made.

I am delighted to be present today to represent the many Masons and the Grand Lodge of Washington, D. C.

You are in the Nation's Capital, a beautiful historic and wonderful city. You have been urged by others who spoke before to avail yourselves, while here, of the opportunity of visiting some of the shrines of our great America and, of course, I hope you will do so because here you will find the inspiration which will carry you through bleak days should they come; which will help you to understand what has made this Nation great.

It is said that this is the Capital City of your Nation. Of course, this is true. However, it is likewise the Capital City of the world for here we find a moral and economic leadership which our world has cried for for lo these many years. America will not be found wanting, for the leadership that characterizes Shrinedom is prevalent in our Nation. It is likewise prominent in our Congress and in the various departments of our Federal government.

We have no monopoly upon courage, we have no monopoly upon genius but, on the other hand, in striving to regain Masonry's place in the world, we lead the field and we shall strive to continue to do so.

Seated on my left here we have the Illustrious Potentate of Almas Temple, who is one of the most magnificent individuals you will ever meet – a man dedicated not only to the tenets of Masonry but to the principles of Shrinedom. He has in his heart that magnanimity, that charity and the love which should characterize every Mason and, indeed, we may look to him as an example. Indeed, Almas Temple has been blessed with his leadership and we are proud of him and of you.

We are glad to be a part of this wonderful organization and, believe me, the world knows of you but not enough of you and so when you return to your respective homes please carry back with you the message of Shrinedom.

I know that the Nobles bear this in their hearts but, ladies, without you, we could not exist. We would not even be except for your forbearance, for your love, for your encouragement and for your inspiration.

You will see, I am sure, that Shrinedom and Masonry still hold high the torch of freedom, of honor, of dignity and integrity and patriotism and, further, in your Imperial Sir this year, Shrinedom has been blessed with a patriot without peer. Those of you who have heard him know whereof I speak. I pay homage and bow to Orville Rush.

I would urge that you, while you are here in our wonderful City, do have fun for it would be a mistake not to do so. Here it is available in copious quantities and I would

also urge that you inspire yourselves with the heritage which is that of every American, the heritage left to us by Masons who formed and gave us the Nation we have today and, God be praised, we hope that we shall, in turn, be able to preserve it for posterity.

Thank you very much. (Rising applause.)

DIRECTOR GENERAL TED M. RALPH: Thank you, Most Worshipful Grand Master, for those kind words.

Now, Ed Buckley, please continue with the program.

NOBLE EDWARD E. BUCKLEY: Will the Ismalia Chanters again favor us with several numbers.

(Several numbers by the Ismalia Chanters ensued.) (Applause)

NOBLE EDWARD E. BUCKLEY: Thank you very much, you wonderful Shriners of Buffalo, New York.

It is a real joy to have back in Washington the Emeritus Recorder of Almas Temple, and I introduce him in the person of Past Imperial Recorder, Frederick Wilken. (Applause)

From Hopewell, Virginia, Minister of the First Methodist Church there, a long-time close personal friend of our Imperial Potentate, the Imperial Chaplain, Woodrow Wilson Hayzlett. (Applause)

Ladies and gentlemen, down through the years, the Imperial Potentates of the Shrine of North America have been great men, from all walks of life and from the three nations on this continent. Each has contributed his share to make our Order what it is today. As their names are called, let us give each of them a rousing welcome:

And now, for the presentation of the Imperial Divan, I return the Rostrum to Ted Ralph.

DIRECTOR GENERAL TED M. RALPH: I again wish to thank Ed Buckley for a job well done.

It is a distinct honor to present the Imperial Divan of The Shrine of North America. Each will be escorted to the platform as his name is called.

(Whereupon, as the Alamas Band played appropriate state songs of the Imperial Divan Officers as indicated, they were introduced and seated on the rostrum.)

DIRECTOR GENERAL TED M. RALPH: Ladies and gentlemen, please rise.

(Three raps of gavel.)

The Imperial Potentate of The Ancient Arabic Order Of The Nobles Of The Mystic Shrine For North America – from Kena Temple, Alexandria, Virginia, Imperial Sir Orville Findley Rush.

(Whereupon, as the Almas Temple Band played "Dixie," and preceded by the Kena Temple Colors and Kena Temple Patrol, Imperial Sir Orville F. Rush was escorted to the rostrum.)

DIRECTOR GENERAL TED M. RALPH: Imperial Potentate, I present you the gavel of the 93rd Imperial Council Session.

(The gavel was then presented to Imperial Sir Orville Rush, Imperial Potentate.)

IMPERIAL POTENTATE RUSH: Most Worshipful Grand Masters, distinguished Masonic and public leaders, fellow Nobles, ladies and gentlemen: It is a delightful experience, honor and privilege to participate in this public opening of the Ninety-Third Imperial Council Session of the Shrine.

As Imperial Potentate, I welcome you to the Nation's Capital and to this Session.

It is most gratifying that we have with us today many of our Masonic leaders of the world. One year ago, when I was installed as Imperial Potentate, I promised full cooperation with all of the bodies within the framework of Masonry. I have kept that promise and I say to you that all of these Masonic leaders have certainly cooperated with me one hundred per cent as titular head of the Shrine, and I express my sincere gratitude to them, particularly those on the stage here today. (Applause)

We have had a wonderfully successful relationship between the Shrine and the various bodies within the framework of our great Order.

This is the Ninety-Third Imperial Council Session and yet it is our ninety-fifth year of existence. We are fast-nearing our birthday, one hundred years, and I am sure that

the founders of our great Fraternity would look with great favor on our achievements through the years.

We now have one of the largest conventions of any organization in the world, with the largest and longest parade. We bring into convention cities one of the largest sums of any organization. We not only have the world's greatest philanthropy but the largest philanthropic projects of any organization in the world, with the longest chain of orthopedic hospitals and the only institutions for the treatment and research in the field of severely burned children.

We founded the first all-college football game, which has been copied by so many others over the years and we have likewise enjoyed a distinguished membership from the pioneer days of Noble Buffalo Bill Cody to the space age of Noble Astronauts Cooper, Grissom and others, as well as having in our membership many presidents and titular heads of countries embracing Shrinedom, as well as industrial and government leaders and leaders in the arts and sciences and also in the entertainment field, sports field and, in fact, in all avenues of life.

We do have a distinguished and varied membership and that is very important in this day and age. I am sure you will all agree that we are living in the most perilous period of history since the dawn of civilization and if we are going to ameliorate any of the ills of the world, we must find our leadership in an organization such as ours, which does have a varied and distinguished membership.

Now, I therefore urge all Shriners and all Shrine families to take an active part in partisan politics and an active part in their respective communities, states and provinces, as well as in world affairs when the opportunity might present itself. I would say that the countries on our continent today stand at the crossroads of destiny. This is a common destiny in which you, I and all of the other free peoples of the world must work together in complete harmony in if we are to survive as a free people.

It is a common destiny in which we shall all finally stand or fall together. So we should all strive to be responsible citizens.

Further, those who are pledged to responsible government need the backing of concerned citizens and I would say that all of those within the framework of Masonry are not only responsible citizens but they fall into that category of concerned citizens.

The greatest problem confronting every responsible and concerned citizen today is how to pass on our marvelous way of life to those who shall come after us.

Ideals and integrity cannot be conveyed from one generation to another merely by the drawing of wills – these things must be taught anew to each generation. I think we will all agree that the spirit of self-reliance which animated the earliest settlers is fast disappearing. There are too many in high places who have too little concern for the policies that made these countries on our continent what we are today.

The one thing we should always as individuals keep in mind is the all-powerful God in Heaven, who has blessed each of us with life and has blessed these countries and this continent with the greatest nations ever known on the face of the earth. If we forget God, we might lose these great nations, we might lose the great freedoms we now enjoy. I say to you that these countries are great because they are good and if they cease to be good, they will cease to be great.

May each of you enjoy the enlightenment of the soul which comes with deep and abiding faith in God, faith in your fellow man and faith in your respective nations – the last great bulwarks of freedom.

Speaking of freedom, no word was ever spoken which held out greater hope, demanded sacrifice, needed more to be nurtured, praised more the giver, condemned more the destroyer or comes closer to being God's will on earth. May we as Masons, Shriners and citizens of our respective countries always be its protector.

Thank you for the privilege of appearing before you.

(Rising applause.)

DIRECTOR GENERAL TED M. RALPH: Thank you very much, Imperial Sir.

May we now have one snappy number by the Chanters.

(Whereupon, the Ismalia Chanters rendered a musical selection entitled, "I'm Proud to be a Shriner.") (Applause)

DIRECTOR GENERAL TED M. RALPH: Will you all please stand for the Benediction by our Imperial Chaplain.

REVEREND WOODROW W. HAYZLETT (Imperial Chaplain): May He, who causes the sun to shine, the stars to twinkle in the sky, the grass to grow and flowers to bloom, birds to sing, keep you always under the sunlight of His presence now and always. Amen.

DIRECTOR GENERAL TED M. RALPH: This concludes our opening session. Thank you, each and every one of you, for coming.

(The Public Opening Ceremonies terminated at four-fifteen o'clock p.m.)

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the International Ballroom, Washington Hilton Hotel, Washington, D. C. at 3:15 P.M., Imperial Potentate Orville F. Rush presiding.

IMPERIAL POTENTATE RUSH: Nobles, you will please come to order, please be seated.

I would request all delegates to be seated in the front and those who are not delegates to please be seated in the rear of the room.

I move the adoption of the report.

IMPERIAL POTENTATE RUSH: You have heard the motion, is there a second? (Motion seconded.)

Is there any discussion? All in favor indicate by saying "Aye;" all opposed. It is unanimously carried.

I will now recognize the Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I would move that the elected Representatives and the Emeritus Representatives of the Imperial Council, Iowa Corporation, be elective representatives and members of the Colorado Corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question?

All in favor indicate by saying "Aye;" all opposed. The motion is unanimously carried.

This session is now open for business to be transacted in both the Colorado and Iowa Corporations and we will remain open until the session is terminated.

The next item has to do with the filling of any committee vacancies. I do not know of any vacancies.

Before proceeding further, I would like to call on the Imperial Chaplain, Woodrow Wilson Hayzlett, to invoke the blessings of Deity.

REVEREND WOODROW WILSON HAYZLETT: Will you all please stand.

Almighty God, our Heavenly Father, who declarest the glory and showest forth Thy handiwork in the heavens and in the earth, deliver us, we beseech Thee, in our several callings from the service of man that we may do the work here this day and during this Imperial Shrine Session which Thou givest us to do in truth, in beauty and in righteousness, with singleness of heart as Thy servants and to the benefit of our fellow men, epecially the little crippled and burned children.

Bless Thy servant, our Imperial Potentate. Give to him the wisdom of the wise King Solomon that in all things said and done this day and during this week that it may redound to Thy glory and to the cause of Shrinedom.

All of which we ask in the name of the Supreme Architect of the Universe. Amen.

IMPERIAL POTENTATE RUSH: Nobles, I ask that you remain standing in memory of Dewald Cohen, a Past Potentate and Past President of The Southeastern Shrine Association. He was going to be here to take part as usual in the events of our Imperial Council Session. He is a very revered, respected and well-known Past Potentate, particularly throughout the Southeast. I would like to ask you to remain standing for a moment of silent prayer.

(The Nobles remained standing for a moment of silent prayer.)

IMPERIAL POTENTATE RUSH: Thank you, Imperial Chaplain Hayzlett. I pray that we will have a very harmonious session, free from any rancor or bitter acrimony, that we will all leave here feeling that we have made an accomplishment for Shrinedom and its great charity, and that we had a fairly enjoyable time throughout the Ninety-Third Imperial Council Session.

Now, the next item on the agenda has to do with the Annual Address of the Imperial Potentate.

IMPERIAL POTENTATE'S REPORT

Let me first indicate that this annual report was provided you in your registration envelopes. If you have not read it, I hope that you will. I do not think it permits repetition at this time. If there are any questions about any facets of it, please inquire of me.

As I said at the beginning of this report, the privilege of giving a year of one's life as Imperial Potentate in consecrated service to our great Order comes to few men on earth and, therefore, I shall always be grateful that I can be counted among the fortunate few, that I am counted as being that fortunate.

I have done everything possible this year to cooperate and bring about complete harmony with all of the Masonically related bodies. I had promised you this at San Francisco last year.

I can say to you unequivocally that I myself feel that I have given them one hundred per cent cooperation and I state to you that they have given me, as titular head of your organization, one hundred per cent cooperation. I could not have asked for more and I shall always be extremely grateful to every one of them.

Many are on the stage at the moment and we introduced many of them at yesterday's Public Opening Session.

I have made many visitations this year, traveled in various foreign countries, visited every Temple in Canada, our Temples in Mexico, the Canal Zone and Hawaii, and also from coast to coast in the United States.

I have also made some very enjoyable Shrine pilgrimages, making visitations to all of the national and international conventions and conferences of the bodies within the framework of Masonry. I received unexcelled hospitality and due recognition in each of those and I am very appreciative of the fact and, further, I think that we are on a level now where we understand each other's problems to a great extent. There is no question about the complete cooperation of these bodies.

In addition to visiting these Temples, I found time to also visit several Shrine clubs, particularly in connection with some special events on a Sunday between travels. I also attended many Shrine association meetings — Shrine Directors' association meetings and meetings of other Shrine associations, as well as attending the Grand Council of DeMolay and also attending special events of the DeMolay, Rainbow Girls and Jobs' Daughters.

I have tried to bring the prestige of the office of the Imperial Potentate to all of these various groups.

In addition thereto, I attended many civic meetings, addressed joint sessions of the legislatures and participated in many what I feel were very important meetings held on the Continent. I did this in order to bring the Shrine to them, tell them what the Shrine is all about — to let them know that the Shrine is just not another organization but is a very formidable organization.

To display to you the esteem in which we are held, I believe we made history today, when we were able to get the President of the United States, as well as the Vice President and First Lady to review our Parade. (Applause) I feel this brings prestige to the Shrine, helps us considerably with favorable publicity on this Continent and also over the world.

After I had returned from the Parade, for a few moments I did see excerpts of the President, Vice President and several others on three different television stations. This will be televised particularly all over the Continent and I am also sure that some of the photographs taken will be sent overseas.

I might add that we were covered by all of the national networks — television, radio, and by all of the newspapers and general news media.

Also, on Wednesday evening, at which time we will have the Imperial Potentate's Banquet here, Noble Hubert Humphrey, who is the current highest official now holding office in the United States who is a Noble of the Mystic Shrine, promised that unless some emergency arose in the meantime that he would be with us for our Banquet.

(Applause)

As I have told Nobles and others throughout Shrinedom, we receive our moneys for our great charity from wills, gifts and bequests, from our investments, from our special events and from our annual assessments to the Shriners. Needless to say, good, favorable publicity helps us considerably in obtaining wills, gifts and bequests; helps us considerably in promoting our special events and, of course, we likewise obtain our investments from wills, gifts and bequests and from your special events. Therefore, we all want the Shrine to have the greatest image possible wherever we travel and, therefore, we should always endeavor to put our best foot forward all of the time because, after all, we do have one of the greatest organizations under the canopy of heaven.

I will not burden you with a recitation of individual visitations — the numerous ones I did make throughout the year. I made visits day after day. In fact, when I returned to Washington the other day, this was the first time, with the exception of coming here and changing planes and going home and getting a change of clothing, that I had been here in four months.

I might say that we held a highly successful seminar. At least all of the reports I have received, all in laudatory form, indicate that it was magnificent and highly successful. A report of the seminar was mailed to all of the Representatives and Recorders and many, many others prior to our coming here to Washington. I hope that most of you have received the same by now but if any of you have not received it as yet and when you arrive back home find that you do not have it, please contact our central office. Also, if you require additional copies, likewise contact our central office at Chicago for these copies.

I would express gratitude to Past Imperial Potentate George E. Stringfellow, and his outstanding Committee of prominent citizens who were responsible for the precision and execution of that seminar. I feel that it has been of tremendous benefit to the various Temples and the officers thereof.

We had our Frank Land Memorial Breakfast on February 22nd here in Washington as usual and in spite of the inclement weather, attendance at the Breakfast was maximum. We had present a tremendous number of members of Congress, the Supreme Court, the President's Cabinet, representatives of the White House and of the Vice President. Likewise, the entire Imperial Divan was in attendance, as were the majority of the leaders of the larger organizations within the framework of Masonry.

This affords us an opportunity to exchange views with these fellow Masons who hold high office in other organizations within the framework of Masonry.

We are increasing our special events considerably.

In particular, there are more football games being added to the fold and they are producing considerable results for our Shriners Hospitals for Crippled Children and also our three Burns Centers.

Reverting to public relations once again, let me say that we were able to establish this year a Shrine Exhibit in the Professional Football Hall of Fame at Canton, Ohio, which is viewed by tens of thousands of visitors annually. I invite all of you to visit the Football Hall of Fame and particularly look at our Exhibit which is being added to all of the time. I want to mention this because they are interested particularly in the great East-West Game, North-South Game, both of which are televised nationally and internationally, as well as in many of our other football games which go on regional or national television or radio – that in connection with those who participated in those games and who have gone on into professional football, they are interested in paraphenalia from them which could add to our Exhibit. They are also interested in the paraphenalia of those who might not have made the Shrine All-Star Games but who were professional football players and are Nobles of the Mystic Shrine.

It has been a delightful experience, privilege and honor to serve you as Imperial Potentate. I am particularly gratified that I was able to visit the great majority of the Temples represented here today by you delegates.

I can say this truthfully – that I did not encounter a single unpleasantry in connection with any visitation made – they were all wonderful and I appreciate very, very much the numerous very thoughtful and most gracious courtesies which were extended, both to my wife, Mary, and to some of our children who, from time to time, accompanied us on these visitations. This has been an experience that I shall never forget. It is one that I will always cherish and, naturally, I cherish the friendships which were thereby engendered and developed.

I thank all of you from the bottom of a most grateful heart.

(Rising applause.)

IMPERIAL POTENTATE RUSH: Thank you so much, Nobles, for the wonderful warmth of your reception.

Now, I do wish to add this addendum. I am extremely grateful to all of my committeemen who served so faithfully during my entire tenure of office. They certainly performed yeoman service and proved they were dedicated Nobles of this Mystic Shrine.

1967 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Washington, D.C., the week of July 9, 1967. The Director General is T. M. "Ted" Ralph, 1315 K Street, N.W., Washington, D. C. 20005. Telephone Area Code 202, NA 8-7973.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in Washington as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Washington, D.C. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1967 Session in Washington, D.C.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives, are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Washington, D.C., are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Washington, D.C., is Clarence A. Arata, 1616 K Street, Northwest, Washington, D.C. 20006. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

Responsibility of Potentates

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

Imperial Potentate Visitations

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Rush will accompany Imperial Potentate Rush on his visitations unless notified otherwise. It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to General Office) as far in advance as possible. He should be informed at what function you want him to speak and

the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

Proper Display of 3 National Flags

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should take their proper place in all Shrine Temple Color Squads and should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A Special Note for Color Squads

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at a reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CANNOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HAROLD LLOYD, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, AND THE IMPERIAL POTENTATE, ORVILLE F. RUSH.

You may address Imperial Sir Lloyd in care of the Office of the Imperial Recorder.

Revision of Temple By-Laws Required

Your attention is directed to Section 331.5 of the Imperial By-Laws, which reads as follows:

"§331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to

the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation."

All Temples, who have not already complied with the above provisions of the Imperial By-Laws, are requested to do so as soon as possible and to include in, change, delete, or add to present Temple By-Laws the provisions of the Imperial By-Laws revised as of July 16, 1965, including 1966 amendments adopted at the Imperial Session in San Francisco, California.

Temple By-laws should be brought up-to-date and obsolete provisions should be deleted therefrom without delay so that Temple Officers and Nobles may be advised correctly as to their rights, duties, and obligations under the current applicable provisions of the Imperial Council and Temple By-Laws as revised and corrected.

It is suggested that if the by-law revisions are complicated or extensive, you should ask the Chairman of Jurisprudence and Laws to give a tentative opinion before being submitted to the Temple membership.

It is directed that the attached Summary of this General Order No. 1 be read to the Nobility of each Temple at the first Session following its receipt, and record of the entire General Order be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this 1st day of September, A.D. 1966, and of the Order A.H. 1386.

IOWA CORPORATION

PROPOSED AMENDMENTS

Warren L. Jones, Chairman of the Committee on Jurisprudence and Laws, and an Imperial Representative, proposes the following:

Amend Article 2 of Part II of the By-laws of the Iowa Corporation by adding thereto a new Section to be designated as Section 202.5 and reading as follows:

§202.5 MEMORIALIZING OF INDIVIDUALS PROHIBITED. *The use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individual, of his connection or assistance with the construction, establishment or operation of any such building is prohibited.*

AMENDMENTS submitted by Earl Sachse, a Representative of Zor Temple, based upon a resolution adopted by the Midwest Shrine Association at its mid-winter meeting this year.

WHEREAS, the Midwest Shrine Association is one of 17 Shrine Associations operating in cooperation with and by permission of the Imperial Council of A.A.O.N.M.S., and has since its organization in 1930, through it's members, officers and representatives, assembled a great deal of information concerning the general welfare of the fraternal organization known as the Shrine and concerning further the operations of the Shriner's Hospitals for Crippled Children, and,

WHEREAS, it is the considered opinion of the representatives of the Midwest Shrine Association that the other 16 Shrine Associations have likewise gathered together and assembled a valuable fund of knowledge and information of like character, and,

WHEREAS, it appears that Shrine Associations as such have had no official representation of the Imperial Council, nor official representatives at Imperial Council sessions for the purpose of presenting to the delegates at such session the combined thinking of the representatives of the respective Temples belonging to such Shrine Associations,

NOW, THEREFORE, BE IT RESOLVED, that,

(1) The Midwest Shrine Association recommend to the Imperial Council that a Resolution be presented at the next Imperial Council session to be held in Washing-

ton in July of 1967, that the duly elected, qualified and acting President of each duly formed and approved Shrine Association be an official Imperial representative during the year that he holds office as such President in the respective Shrine Association, and that he be given full recognition as an official representative with all of the emoluments and duties connected with that office.

I have been requested to file this Resolution with appropriate enabling Amendments as follows:

§203.1 is amended to read:

§203.1 GENERALLY. The Representatives to the Imperial Council are its Representatives ad vitam, its Representatives at large, its Emeriti Representatives, its elected Representatives, *duly elected, qualified and acting Presidents of the chartered Shrine Associations,* and its appointed Representatives.

§203.7 is renumbered §203.8.

§203.7 is created to read:

§203.7 SHRINE ASSOCIATION REPRESENTATIVES. Each duly elected, qualified and acting President of a chartered Shrine Association is a Representative for the term of his office.

"which are under the direction of the Imperial Recorder."

Further amend said Subsection by inserting therein new Paragraphs numbered (3), (4) and (5) as hereinafter set forth, and by renumbering Paragraph (3) as Paragraph (6), Paragraph (4) as Paragraph (7), Paragraph (5) as Paragraph (8), and Paragraph (6) as Paragraph (9), so that said Subsection (e), as amended, will read as follows, with new matter italicized and deleted matter bracketed:

(6)[(3)] As soon as practicable after the end of each calendar year, he shall cause to be prepared from the records and books and shall submit to the Board of Directors (i) an annual statement of the financial condition of the Imperial Council,

showing its assets, its revenues and sources thereof, its liabilities, and its net worth; (ii) an annual operating statement; and (iii) any other or supplementary report or statement necessary to disclose its true financial condition, the nature and current estimated value of its assets, its operating results, its income and the sources thereof, and its reserves and purposes thereof.

Warren L. Jones, Chairman of the Committee on Jurisprudence and Laws, and an Imperial Representative, proposes the following:

Amend Section 335.15 of Article 35, Part III, of the By-laws of the Iowa Corporation so that the provisions thereof will apply to buildings of Shrine Temples and their affiliated corporations and organizations rather than, as now written, to the Iowa Corporation and its affiliates, so that the Section, as amended, will read as follows, with new language italicized and deleted matter bracketed:

§335.15 MEMORIALIZING OF INDIVIDUALS PROHIBITED. The use of the individual name of any person living or dead on or about any building owned by [this corporation] *any Temple* or any of its affiliated corporations, *clubs or units, or held by another or others for the use of any such Temple, corporation or other organization* for the purpose of memorializing such individual, of his connection or assistance with the construction, establishment or operation of any such building is prohibited.

Amendments to the By-laws of the Imperial Council, A.A.O.N.M.S. for North America, An Iowa Corporation, submitted by Earl Sachse, Representative, Zor Temple, Madison, Wisconsin, for consideration at the 1967 Imperial Council Session beginning July 10, 1967, at Washington, D. He shall have the right to the floor at any session. He shall have charge of and be responsible to the Board of Directors for the conduct and handling of all legal matters assigned to him. All of [his] *the* files, records, and documents [shall] belong to the Imperial Council [and] *but* shall be maintained under his control in the space and location provided and ordered by the Board of Directors

§327.3 (a)(14) is created to read:

§327.3 (a)(14) *Report and remit as required by §332.3 (b), (d), (g) and (i), §332.4 and §332.5 (b) and (c).*

NOTE: This proposed new paragraph incorporates reference to additional sections of the By-laws which impose specific duties on the Temple Recorder.

§330.2 is repealed and recreated to read:

[§330.2 PROCEDURE. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(b) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(c) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assisant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple in good standing, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15, nor more than 20, days from the date of the selection of the trial committee.

(e) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by some Noble of the Order in good standing, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by certified mail is prima facie evdence of the service of the notice and charges upon the accused Noble.

(f) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble in good standing. The accused also shall have the right of counsel, provided the counsel is a Noble in good standing.

(g) The accused may file written answer to the charges at least 5 days previous to the time set for the hearing.

(h) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges as above, then the trial committee of 5 shall be chosen by lot. This committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period. A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required.

(i) After the committee has concluded, it shall make a report of its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(k) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(l) Notice of appeal under (j) or (k) must be filed with the Imperial Recorder within 30 days.

(m) In the event of an appeal, it is the duty of the Temple to file a complete

transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(n) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(o) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If ⅔rds of the members present vote for his restoration, he is restored. If a less number than ⅔rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(p) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

(q) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing charges in the first instance, the accused, or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(r) Unless a Noble is disqualified under the provisions of (q), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(s) In the event the Potentate is disqualified under (q), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(t) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(u) The trial committee selects one of its number as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(v) The report of the trial committee must be signed by the entire committee.

(w) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(x) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(y) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.]

§*330.2* PROCEDURE. *Proceedings for the discipline of any Noble by a Temple are* as *follows:*

(a) *Before trial.*

(1) *Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.*

(2) *Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. (3) *Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.*

(4) *Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.*

(5) *No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.*

(6) *Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.*

(7) *In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.*

(8) *It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.*

(9) *It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.*

(10) *The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.*

(b) *Trial.*

(1) *Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.*

(2) *The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.*

(3) *Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.*

(4) *The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.*

(5) *Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.*

(6) *Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.*

(7) *The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds*

the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) *A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.*

(9) *After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.*

(c) *Appeal.*

(1) *Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.*

(2) *The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.*

(3) *Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.*

(4) *In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.*

(5) *If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.*

(d) *Restoration.*

(1) *If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If ⅔rds of the members present vote for his restoration, he is restored. If a less number than ⅔rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.*

(2) *If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.*

NOTE: This amendment does not change the existing law. It is a complete renumbering and rearrangement of the present section. The purpose is to set forth the precise order in the procedure for the discipline of a Noble by a Temple.

A request has been received from the Nobles of Pensacola, Florida, for a dispensation to open a new Temple titled HADJI in Pensacola, Florida.

POTENTATES, PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 9:30 A.M., on Tuesday, July 11. The route of march, starting at 4th Street and Pennsylvania Avenue, N.W., West on Pennsylvania Avenue to 15th Street, N.W., North on 15th Street to New York Avenue and West on Pennsylvania Avenue to 18th Street, N.W. At this point, the Parade will disband in the area using Pennsylvania Avenue and all side streets from the North curb of Pennsylvania Avenue to 22nd Street, N.W., the North curb of E Street, N.W., to the West curb of 17th Street, N.W. The Reviewing Stand will be in Lafayette Park, across from the White House.

The Night Parade will start promptly at 7:30 P.M., on Thursday, July 13. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. This regulation will be enforced.

Please note that Pennsylvania Avenue from 4th Street to 15th Street is 107½ feet wide, on 15th Street from Pennsylvania Avenue to New York Avenue 70 feet wide, and Pennsylvania Avenue from 15th Street to 22nd Street 80 feet wide.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Ted M. Ralph, whose office is located at 1315 K Street, N.W., Washington, D. C. 20005. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" nearer the head of the line, (4) Due to

repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Washington, D. C., may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Washington, D. C., will be parades throughout, and in no part a pageant. Only so-called "forward marching movements" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. Units not desiring to comply with this parade regulation are not to form in line for the parades. The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Washington, D. C., the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than ONE CAR for the officers of each Temple with Uniformed Units in the parades. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be in Lafayette Park, across from the White House, for the Day Parade and for the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and promp cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

If your Uniformed Units attend the Imperial Council Session in Washington, D. C., it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple) to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble John D. Kurtz III, Almas Temple. Provost Headquarters during the Convention will be in the Military Room of the new Washington-Hilton Hotel, Washington, D. C. Each Potentate will kindly advise Noble Kurtz the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Kurtz for instructions, etc., on Monday, July 10, at 9:00 A.M., at his headquarters in the Washington-Hilton Hotel. Correspondence with Noble Kurtz prior to July should be addressed to 1315 K Street, N.W., Washington, D. C. 20005.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE WASHINGTON 1967 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS, OR IN HOTELS OR OTHER PUBLIC PLACES IN WASHINGTON, D. C.

POTENTATES ARE ADVISED THAT THE USE OF WATER PISTOLS, ELECTRIC CANES, ELECTRIC BRIEF CASES, SNAKES OR OTHER REPTILES, FIRECRACKERS, CANNONS, SIRENS AND OTHER OBJECTIONABLE DEVICES WILL NOT BE PERMITTED. MEMBERSHIP ATTENDING IMPERIAL COUNCIL SESSIONS SHOULD BE CAUTIONED REGARDING THE ABOVE.

ROLL CALL

The Imperial Potentate advises that there will be a roll call of Representatives at any time during the sessions of the Imperial Council. Please take due notice and maintain constant attendance at all business sessions of the Imperial Council.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple name, will be candidates for Imperial Outer Guard:

Peter Val Preda, Cairo Temple
Albert H. Jacobs, Kaaba Temple
Harvey W. Smith, Sudan Temple

ORVILLE F. RUSH
Imperial Potentate
(Chairman—Board of Directors)

IMPERIAL POTENTATE RUSH: At the last Imperial Session there was a resolution adopted with respect to membership problems, not only in the Shrine but in the York and Scottish Rites. The resolution was to the effect I appoint a committee of five Imperial Representatives to meet with the leaders of the York and Scottish Rites and to come back at this Session with a report.

I appointed as Chairman of that Committee, Past Potentate John McKee of Hella Temple, who is also a Past Grand Master of Masons and who has likewise held many high honors in Masonry. I also added to his Committee four of the outstanding members of this Imperial Council.

I would now call upon Past Potentate John McKee to give his Membership Study Committee Report.

REPORT OF IMPERIAL COUNCIL

NOBLE JOHN MCKEE: Imperial Sir, Imperial Sirs, distinguished guests and Members of this Imperial Council: You know, there is always an advantage by being put on first. The advantage is that you do not have to worry about what may happen for the next two days of the Session insofar as the report is concerned.

At the Ninety-Second Annual Session of the Imperial Council, which was held July 5, 6, 7 and 8, 1966 in the City of San Francisco, California, there was a resolution adopted. That resolution was introduced by the Chairman of the Jurisprudence Committee and prior to the introduction of the resolution, the Chairman of the Jurisprudence Committee made the following remarks:

"In view of the discussion we had the day before yesterday with relation to Masonic legislation which had been proposed to you by the Shrine Development Committee, I wish to move the adoption of this resolution. I will read the resolution twice."

This resolution was read by the late Noble Robert H. Fouke, who was the Chairman of the Jurisprudence Committee. It read as follows:

"Resolved, that the Imperial Potentate shall appoint, within thirty days, a Study Committee of five Representatives to meet with the leaders of the York Rite and Scottish Rite bodies and give further consideration to the problems of increasing membership in all Masonic bodies and to seek solutions which will give benefit to all."

Your Committee, in studying the resolution, was very careful to take note that the resolution stated "not the prerequisite bodies," not excluding the Shrine, but that it applied to all Masonic bodies.

The Committee was appointed by Imperial Sir Orville F. Rush and composed the following:

John B. Vessey of Al Chymia Temple.

Willard P. Lombard of Aleppo Temple.

Lincoln G. Kelly of El Kalah Temple.

J. Y. Jordan, Jr. of Oasis Temple.

I, John McKee, of Hella Temple, was named Chairman.

As directed by this resolution, the Chairman of your Committee contacted the heads of all of the prerequisite bodies, plus eighteen Grand Lodges and numerous other active members in Masonry from the Shrine level through the Grand Lodge level. This resolution was brought on by the desire, as we interpret it, to increase membership in all bodies. This has been no easy task as there are so many problems that are involved. I would like to list for you four of the most prominent problems:

1. Proper communication.

2. The purpose of the Shrine.

3. The dependence of Shrine increased membership from the Grand Lodge to the prerequisite bodies.

4. A closer look at our over-all relationship.

Now, some explanation is due each one of these particular four facets.

We find, by a thorough investigation, that communications at the top level, from Imperial Sir Orville F. Rush with other Masonic leaders, is good and, as a matter of fact, after the last Imperial Council Session, our Imperial Sir has done an outstanding job in quieting and having an understanding relative to what the Shrine is trying to do and would continue to do under his administration, and that was for the complete cooperation of all of the various Masonic bodies, whether it be prerequisite to the Shrine or not.

However, we did find a lack of communication at some of the Grand Lodge levels. Also, we have found a lack of communication between Temples within the same Jurisdiction of a particular Grand Lodge is nil and this, in turn, has created suspicion and misunderstanding, wrong interpretations put on rumors, etc.

Without going into specific cases, which I think would be unfair, I think this Imperial Council would be well to establish, on a permanent basis, a Masonic Relations Committee to deal directly with these over-all problems. This Committee should be composed of Nobles who are active in all phases of Masonry and who would give of their time. This is the important factor – who would give of their time to hold meetings within the various states themselves with the leaders of all of the bodies from the Blue Lodge, your Grand Lodge, your prerequisite bodies and any other area where difficulty may exist.

The purpose of our Shrine organization's history is well known and this being the Ninety-Third Annual Session of the Imperial Council, we are not going to go into the purposes of the Shrine.

One of the reasons we have found in our investigation that the Shrine is strong is because our membership has been exposed to all of the lessons of Masonry. As we indicated and as the expression was made at one Grand Lodge, when the man assumes the Master's Degree, he has gone through the first grade. Then, by moving through either the York or Scottish Rite or both, his lessons are further expanded.

We have not lowered the standards and, therefore, in order to become a member of our organization, the cost is high and should remain high. But even with this, the requirement of the prerequisite bodies as was established by the founders has proven correct. This we should not change. (Applause)

We come to the center of the problem relative to membership. Your Chairman has studied thoroughly the membership trends of the Grand Lodges, York Rite and Scottish Rite. We have also studied the trends of civic organizations over the past fifteen years and we find that all of them fall into the same category – that they are having a difficult time maintaining and increasing their membership.

Why? Well, in taking a look at this phase of it, we find that this becomes a much deeper and broader problem than we originally anticipated. In other words, we have a changing society, we are involved in a population growth within the various cities. Also, rural area population is decreasing and will continue to do so.

Therefore, we must concentrate in relation to our potential candidates upon the metropolitan areas.

We have likewise found another area which will be worth your while to take a look at. For example, in Temples within cities of a population of 125,000 or less, we have found by your records that you are going to have difficulty maintaining your present membership and, certainly, we can show no further growth again because it is at this level from which your younger people are moving into your metropolitan areas.

However, let's take a look at the Shrine for a moment. In other words, what have we done to ourselves? With regard to our studies, your Committee has found the following conditions in existence insofar as the loss of membership is concerned. In connection with this study, we used the years 1924 through 1941. For example, during those years, we lost 110,084 by demits; we had 359,698 who were suspended. We had a total loss in this period of 280,663.

To further illustrate to you, in 1927 our membership was 587,133. In 1942 it had dropped to 306,470. The demits and suspensions that we had in the Shrine were 45% higher than we found in the prerequisite bodies.

There is an indication in studying the figures that we had come back or had reinstated not over 11,000 because your affiliations and reinstated yearly figures maintained pretty consistently the same figure each year. There is a variation of 1,000 or so.

We have a trend now that is just as serious as it was back in 1924 through 1941, and that is the great number of members we are losing by suspensions.

For instance, from 1958 through 1966, we lost 92,068 by suspensions, where the prerequisite bodies, both of the Northern and Southern Jurisdiction, during the same years, have shown a consistent gain.

Therefore, we would recommend to this Imperial Council that a new approach in its entirety be made in soliciting members for the Shrine. We found that there is very little organized effort on the part of each Temple, organized effort toward getting reinstatements and affiliations and we are losing out. All you have to do is to take a look at last year's Proceedings and you can find for yourself exactly as to what your Temple is doing.

Our membership gain for 1966 was 6,396. These were all the states, including Hawaii. This is 900 less than the year before but it is 3,000 more than we had in 1964.

Grand Lodges should re-examine carefully and seriously the old policy of not soliciting members and give most careful consideration to new methods that might be adopted, such as committees to screen out individuals who might prove undesirable and approve only those who are worthy and well qualified. As a matter of fact, as you and I know, a non-Mason has no idea as to how to become a Mason.

In examining all of the laws of the various states we find that it is not a Masonic offense to ask a man why he has never become a Mason.

Some consideration in the future must be given to revising the dues and initiation fees for a man who passes 65 years of age. We have no recommendations at this time but this is something that must be looked into.

From the year 1882, when 1,081 Shriners were initiated to a population as of the close of 1966 of 850,907, during this time we show a greater growth than any of the other branches of Masonry.

Therefore, the picture is not nearly as dark as it seems. However, we do need proper organization, proper publicity and the maintenance of the high reputation that you now have by the leaders of Masonry who are sitting in this convention hall. We are the people who can be the saviors of Masonry. We can and will save Masonry.

We recommend that a centralized records system be kept and be kept at the Shrine office – this record consisting of the names and addresses of each member of the Shrine and then have the Recorders send to the National Office, perhaps on a quarterly report basis, any change of address. If this is done, I believe we could cut down our suspensions by at least 50%. Why? Because of the great movement of population. For example, a Shriner may move from his present Temple into the jurisdiction of another Temple and perhaps, in the process, become non-active. In fact, we must always keep in mind that ninety per cent of Masons are non-active. Therefore, after this man moves to this new location, it generally turns into a situation of where he loses interest and, after a period of time, is suspended.

Now, with regard to this recommendation, if you were to install some kind of centralized name and address system, then the Imperial Recorder would, in turn, notify the Recorder of the Temple in the area in which that individual had moved.

Also, in turn, each of the Temples could set up a committee to call upon these individuals and invite them to their respective functions. By so doing, I think I would practically assure you that you would at least half-way account for this problem that we have in relation to suspensions, one that seems to be growing by leaps and bounds.

Let me also add that our death rate for last year was 20,000. Now then, if our studies are correct and if the machines we put these studies on are likewise correct, then our death rate by 1975 will run 30,000.

We have a job to do. We should be on an organized basis. Therefore, we recommend to you that we all become active in the prerequisite bodies and, of course, be in constant contact and attendance to our Blue Lodges.

I would again repeat, as I stated previously, that we maintain the high quality and the prerequisite bodies be required, as they have for some eighty-five years, before an individual can petition the Shrine.

Your Committee wishes to express to our Imperial Sir Orville F. Rush our sincere appreciation of his confidence in appointing the members of this Committee and we in turn want the Representatives of this Imperial Council to know of your untiring efforts during the past year in maintaining peace and harmony and keeping the ship on an even keel during some very troubled times and rough waters that he has had to travel.

Thank you very kindly.

Mr. Chairman, I move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: It has been moved and seconded that the Report be adopted. Is there any discussion?

All those in favor indicate by saying "Aye;" all opposed. The motion is unanimously carried.

Illustrious Sir John McKee and other members of your Committee, I express my sincere appreciation to you for your untiring efforts and for the kind sentiments expressed therein concerning me.

I have a couple of announcements at this time.

First of all, I would ask that all Representatives have their ballot books with them at all times just in the event there is anything to ballot on.

Now then, Noble W. Ellis Arnold of Sahara Temple is Chairman of the Greeters and Reception Committee. He requests all the members of his Committee to meet him to the left of the stage here upon the close of this session today.

Now, Potentate Frank R. Fling of Yaarab Temple of Atlanta, Georgia, has asked to make an announcement.

NOBLE FRANK R. FLING (Yaarab Temple): Imperial Sirs, Most Worshipful Grand Masters and Past Grand Masters present, my fellow Potentates, Past Potentates, you fine Representatives and Nobles: I have a very distinct honor given me here today.

We have a man down in Georgia who owns a very popular magazine and once a year he sends out many ballots to prominent people asking them to select, of their own choice, the "Man of the Year of the Southeastern States." This has been going on approximately for twenty-five years now.

Now, I am happy to announce that the Man of the Year for 1967 is your Imperial Potentate, Orville Rush. Therefore, at this time, Imperial Sir, I want to present to you an award signed by the Editor of that fine magazine and, also, on behalf of the more than 9,000 members of Yaarab Temple and all of the other Temples located in the Southeastern states, we wish to congratulate you for the receipt of this Award.

(Presentation of Certificate and applause ensued.)

IMPERIAL POTENTATE RUSH: Thank you ever so much, Frank.

This is a distinct surprise and something I certainly shall always cherish. I thank you for your splendid presentation speech and for the delivery of this distinguished service award as the South's "Man of the Year." Please convey my gratitude and sincere thanks to all of those who voted for it. (Applause)

The Chairman of the Committee on Dispensations and Charters requests that the members of his Committee meet him in back of the stage at this time.

I would now like to call on Past Potentate F. Lawrence Bulfinch of Bektash Temple, Chairman of the Necrology Committee, to conduct his usual annual ceremonies.

I move you, Imperial Sir, that the Report be received and filed and that the rulings, decisions, approvals and disapprovals of Temple By-Laws as therein reported be approved.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion and the second. All in favor indicate by saying "Aye;" all opposed "No." The motion is carried. Thank you very much, Past Potentate Warren Jones.

Past Potentate Carl A. Rahn of Al Bedoo Temple is Chairman of the Committee on Insurance and I now request that he give his report.

NOBLE CARL A. RAHN: Imperial Potentate, Imperial Sirs, and Imperial Representatives: (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

In November, 1965, a questionnaire was mailed to each Temple requesting information regarding their insurance program.

After the questionnaires were returned and reviewed, this committee, during its first meeting in connection with the Imperial Council Session last July in San Francisco, established suggested amounts of coverage for the various exposures and this information was transmitted to the Temples by letter of Imperial Potentate Orville F. Rush dated August 10, 1966.

On May 25, 1967, a follow-up letter over the signature of Carl A. Rahn, Chairman, Insurance Committee was forwarded to Temples who had not responded to previous communications, or who were under-insured in specific areas.

A recapitulation of the results from the above mentioned correspondence is presented below for your review.

125 Temples have either complied to our suggestions, or their insurance coverage was adequate as reported on the questionnaire.

10 Temples have reported that they are in the process of adjusting their coverage in order to comply with our recommendations.

32 Temples have not responded to our latest communication.

1 Temple has not responded to any communications regarding their insurance program.

168 Temples

It is not the intention of this Committee to interfere with the autonomous operation of any Temple, but rather to be sure that each Temple has a minimum insurance coverage as recommended.

Respectfully submitted,

COMMITTEE ON INSURANCE

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly made and seconded.

All in favor indicate by saying "Aye;" all opposed "No." The motion is carried. Thank you very much, Carl.

I will now recognize Imperial Recorder George Saunders for the purpose of announcements and reports on absentee officers and representatives of the Imperial Council.

NOBLE GEORGE SAUNDERS: Imperial Sir, since we do have a couple of absentees in the Emeritus list, I would move that those members of the Imperial Council, the Emeritus Representatives and elected Representatives, be sent a greeting from this Imperial Council expressing our regrets at their absence and also that the Imperial Re-

corder be instructed to send greetings and perhaps flowers, if you would suggest it, to the widows of the Past Imperial Potentates.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion and the second. All in favor indicate by saying "Aye;" opposed "No." The motion is carried and you are so instructed.

I shall now call on Chairman Warren Jones of our Jurisprudence and Laws Committee.

NOBLE WARREN JONES: Imperial Sir and Imperial Representatives, at the Houston Seminar it was unanimously voted that a recommendation be made to the Imperial Council that the seminars be established as regular breakfasts to be held every third year and in carrying out the action taken by those attending the Houston Seminar, the following resolution has been introduced and been referred to your Committee on Jurisprudence and Laws:

BE IT RESOLVED, by the Imperial Council, A.A.O.N.M.S., That a Seminar (similar to the one held in Dallas, Texas, in 1959 and in Houston, Texas, in 1967) shall be held in 1970 and every third year thereafter, upon such date, prior to the Imperial Council Session, and in such place as shall be fixed by the Imperial Potentate. The Imperial Potentate for the time being shall be in charge of and be responsible for the conduct of each such Seminar and sufficient funds shall be appropriated for such purpose.

The Committee reports that the proposed resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Elmer P. Bromley
Merwyn H. Brown

Walter S. Jeffries, Jr.
William H. Knowlton
Robert J. Turley
Warren L. Jones, Chairman

I move the adoption of this resolution.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: A motion has been made and duly seconded for the adoption of the resolution as read. Is there any discussion?

NOBLE LOUIS CHACKES: Imperial Sir, I have a suggestion in connection with the motion.

I think it is an excellent idea for the Chief Rabban, Assistant Chief Rabban but, on the other hand, the Potentate, he is almost out of office. I think it is interesting for other members of the Divan and possibly other interested people to meet collectively for the purpose of receiving valuable information. However, my only question is the designation in the motion that these meetings be held every third year from now on. "From now on" will be too long for me but it may not be the case for many other individuals here.

Now, there are two things in connection with the motion. One of them is that this be held prior to the Imperial Council Session. Well, in that case it may become, as some fear it possibly has become in part, a Committee on Propaganda.

Also, I believe, in relation to the expense of the Temples in sending these delegates to a gathering such as this – while it may not be any hindrance to the larger Temples, to the smaller Temples it is quite an expense. Further, the Seminar at Houston did not have all of the Potentates there. Of course, they also had to pay the expense of travel, they had to pay hotel bills and occasional libations and other things necessary for a successful and harmonious gathering. (Laughter)

Now here, at the Imperial Council Session, all of the Potentates are present and, likewise, all of the interested Nobles generally are here or could be here. Now then,

if we had this meeting (and it is a valuable one) on the day after our Session, it would only require a bill to the Temple for one night's hotel because these individuals are present anyhow. Further, the travel has already been paid. Also, you would have every Potentate and practically all of the Chief Rabbans present and, therefore, you could lay out the Proceedings for a full Shrine year at a time when the atmosphere is conducive to finding better means of making our Shrine a living and enduring thing.

Also, from the activities of the then immediately Past Imperial Council Sessions we would have much that could be discussed and talked about. To wait for several months and then hold a meeting in some other city, possibly only to talk on a few topics as presented, does not cover the full gamut.

I believe holding this the day after the Imperial Council Session would be the better thing.

I do not offer that as an amendment because I do not want to get into a dispute about when and how it should be held, except that I do not agree with the method we now have.

For that reason and inasmuch as we are not suggesting it be done next year, so that the delay of it would not make any difference, I do suggest that the matter lay on the table so that next year they could possibly try this thing out by having it one day after and if it does succeed we then will have the happy solution.

For that reason, I move you that the matter be tabled at this time.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, that the matter be tabled. It has been duly seconded.

All in favor indicate by saying "Aye;" opposed "No." I hear several "No's" but I do declare the "Ayes" have it and the matter is tabled for this Session.

Now then, I have a couple of announcements.

As you know, we have had quite a problem with the Imperial Potentate's Banquets and Ladies Luncheons. Therefore, I decided this year that I would have all of the Banquet tickets numbered and the Ladies Luncheon tickets likewise numbered and tables assigned. (Applause) Now, those of you who have those Banquet tickets, you must go to the tables to which you are assigned when the Banquet is held on Wednesday night starting at 7 P.M. You can likewise tell your ladies the same thing in relation to the Ladies Luncheon on Thursday – that they should go to the tables to which they have been assigned.

I am next going to call on Noble Clyde Oliver, Chairman of the Committee on Election Tellers, Judges and Clerks, for instructions.

Before he starts his discourse, let me say to you that the hotel is anxious to have this room as expeditiously as possible for the setting up of the Banquet for this evening. Also, there are several Unit association banquets and several Temple banquets scheduled this evening and so I think that when Noble Oliver completes his instructions we might recess until nine o'clock tomorrow at the same place. (Applause)

NOBLE W. CLYDE OLIVER: Imperial Sirs and Representatives, tomorrow is election day. Even though I cannot tell you how to vote, I would like to acquaint you with the procedure which we would like to follow.

As the Imperial Potentate mentioned to you a moment ago, it is most imperative that you have your ballot book with you at all times. This ballot book was in your envelope at the time you registered and will be required throughout the entire Session.

The voting will be done strictly from the Representatives' Section, which is in the foremost part of this seating arrangement and only from the position in which you are seated and not in the aisles, not in the rear of the room or to the front of the room. It will be done strictly from the place you are seated.

The ballot boxes will be passed through the rows of chairs and you will be given an opportunity to vote at that time.

You cannot pre-vote; you cannot pre-mark your ballot because just immediately prior to the voting the Imperial Potentate will announce the ballot that will be used.

Therefore, fellow Nobles, please cooperate with your Election Tellers, Judges and Clerks Committee. They will be most appreciative of your efforts. First of all see

that you do have your ballots with you at all times and then, further, remain seated during the time for voting.

Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: Thank you very much.

I would ask the members of the Grievance and Appeals Committee to come to the Recorder's Table in order to sign reports which they agreed upon.

Nobles, we will now recess until nine o'clock tomorrow morning, at which time we will hold our election and go into the Pageant.

(The Ninety-Third Annual Session of the Imperial Council A.A.O.N.M.S. recessed at 4:30 P.M. to reconvene at 9:00 A.M., Wednesday, July 12, 1967 in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

MORNING SESSION
WEDNESDAY, JULY 12, 1967
NINE O'CLOCK A.M.

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S. reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Wednesday, July 12, 1967, at 9:00 A.M., Imperial Potentate Orville F. Rush presiding.

IMPERIAL POTENTATE RUSH: Nobles, will you please be seated.

All who are not Nobles of the Mystic Shrine will please retire out to the corridor. This is to be a called meeting of Shriners only

The meeting will now come to order.

We will have our Invocation by the Imperial Chaplain, Woodrow Wilson Hayzlett.

REVEREND WOODROW WILSON HAYZLETT: Most Holy Lord God, we are grateful for the health and strength that permit us to assemble this day. We thank Thee that Thou hast brought us to such a glorious time as this.

For the blessings that we have all enjoyed during this Imperial Council Session and for Thy guidance, we give Thee thanks.

We ask now that throughout this day and for the remainder of this Session that the sunlight of Thy love be shed upon our lives and that with competence and strength we may steadfastly set our face toward that Mecca, a city of brotherly love.

All of which we ask in the name of the Supreme Architect of the Universe. Amen.

IMPERIAL POTENTATE RUSH: Be seated, gentlemen.

We are now again open for business.

This morning we are going to nominate and elect an Imperial Potentate. I am going to call a recess immediately thereafter. I might tell you now that we are going to recess until eleven o'clock. In other words, when I call for the recess, we will reconvene after the Pageant at eleven o'clock.

Now, I have been advised by the Marshals and others that these front rows are reserved for the Imperial Divan, Past Imperial Divan and family of the new Imperial Potentate and also some members of the Imperial Potentate's Temple, etc. Therefore, please leave these chairs vacant for that particular group.

Nominations are now in order for Imperial Potentate.

I now call upon Potentate Bill Sullivan of Medinah Temple.

NOBLE G. WILLIAM SULLIVAN: Imperial Sir, Imperial Sirs and fellow Representatives: I think that it has been seldom, if ever, that the Temple Potentate has had an opportunity to suggest for the office of Imperial Potentate a close friend of more than thirty years.

On behalf of Mighty Medinah and individually, it gives me great pleasure to suggest, for Imperial Potentate for the coming Shrine year, Imperial Sir Thomas F. Seay. (Applause)

IMPERIAL POTENTATE RUSH: Are there further nominations?

REPRESENTATIVE: Imperial Sir, I move that nominations be closed, that the rules be suspended and that Imperial Sir Tom Seay be elected by acclamation.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion—that nominations be closed, the rules be suspended and that Imperial Sir Tom Seay be elected by acclamation.

All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously.

(Rising cheers and applause.)

IMPERIAL POTENTATE RUSH: Tom, heartiest congratulations. I know you are going to make a great Imperial Potentate.

It has been a privilege working with you for the past ten years and you can count on me during your year as Imperial Potentate for 1967-1968.

I now ask you the magic words – Do you accept?

NOBLE TOM SEAY: At this particular time, that is a very important question. (Laughter)

Imperial Sir, Imperial Sirs and Representatives of this Imperial Council, I accept with humility, distinction and honor. It is an honor for any man to be elected to this great office and I hope that when I have completed my year that I will be able to stand before this great body of men and say to you that I have done as good a job as the man ahead of me. (Applause)

With the Imperial Divan behind me, and I do have the most profound respect for each one of them, we are going to work together and do the best we can for all Nobles with your help.

Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: Nobles, be seated just a moment.

It is not absolutely necessary but it has been customary in past years to call upon somebody to cast a unanimous ballot. It wasn't mentioned to me there was anyone to cast it but I understand that the Imperial Chief Rabban, Chester A. Hogan, would like to cast the unanimous ballot for Tom Seay for Imperial Potentate.

NOBLE CHESTER A. HOGAN: Imperial Sir, Imperial Sirs and Representatives of this Ninety-Third Imperial Council Session, it is with extreme pleasure that I cast the unanimous ballot for my good friend, Thomas F. Seay, as Imperial Potentate for this year.

IMPERIAL POTENTATE RUSH: Thank you very much.

Now, Nobles, we will recess until eleven o'clock and at that time continue with the nominations for Deputy Imperial Potentate and right on down through the Imperial Outer Guard before going to lunch, which is scheduled for twelve noon in the rooms to the side here. You are now in recess until eleven o'clock.

(A short recess was taken following which a Pageant was staged honoring the newly-elected Imperial Potentate, Thomas F. Seay, as follows:)

NOBLE G. WILLIAM SULLIVAN: Ladies and Gentlemen, it gives me a great deal of pleasure to present to you at this time Illustrious Past Potentate of Medinah Temple, General James W. Hilton. (Applause)

NOBLE JAMES W. HILTON: Thank you, Illustrious Sir.

Greetings and welcome to all of you wonderful people.

I do want to make a brief announcement before we start our ceremonies and the announcement is this – that we had such a beautiful ceremony here on Monday afternoon with respect to our three Representative Countries that we are dispensing with that formality this morning. However, we will pay our respects to the flags of the three countries and the fifty states. Therefore, will you all please stand as the Medinah Color Guard posts the Colors.

(Whereupon, the Posting of the Colors by the Medinah Color Guard ensued.)

NOBLE JAMES W. HILTON: Thank you, Medinah Color Guard. Let's give them a hand. (Applause)

At this time I would like to present a Noble from the Local Temple here, Deputy Director General Ed Buckley, who has been doing such a great job in assisting to get the show on the road. Where is Ed?

NOBLE EDWARD E. BUCKLEY: I merely wanted to thank the balance of the Committee, Bill Horstman, Earl F. Hopkins, Charles Marshall and the hard-working crew of Medinah for arranging this program.

NOBLE JAMES W. HILTON: Thank you very much.

Is the film ready? Lights, Action! Tom Seay, this is your life, Imperial Sir.

(Whereupon, the Ralph Edwards' film "This is your Life" in relation to Noble Tom Seay was presented.)

NOBLE JAMES W. HILTON: At this time, in continuing the program, I would first like to thank Noble William F. Dreier, Director, Medinah Temple Brass Band; Noble William H. Schofield, Director, Medinah Temple Oriental Band and Noble Eric Arnold Alenius, Director, Medinah Temple Chanters for the wonderful job that they did.

(At this point, Imperial Potentate-Elect Thomas F. Seay was escorted to the stage by the Medinah Temple Arab Patrol.)

NOBLE JAMES W. HILTON: At this time, Imperial Sir, would you kindly take the rostrum and introduce your family.

IMPERIAL POTENTATE-ELECT SEAY: Nobles and Ladies, it has always been said that if ever a man accomplished anything in life that there has always been a great woman behind him.

You just saw on the screen my mother, who is 87 years old. Of course, I would have liked to have had her here to present her to you. Unfortunately, I was afraid that something might happen to her. You know, even though she does travel over the country alone, when they do reach that particular age, you kind of worry about them. Maybe they might fall or get hurt. At any rate, she could not be here with me today.

However, I do have with me my very lovely wife, Ruth, who has been of so much help to me in the past thirty-some years. You know, I really did meet her in Walgreen's Drug Store. (Laughter)

I might also say that Chuck Walgreen and I had quite a party here a few months ago. We went to the theater and Chuck said to me, "Well, you've got nothing on me, I also met my wife at Walgreen's Drug Store." (Laughter)

At any rate, I present to you Ruth, my wife and a very wonderful woman. (Applause)

You also saw in the picture our two little ones. I call them our little rascals. As a grandfather, of course, I would like to have had them here but we still have some problems here. They are one- and two-year-olds. You know, we just cannot do everything we want with them. I certainly would have liked to have had them with me here.

At any rate, I would like to introduce to you the mother of these two little ones, Sandy, my daughter. (Applause)

I want to say just one thing about my daughter – that she has never caused me any trouble in her life, not one minute. (Applause)

Also, if I had picked her husband, I could not have done a better job. It gives me pleasure to introduce to you my son-in-law, Chuck Dodge. (Applause)

NOBLE JAMES W. HILTON: Imperial Sir Tom, we tried to assemble at the last moment those movie stars that were in the film you saw. I believe that Jack Dempsey is hiding somewhere in the House. Where are you, Jack? Come up here and take a seat. Well, maybe he has gone back to New York to take care of that restaurant.

Imperial Sir Harold Lloyd, of course, you all recognized him. Where are you Harold? (Applause)

IMPERIAL POTENTATE-ELECT SEAY: That gentleman who represents the banking industry in Chicago is here. I would like to have him come out and have you say Hello to him – Frank Podd.

I would like to tell you that I lived with this man for some eight years as a kid. You do not live with a man for eight years without knowing him. He is one of the greatest. In fact, during the Depression, when I was trying to get into the real estate business, if it hadn't been for Frank giving me that dollar a day, I possibly never would have made it. (Applause)

I have worked with Frank for many, many years and we have been the best of friends. All I want to say to you is that teamwork is great. Thank you, Frank. (Applause)

NOBLE JAMES W. HILTON: Imperial Sir Tom, at this time we would like to present to you the Divan and Past Potentates of Mighty Medinah. As we do, will you kindly refrain from applauding until the total group has been introduced. Further, we will do this in reverse order.

First of all we have our Captain of the Guard, Noble Thomas C. Roberts.

Next after Tom is the hard-working Recorder of Medinah Temple, Carl W. Lutz.

Next we have Past Potentate and Treasurer, Harry O. Kjellberg.

Oriental Guide, William C. Mutter.

Hight Priest and Prophet, Walter M. Dill.

Assistant Rabban, George R. Wilson.

Chief Rabban and movie star (Laughter), William L. Backus.

Illustrious Potentate, G. William Sullivan.

(Applause)

I would now like to also present to you some of our distinguished Past Potentates who have done so much and contributed of their time and efforts in making Mighty Medinah as great as it is.

Our Senior Past Potentate, Claude H. Hayward – 1945.

Next is John B. Morgan – 1947.

A Past President of the International Directors Association and Great Lakes Shrine Association, Sig J. Chakow – 1952.

Our Past Potentate of 1956, Thomas F. Seay. (Applause)

The greatest year we ever had was 1958 because at that time I was Potentate. (Laughter and applause.)

Harry O. Kjellberg was introduced as a member of our Divan. He was our Potentate in 1960.

Harold G. MacDonald – 1961

William Trubeck – 1962.

William M. Weisenborn – 1964.

Another movie star, Yngvar Brynildssen – 1965.

Last but not least, Albin R. Anderson – 1966.

(Applause)

NOBLE JAMES W. HILTON: George, before you step down, isn't there something else you would like to tell us – about the 1968 Convention?

NOBLE GEORGE R. WILSON: Imperial Sir, Imperial Sirs and Representatives, I would like to take this opportunity to invite each and every one in the audience to our great 1968 Imperial Council Session to be held in Chicago.

I would like to particularly address my remarks to the Chief Rabbans in the audience. The Housing Committee is in session on the fifth floor, Room 5101. We would like to invite you to come up there with your problems. Many of the rooms have already been spoken for and so we would urge you to hurry and come up there and discuss the problems you may have with the Housing Committee in Room 5101 on the fifth floor.

Thank you very much. (Applause)

NOBLE JAMES W. HILTON: We now come to the Potentates of Illinois and Chicagoland Temples.

The first is Roy L. Wilimzig, Jr. of Ainad Temple, East St. Louis.

Charles W. Brosch, Jr., Ansar Temple of Springfield.

Grant L. Nelson, Mohammed Temple, Peoria.

Harold J. Pavella, Tebela Temple, Rockford.

(Applause)

NOBLE JAMES W. HILTON: Also, from our Temples to the south of us we have Thomas M. Hodges, Orak Temple, Hammond, Indiana. Also we have present George J. Schreiber, Tripoli Temple, Milwaukee, Wisconsin. You know, it seems as though every time they want a special introduction. (Laughter)

I am also happy to present to you Brother and Noble Myron K. Lingle of Ansar Temple, Springfield, presently Most Worshipful Grand Master of the Grand Lodge, AF&AM of the State of Illinois. (Applause)

Also, from the State of Kentucky we have with us Most Worshipful Brother Davie J. Smith, Most Worshipful Grand Master of the State of Kentucky. (Applause)

Now then, Tom, we have a few presentations to make to you. However, these will be made after you first Fez your appointed Imperial Chaplain, the Reverend Timothy B. Reeves. (Applause)

IMPERIAL POTENTATE-ELECT SEAY: Nobles and Ladies, this is indeed an honor for me, to have the privilege and honor of putting this Fez on one of the greatest men I have ever known.

You know, you can judge a man and Mason when you are in trouble. Well, this man, when my wife was sick, was the first one at her bedside and he stayed there every day until she had gotten over her crisis. I have likewise seen him do the same for the Nobility of our own Temple. Therefore, to me, I am putting this Fez on Tim with honor and because I am proud of him.

Illustrious Sir, you are going to make a wonderful Imperial Chaplain and I am sure that the Imperial Council will be proud of you at the end of our term. Therefore, may I at this time place this Fez upon your head.

(The placing of the Fez upon the head of the Reverend Timothy B. Reeves ensued.) (Applause)

Now, Tim, would you like to say a few words?

REVEREND TIMOTHY B. REEVES: It is an honor, a challenge and a great responsibility in a world that is faced with the challenges before us today to be invited and selected to stand at this place in Shrinedom. With the help, the guidance and the love of God, I will strive to do my best.

Thank you very much. (Applause)

NOBLE G. WILLIAM SULLIVAN: Imperial Sir, with you permission, we will skip you for a moment.

I do have for Ruth, however, a very small token of the esteem in which she is held by the Nobility of Medinah Temple.

(Whereupon, the presentation of a bouquet of roses to Mrs. Seay ensued.) (Applause)

NOBLE G. WILLIAM SULLIVAN: I think that we can, at this time, present to our Imperial Potentate-Elect also a small token.

Tom, this (indicating) gold key will not fit anything right now. (Laughter) However, a short time from now, upon your election, it will fit a new automobile. As you can see, this key has a red and gold crest on it and, for those who are not familiar with this crest, it bears the Cadillac label.

This is a gift from Medinah Temple to you, with our very best wishes and regards for the future.

(Presentation of key and applause ensued.)

IMPERIAL POTENTATE-ELECT SEAY: Well, Bill, Illustrious Sir, there is nothing I can say.

This is just one of Medinah Temple's deeds. Medinah Temple, for the past many years, has been very generous to their officers, to their Nobility and to the charities in the Chicago area regardless of religion, color or creed.

I can only say to you, Illustrious Sir, that I am deeply grateful both to you and all of the Nobility of Medinah Temple. (Applause)

NOBLE JAMES W. HILTON: Imperial Sir, I understand there are more people you should recognize here who are very close to you and also some who are presently working and have worked in your office. I understand that they are around here somewhere.

IMPERIAL POTENTATE-ELECT SEAY: Thank you, Illustrious Sir.

First of all, let me say I don't know what happened to Jack Dempsey but I did want to introduce him because he was in our show. I have known him for many years. Somebody said to me he went to purchase a dress for his wife. At any rate, I understand he has left the building.

You know, it would be humanly impossible to introduce everybody in the City of Chicago who has been so gracious to me and who has done so much for me. This goes for all religions, colors and creeds in that great City of ours. I wish, of course, I could personally thank them all for what they have done.

However, I can say that I have a young lady here who has been with me for some twenty-odd years. She has been of great help as my secretary and now the head of our Public Relations Department. I would like to introduce her because she has done so much work for Shrinedom.

Regardless of the time of day or night, she has always been there to help when she has been needed. Therefore, Jane Long will you stand. (Applause) Thank you, Jane.

Next to Jane is a young fellow with whom I have been with for many years. He used to work with Seay & Thomas but got too prosperous and wanted to buy us out. However, we sold him only a part of the firm. We have been friends for many, many years. He is a traveling companion. He and his wife, as well as Ruth and myself have traveled to Europe together and to a lot of other places. We think they are both great. I am happy to present to you Frank and Elaine Naughton. (Applause)

Next to Frank and Elaine are the Podds. Ruth will you stand up. (Applause)

Now, I wonder where this great fellow is with whom I worked on the school board. I think he is one of Chicago's leading men. In fact, he paid his own way to come down here. Is Dr. Willis in the room? If not, I do wish, at any rate, to present to you Mrs. Willis. (Applause)

Next to Mrs. Willis is my uncle and aunt – Uncle Ben and Aunt May Mason. (Applause)

I might say that Uncle Ben belongs to Al Malaikah Temple in Los Angeles. In fact, he lives in Los Angeles. He had so much money that he could not stand Chicago and so he retired and went to Los Angeles. (Laughter)

Now then, did Jack Dempsey get in? (Laughter) Anyway, perhaps he is still looking for that dress.

Worshipful Grand Masters, I am likewise thankful to both of you Grand Masters and Nobles to take of your time and come here and see me installed. Thank you so much. (Laughter)

Nobles and Ladies and guests, thank you all so much for your attendance. It has been of great pleasure to me. I can only say to you that during the coming year I will endeavor to work with the Nobility and the Crippled Childrens Hospitals, as well as our Burns Institutes in such a way that when I appear before you again next year that I will be able to say to you that an excellent job has been done – at least that I have done my best.

Once again, thank you all very much (Applause)

NOBLE JAMES W. HILTON: Imperial Sir, Al Malaikah Temple has sent two Bills here to make a presentation. At this time, therefore, I will recognize Noble William Scott and Captain William Kellogg of the Al Malaikah Temple Scimitar Patrol. I also believe their Potentate, Arthur Burgan is also present here. (Applause)

(Whereupon, the above-mentioned Nobles approached the rostrum.)

NOBLE ARTHUR BURGAN: Imperial Sir, Tom, it is indeed a tremendous privilege and honor to again take a small part in "This is your Life." Also, on behalf of the

29,000 members of Al Malaikah Temple, we wish to congratulate you and to pledge you our full support in your forthcoming year.

At this time I would like to present Noble Bill Kellogg, our Commandant of Units, to make a presentation to you.

NOBLE WILLIAM KELLOGG: Imperial Sir, it is with a great deal of pleasure and honor that the Scimitar Patrol of Al Malaikah Temple presents you with this Swagger Stick. This has inscribed upon it some Masonic history. We sincerely hope it will add some small part to the success of your year.

(Presentation of Swagger Stick and applause ensued.)

NOBLE JAMES W. HILTON: The next presentation involved Germany. In fact, from Old Heidelberg we have a Representative to present to you, Imperial Sir, of all things, a stein of beer. (Laughter) However, if there isn't any beer in this, Bill Westfall, please take it back. (Laughter)

NOBLE WILLIAM WESTFALL: Mr. Seay, ladies and gentlemen: I have just recently returned from Heidelberg and Frankfort in connection with setting up the plans for the new Ceremonial over there from October 5th to 21st this Fall. As you may know, this is the greatest concentration of American people in all of Europe and, therefore, it is the greatest center of Shrinedom in all of Europe, especially in Heidelberg, where the Ceremonial will be held this Fall.

Mr. Seay, on behalf of the Mayor or Burgomeister as they say over there, of Heidelberg, I would like to present to you this decorated stein in appreciation for bringing your Ceremonial to Heidelberg. The people over there likewise extend their greetings and best wishes on your election to the highest office in all of Shrinedom.

(Presentation of stein and applause ensued.)

NOBLE JAMES W. HILTON: Please remain standing, sir.

I see that Aloha Temple has already made their presentation. We do not have to introduce them but we want to thank the Potentate of Aloha Temple for presenting you with this lei.

Here to represent the Imperial Line and Imperial Function is George M. Saunders, Imperial Recorder.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council Session, distinguished guests and Ladies: I am privileged to momentarily share the stage for the purpose of presenting to the Imperial Potentate the Imperial Potentate's Flag.

This banner, of royal purple and pure gold has for years flown at the head of the ever-growing Army of Nobles of the Mystic Shrine. The Imperial Potentates of the past have always followed this Flag in great honor and dignity. May it reflect joy and happiness to you personally as you lead this mighty phalanx of God's Nobility under your own year of Shrine leadership. I congratulate you most sincerely.

(Whereupon, the presentation of the Imperial Potentate's Flag to Imperial Potentate-Elect Seay ensued.) (Applause)

IMPERIAL POTENTATE-ELECT SEAY: Illustrious Sir George, I hope that I can live up to this Flag as others have. Thank you so much.

NOBLE GEORGE M. SAUNDERS: Also, Imperial Sir, in order to keep wheels under you during the coming year, I am also happy to present this check from the Imperial Council for the purpose of helping cover the cost.

(Presentation of check and applause ensued.)

IMPERIAL POTENTATE-ELECT SEAY: I just want you to know that the fellow carrying this Flag works for Seay & Thomas. Thank you both, George and Earl.

NOBLE JAMES W. HILTON: If you will endorse that check, Imperial Sir, I will hold it for you. (Laughter)

We have one more presentation, following which we are going to ask Tom to introduce the Imperial Divan.

We want all of you leaders, particularly the group from Chicago, to know who is going to work with Tom next year. However, you have a Fez to be worn and so we will call upon the father of your grandchildren to make that presentation. I am

happy to present to you Noble Charles H. Dodge. Will you kindly make your presentation.

NOBLE CHARLES H. DODGE: Imperial Sir, on behalf of Medinah and the Shriners of North America, it is a great pleasure to present to you with the traditional five-star Fez emblematical of the highest office of Shrinedom.

(Presentation of Fez, picture-taking and applause ensued.)

NOBLE JAMES W. HILTON: At this time, Imperial Sir, will you introduce your Imperial Divan?

IMPERIAL POTENTATE-ELECT SEAY: Imperial Sirs, I wonder if you would all stand, step about three steps forward and let the audience see what a fine Imperial Divan we have.

Nobles and Ladies, you are looking at one of the finest Imperial Divans, I can say, in North America. However, that would not be the proper thing because, after all, there is only one.

You are looking at a group of fine men — you are looking at a group of men who are going to make outstanding Imperial Potentates of the Shrine of North America. I am proud of each one of them and I am also proud to be on their team.

You know, I have tried to analyze this job of Imperial Potentate for the last ten years and I have just about come to the conclusion that you do just about what the Imperial Board tells you to do. Therefore, I am working for them — they are not really working for me.

At any rate, you are looking at a great bunch of men. At this time I would like to take the opportunity of presenting them. I believe we have a bit of time left.

First of all, our Imperial Potentate, Orville F. Rush. Let me say that it is going to be a tough job for me to follow him. That is really the only bad thing I can say about him. He has done a wonderful job as your Imperial Potentate for this year and so let's give him a hand.

(Rising applause ensued.)

Next to him is my good friend of many, many years standing. We have traveled together and been very close for the past ten years — Chester A. Hogan of Afifi Temple. (Applause) In fact, in just a few hours, he should be your Deputy Imperial Potentate.

Next to him is our good neighbor that all of you have known for many years, great Mayor, a great Noble, a very popular Noble with the ladies and also very popular with the men — J. Worth Baker of Murat Temple. (Applause)

Then comes that big, tall slender fellow whom is known and loved by every Shriner in North America, Aubrey G. Graham of Khedive Temple. He is certainly going to be of great help to me this year. (Applause)

Next to him, from Al Malaikah Temple is Chick MacGregor. (Applause)

Next to Chick is a Noble who doesn't need a hand. In fact, he is our Treasurer and also a Past Imperial Potentate — Tom W. Melham. (Applause)

Next to him is a Noble from what used to be the laregst state in the United States — a great Noble, a hard worker and who is going to make a great Imperial Potentate some day — Vic Thornton. (Applause)

You know, we just cannot get rid of these Hoosiers. We have another one coming up. I am sure he needs no introduction to you because anywhere I go in North America, who do I see? Well, I see that great Noble, Henry B. Struby. (Applause)

Then next there comes the man who has been running this organization, your Imperial Marshall for this year. He has had a tough job and I really feel sorry for him.

However, we all have gone through it.

I am happy to present to you Jake Wingerter. (Applause)

Then we come to a fellow from Canada whom you all know. Jack Streight is going to make a wonderful Imperial Potentate. (Applause)

Then, from the Middle West, from that great packing town, Kansas City, we have Woody Bennett. (Applause)

Let's give them all a hand. (Applause)

Thank you, Nobles and Imperial Sirs.

NOBLE JAMES W. HILTON: Thank you, Imperial Sir Tom and Imperial Divan.

Now, it is only fitting that the Medinah Chanters, who closed the film presentation, likewise close this session. However, before I ask them to do that, Imperial Sir, is there anything else you have to say? We are now ready to adjourn.

IMPERIAL POTENTATE-ELECT SEAY: There is one more thing and that is that I missed thanking you, John, for a wonderful job well done and also the Nobles from Medinah Temple. Thank you all so very, very much.

NOBLE JAMES W. HILTON: Imperial Sir Tom, you can thank me better than that – just endorse that check. (Laughter)

Medinah's golden-voiced Chanters will now close this session.

(Whereupon, the Medinah golden-voiced Chanters rendered a closing vocal selection.)

NOBLE JAMES W. HILTON: Thank you, Medinah Chanters.

Nobles and ladies, I am going to call upon a former Chanter, our Director-General for 1968, Yngvar Brynildssen, to sound the gavel and close this session until next year.

NOBLE YNGVAR BRYNILDSSEN: Thank you, Jim Hilton, for a wonderful job as Master of Ceremonies.

Thank you, Illustrious Past Potentates of Medinah Temple, for your contributions and also I wish to thank the Divan and all of the Units. We thank all of you from the bottom of our hearts.

The meeting now stands adjourned.

(Following a short recess, the auditorium was tiled for the continuation of business at 11:30 A. M.)

IMPERIAL POTENTATE RUSH: Will all those who are not Imperial Representatives please move to the back. Only the Imperial Representatives are supposed to be in the front rows and those who are not Representatives are not supposed to sit among the Representatives.

I understand from the Imperial Outer Guard that the doors are now tiled and we will go back into session and continue the election.

Nominations are now in order for Deputy Imperial Potentate.

I understand we have a nomination to be made by the Potentate of Afifi Temple, George Salzer.

NOBLE GEORGE SALZER: Imperial Sir, Imperial Officers, Past and Present, and fellow Representatives: A few years ago national Shrinedom was asked to look to the West for future leadership. Shrinedom did look to the West. They found what they liked and liked what they found, a man of stature, a man of integrity, a man of ability and a man of dedication.

It is indeed a privilege and honor for me to place in nomination for the position of Deputy Imperial Potentate, the name of Chester A. Hogan, Present Imperial Chief Rabban. (Applause)

IMPERIAL POTENTATE RUSH: Are there further nominations?

IMPERIAL POTENTATE RUSH: Worth, don't be bashful, come up here. I know that you are a quite reticent unassuming sort of chap but, on the other hand, do you accept?

NOBLE J. WORTH BAKER: Imperial Sir, Imperial Representatives and Nobles: With a humble and grateful heart, I do accept and I thank you so much for your continued support. (Applause)

IMPERIAL POTENTATE RUSH: Congratulations, Worth.

NOBLE GEORGE J. SCHREIBER: Illustrious Sir, Illustrious Sirs, Representatives and Nobles all: We of Tripoli Temple in Milwaukee, Wisconsin, are privileged and happy to place in nomination one of our Nobles. He is a man whose record speaks for itself.

He has had, as you know, a long formal education. In addition to that, he has had a business career which is unmatched and a Masonic history that is a matter of record in the Proceedings as he served this Imperial Council as Imperial Potentate back in 1957-1958.

He has likewise vindicated the trust you reposed in him when you elected him as your Imperial Treasurer at San Francisco a year ago.

Therefore, we are mighty happy to place in nomination a man from Tripoli Temple who is a rare individual; a man who has not only poise and dignity, but also has the humility of a Master Mason.

It is my honor and privilege, in behalf of Tripoli Temple, to place in nomination the name of Thomas W. Melham as your Imperial Treasurer for the ensuing year. (Applause)

IMPERIAL POTENTATE RUSH: Are there further nominations?

NOBLE GEORGE J. SCHREIBER: Hearing no further nominations, Imperial Sir, I move that the nominations be closed, the rules be suspended and that our Imperial Representative, Louis J. NOBLE FORD Q. ELVIDGE: Imperial Sir, Imperial Sirs and fellow Representatives: Last year in San Francisco it was my privilege and my honor to nominate Noble Jacob A. IMPERIAL POTENTATE RUSH: Thank you very much, sir.

W. "Woody" Bennett, Past Potentate of Ararat Temple of Kansas City.

NOBLE EVERETT H. TRUNK: Hearing none, I move you, Sir, that the nominations be closed, the rules suspended and that our Imperial Recorder, George M. Saunders, cast the unanimous ballot of this Imperial Council Session for W. W. Bennett for Imperial Captain of the Guard for the ensuing year.

IMPERIAL POTENTATE RUSH: Congratulations, Woody.

I declare Imperial Sir W. W. Bennett duly elected as Imperial Captain of the Guard.

Nominations are now in order for Imperial Outer Guard.

We have three announced candidates and I am going to have them draw from a Fez to determine which position they will be nominated in.

I would ask the following Nobles to approach the platform at this time:

Peter Val Preda, Cairo Temple.

Albert H. Jacobs, Kaaba Temple.

Harvey W. Smith, Sudan Temple.

(Whereupon, the above-mentioned Nobles assembled on the platform.)

IMPERIAL POTENTATE RUSH: Are there any other candidates for Imperial Outer Guard?

(Whereupon, the three candidates drew from a Fez to determine the positions in which they would be nominated.)

IMPERIAL POTENTATE RUSH: Nobles, these candidates are to be nominated in the order in which they stand here. (Laughter)

Peter Val Preda of Cairo Temple will be in the number one position; Harvey Smith of Sudan Temple will be in the number two position and Albert H. Jacobs of Kaaba Temple will be in the number three position. These are your candidates. (Applause)

Nominations are now in order for Imperial Outer Guard and I recognize Potentate Samuel Bord of Oriental Temple.

NOBLE SAMUEL S. BORD: Imperial Sir, Imperial Sirs, fellow Representatives: It is an honor to nominate a man for a seat on our Imperial Divan. It is a special sort of satisfaction to nominate a man of the industry, accomplishment and character of this man, Peter Val Preda.

He is successful in business, respected in his community, honored by his Nation and loved by his friends.

Peter Val Preda epitomizes the exceptional man, the strong and the true leader; the symbol of dignity and integrity.

We thank God we have always had in the high offices of this great Fraternity men like him.

Peter comes from the Northeast Shrine Association which has no representation on the Imperial Divan.

He belongs to both the Scottish and York Rites. He is a member of the Royal Order of Jesters.

He served his Temple outstandingly as Potentate in 1964 and this is his fourth year as a Representative to the Imperial Council.

When I said he was successful in business, I may well have understated that fact. He is the President of four thriving corporations, the Vice President of another. He is likewise a bank director and has been Treasurer and President of the National Automobile Association, one of the largest trade associations in the country. He is still very active with that group.

He is Chairman of the Vermont State Small Business Administration, Chairman of the Vermont State Aeronautics Board and I am sure most of you have received his brochure and you know of his accomplishments.

Suffice it to say, not only has one man done all these things but one man who is only forty-nine years old. A man with such energy, such drive, such ability is a rare man indeed.

I would not hesitate to hand this man a greater share of responsibility for the destiny of this great organization. He was a strong runner-up candidate last year for this office and, stealing a quip from some of our country-wide car rental agencies — he has tried harder this year.

His dedication is apparent in his evidence of service to his country. He spent four years in the Navy, five years in the Air Force and was awarded the Air Medal with two clusters, as well as the Purple Heart. He also spent two years as a Prisoner of War in Germany.

He was born in West Virginia, was educated in Vermont and Missouri. He combines the characteristics of all three states.

He has the independent pioneering spirit of the mountaineer, the frugal business sense of the New England Yankee and the healthy "show me" practicality of the Missouri mule.

Last but not least, in his sense of values (and in ours), Peter is a devoted family man, having a charming wife, a grown son and daughter and also is a servant of God in St. Mark's Episcopal Church.

Some years ago, Oriental Temple had the pleasure of assisting Cairo Temple to become the eightieth Temple in our Order. Now, as Potentate of Oriental Temple, I have the privilege of nominating a son of that great Temple to serve us all as Imperial Outer Guard.

Gentlemen, I give you a man in whom I have the greatest faith and for whom I have the greatest admiration – a man deserving of the honor and more than equal to the responsibility of this high office in our beloved Order; a man who will serve us all to the best of his most considerable ability in the office of Imperial Outer Guard.

I am most proud to place in nomination the name of Peter Val Preda for the office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE RUSH: Peter Val Preda has been nominated for Imperial Outer Guard.

The nominations continue and I now call upon Potentate Leonard D. Alley of Al Kader Temple.

NOBLE LEONARD D. ALLEY: Imperial Sir, Imperial Sirs, Representatives to this Imperial Council: I do have a great deal of pride in presenting Harvey W. Smith as a candidate for the position of Outer Guard of our Imperial Divan.

Much has been said of all of the candidates with regard to their election and accomplishments. I would like to say, however, that all of these accolades are likewise attributable to Harvey W. Smith.

You have all read his literature. The biographical information has come to you and I know that as conscientious Representatives you have read it all and, therefore, I will not attempt in any instance to paraphrase these things but to speak about some things that we all do not know about Nobe Smith.

We realize, of course, that he is a Past Potentate of his Temple and has given great service there. On the other hand, it is only slightly known that he served as Grand Master of Masons of the great Sovereign State of North Carolina. He is not an old man, he has not reached the age of sixty years and that is something that many of us cannot say.

He has likewise had great success in the business that he has pursued. This has likewise been indicated in the printed material that has come to you. However, it has not been emphasized that right here in this City he earned distinction by receiving letters in the liberal arts and sciences and to that end he prepared himself for his chosen profession.

His labors in Masonry are attributable to a very outstanding accomplishment while he was Grand Master. Let me speak just a moment about two things which have not been touched upon in these nominations and this is performance of duty and the realization of the fruits and efforts of that duty.

When Harvey Smith was Grand Master of Masons in his State, a net gain in craft symbolic Masonry of three thousand members was attained.

There are numerous other things I could mention about the accomplishments of Harvey Smith. However, in closing, I would merely like to say that when you think about the advancement of our Order in future years that you consider the casting of your ballot for Harvey W. Smith.

I thank each of you. (Applause)

IMPERIAL POTENTATE RUSH: Harvey W. Smith has been nominated for Imperial Outer Guard.

Nominations continue and I now call upon Past Potentate Paul B. McCray of Kaaba Temple, for further nominations.

NOBLE PAUL B. MCCRAY: Imperial Sir, Imperial Sirs and my fellow Representatives: It is refreshing to introduce to you a candidate for Imperial Outer Guard, a man who is not only young at the age of forty-eight but young in ideas and mature in judgment.

Albert H. Jacobs has served our great Fraternity well and is now active as a Past Potentate of Kaaba Temple. In addition to being a Past Potentate, he is also an active member of the Commandery, a Past Director of the R.O.J. and a member of the Board of Directors of our Temple Association.

He is a successful businessman and the owner and operator of two corporations; namely, a retail hardware business and a distributor of welding supplies.

Albert H. Jacobs has served his City well. He has served on the Chamber of Commerce, the Zoning and Planning Board, the Finance Committee; has likewise been a bank director and a leader in his Church and has held other positions far too numerous to mention.

I believe that in our great Fraternity we have many Nobles with the finest qualifications and capabilities who would make excellent Imperial Potentates. I realize that in the selection of an Imperial Outer Guard, which ultimately leads to the distinguished office of Imperial Potentate, that a man should be selected for his capabilities rather than where he lives. However, I would appreciate your giving some consideration to the fact that Kaaba Temple was established in 1878 and it is now in its eighty-ninth year. Further, it is the oldest Temple west of the Mississippi and the tenth oldest Temple in all of Shrinedom and has never, in all of its eighty-nine years, been honored by having an Imperial officer.

Al is also a good family man. His lovely wife, Jeanette, is a great asset to him. His son, Steve, is a member of our Fraternity and Tom is in college.

I am honored to nominate Noble Albert H. Jacobs for the office of Imperial Outer Guard. Thank you. (Applause)

IMPERIAL POTENTATE RUSH: Albert Jacobs has been nominated for Imperial Outer Guard.

Are there further nominations?

NOBLE W. R. MEYERS: Imperial Sir, I am W. R. Meyers, Potentate, Hella Temple and a duly elected Representative to this Imperial Council. At this time I desire to make a nomination for Imperial Outer Guard.

IMPERIAL POTENTATE RUSH: Potentate Bill Meyers of Hella Temple has a nomination to be made.

NOBLE W. R. MEYERS: Imperial Sir Orville Rush, Imperial Sirs, Illustrious Representatives and Nobles: I am W. R. Meyers, Potentate of Hella Temple in Dallas, Texas.

Nobles, it is with a great deal of pleasure and honor that I appear before you and offer to you a man for consideration for the office of Imperial Outer Guard; a man who is a great Mason and a great Shriner.

He is a Past Grand Master of the Grand Lodge of Texas; a Past Potentate of Hella Temple and also a Representative of the Sovereign Inspector General of Texas – a thirty-third degree Scottish Rite Mason, Chairman of the Executive Committee in the Valley of Dallas and has brought our Scottish Rite, during the past twelve years, from a membership of between eleven and twelve thousand members to a membership of approximately thirty thousand.

He is a member of all York Rite bodies and a member of the Royal Order of Jesters.

He has served on several Imperial Council Committees and you will recognize his work in the excellent report delivered before this assembly yesterday with regard to Masonic relations.

Last year he was elected top Texan for 1966.

He is Chairman of Public School Week in Texas, Chairman of the Governor's

Committee on Public Taxation; is Southwest Regional Manager of Civil Affairs and Public Relations for the Ford Motor Company. He has been instrumental and a great influence in bringing about the membership of Hella Temple to something in excess of thirteen thousand members.

For these reasons and many more which time does not permit to enumerate, I feel that this man has a lot of experience and knowledge which could be put to use by the Imperial Council and, therefore, it is with a great deal of pleasure and pride that I submit to you the name of John McKee, a Past Potentate of Hella Temple, for the office of Imperial Outer Guard.

Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: John McKee has been nominated for Imperial Outer Guard. I recognize John McKee.

NOBLE JOHN MCKEE: Illustrious Sir, Illustrious Sirs and members of this Imperial Council: I have always considered it an honor to work in the quarries of Masonry in any capacity and I consider it a great honor that the Potentate saw fit to place my name in nomination for Outer Guard. We have so much to do in the Shrine and I would much rather work in the quarries of the Shrine in order to become better acquainted.

Therefore, I kindly ask the Potentate of Hella Temple to withdraw my name as Outer Guard. (Applause)

IMPERIAL POTENTATE RUSH: I again recognize the Potentate of Hella Temple, W. R. Meyers.

NOBLE W. R. MYERS: Imperial Sir Orville F. Rush and Illustrious Past Potentate of Hella Temple, John McKee, if it is your desire, I will withdraw your name from nomination for the position of Imperial Outer Guard. I would like to do that at this time. Thank you. (Applause)

IMPERIAL POTENTATE RUSH: The name of Past Potentate John McKee of Hella Temple has been withdrawn as a candidate for Imperial Outer Guard.

Are there further nominations for Imperial Outer Guard? I hear none.

NOBLE LOUIS CHACKES: Imperial Sir, I move that nominations be closed.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: It has been moved and seconded that nominations be closed. All in favor indicate by saying "Aye;" opposed "No." The motion is carried and nominations are closed.

The candidates are Peter Val Preda of Cairo Temple; Albert H. Jacobs of Kaaba Temple and Harvey W. Smith of Sudan Temple.

Now, the official ballot you will use to vote for these candidates is Yellow Ballot Number 1, the first one in the book.

I will now call upon Clyde Oliver, Chairman of the Election Tellers, Judges and Clerks Committee, to give you instructions as to balloting and I want you to sit for a moment so, after he gets through, I can give you further information.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives, as I suggested yesterday afternoon at the close of the meeting, the procedure we would like to follow in connection with this balloting is that I would ask that each of the Representatives remain seated until at least the ballot box has passed by. There will be no voting done in the aisles, to the rear or front of the room except, of course, on the stage. However, to the rear of the room or beyond the Representative Section, no ballots will be taken or accepted by the Tellers.

The Imperial Potentate has announced that Ballot Number 1 will be used. Any other ballots in the ballot boxes will be considered as destroyed or incorrect ballots and will not be counted.

If the Tellers will assume their positions, we will proceed with the voting.

IMPERIAL POTENTATE RUSH: Nobles, you have heard the instructions. After you ballot we will recess for luncheon which will be held on both sides of this room, as I understand it. We will then come back into session at two o'clock. I would in the sponsorship by Al Bedoo Temple until 1965. Your Committee therefore concludes of operators now.' "

like to warn you in advance that it will be necessary for us to leave here no later than four o'clock in order that they may set up this room for our Banquet tonight.

(Whereupon, balloting on the candidates ensued.)

IMPERIAL POTENTATE RUSH: Now, is there anyone who has not balloted? I now hereby declare the ballot box closed for the office of Imperial Outer Guard.

We are now in recess until 2:00 P.M. I would urge all of you to return promptly.

(The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at 12:30 P.M. to reconvene at 2:00 P.M., Wednesday, July 12, 1967, in the International Ballroom, Washington Hilton Hotel, Washington, D. C.)

AFTERNOON SESSION
WEDNESDAY, JULY 12, 1967
TWO O'CLOCK P.M.

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Wednesday, July 12, 1967 at 2:00 P.M., Imperial Potentate Orville F. Rush presiding.

IMPERIAL POTENTATE RUSH: The meeting will now come to order. Those who are not Representatives and are now sitting with the Representatives, please move to the back of the room.

Let me first say to you that I had occasion to talk with the Office of the Vice President of the United States, who called me. They wanted to clear a couple of things and they told me that the Vice President would be with us at our Banquet this evening. (Applause)

I will now call on Chairman Clyde Oliver of the Committee on Election Tellers Judges and Clerks.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives, it is with pleasure I give you the results of the first ballot for the office of Imperial Outer Guard. There were a possible 752 votes. 723 actually voted. There were no spoiled ballots. Necessary for choice were 362. The votes were distributed as follows: Albert Jacobs, 14; Harvey Smith, 220; Peter Val Preda, 489.

(Cheers and applause.)

IMPERIAL POTENTATE RUSH: The Chair recognizes Past Potentate Albert H. Jacobs.

NOBLE ALBERT H. JACOBS: Imperial Sir, Imperial Sirs, fellow Representatives and Nobles all: I first wish to congratulate Noble Peter Val Preda on his election to the office for which he has esteemed and for which he has worked so hard. I also offer my sincere thanks for the support that you have given to me and to Pete himself.

I would now move, Imperial Sir, and trust that Illustrious Sir Harvey W. Smith would second my motion, that the Potentate of Cairo Temple be afforded the opportunity of casting a unanimous ballot for my friend Peter Val Preda.

IMPERIAL POTENTATE RUSH: The Chair recognizes Past Potentate Harvey Smith of Sudan Temple.

NOBLE HARVEY W. SMITH: Imperial Sirs, Imperial Representatives, I second the motion made by Al Jacobs, to cast a unanimous vote for Peter Val Preda. At the same time, I would like to thank all of my supporters for their support. I am glad that Peter won. Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion which was made by Past Potentate Jacobs and seconded by Past Potentate Smith. All in favor say "Aye;" all opposed "No." It is unanimously carried.

I declare Peter Val Preda of Cairo Temple duly elected as the Imperial Outer Guard and will ask him now to come to the rostrum.

(Noble Peter Val Preda approached the rostrum.)

(Applause)

IMPERIAL POTENTATE RUSH: Peter, I heartily congratulate you and now I ask you if you accept? (Laughter)

NOBLE PETER VAL PREDA: Imperial Sir, Imperial Sirs – I have lost my voice, for which I apologize. This has happened within the last two or three days. Someone said that it was a good thing, that this way I cannot say something I should not have said. Therefore, perhaps the cards were in my favor and the Good Lord was looking out for me.

However, I do accept, Imperial Sir Orville, from the bottom of a humble and grateful heart. I want to thank each and every one of you. I also wish to thank my competitors for their kindness and their courtesies that they have extended to me throughout the past two years. I promise you that I will work as hard for you in the future as I have worked to win this election.

Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: Congratulations, Peter. I will ask that you take your seat with the other Imperial Officers up here on the stage.

(Noble Val Preda seated himself on the stage.)

IMPERIAL POTENTATE RUSH: Well, Nobles, that is Shrinedom in action again and that is, of course, as it should be.

(Election of Trustees, Directors and Officers for Colorado Corporation ensued. See Colorado Proceedings.)

IMPERIAL POTENTATE RUSH: I would now call upon Noble Herman L. Engelhardt of Aahmes Temple for his report on the Past Potentates Liaison Committee.

REPORT OF PAST POTENTATES LIAISON COMMITTEE

NOBLE HERMAN L. ENGELHARDT: Imperial Potentate, Imperial Sirs and Representatives all: Your Past Potentates Liaison Committee met on Sunday for two hours and after much deliberation we decided to make a Committee report instead of a resolution.

Those present were all the members that were appointed by our Imperial Potentate, Orville Rush.

Chairman Struby asked each for a suggestion of how the Past Potentates could be of some help to the respective Temples. The discussion involved membership, wills and bequests and other matters pertaining to the best interests of the Shrine, primarily wills and bequests.

Chairman Struby had another meeting and had to be excused and I was elected to take over.

After much discussion, it was the Committee's thought that we would assist all of the Illustrious Potentates. We did not want to take over any of their prerequisites of authority.

I know that you Past Potentates have a lot of enthusiasm and that you can help our Potentates and Imperial Council members as well as the Imperial Divan. The Potentates of each Temple can secure information from the Imperial Recorder's Office.

It was also stated that Past Potentates of their respective Temples would be willing to assist if they were asked and would serve on any committee or do anything in the best interests of the Temple or the Shrine.

Imperial Sir, this is just a Committee report because at this time we feel it would be improper to make any resolutions because we do have several other projects in mind. Therefore, we hope that Tom Seay will continue to have this committee because there are several things that we would like to propose next year.

Thank you very much.

Imperial Sir, I move that this Report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: It has been moved and seconded that the Report be received. Is there any discussion? All in favor indicate by saying "Aye;" opposed "No." The motion is unanimously carried and it is so ordered.

Now, under our regulations, the Grievances and Appeals Committee is to report today and, therefore, I call upon Chairman Earl Sachse of Zor Temple.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs and fellow Representatives: I submit the following Report of the Grievances and Appeals Committee, which is in two parts. (Reading)

To The Representatives Of The Ninety-Third Imperial Council Session, A.A.O.N.M.S.:

Your Grievances and Appeals Committee has held a formal meeting at which it considered the matters referred to it. Sections 208.6 (e) and 208.9 require the Grievances and Appeals Committee to consider and report to the Imperial Council on all matters of controversy and grievances and appeals presented to the Imperial Council and referred to the committee.

Pursuant to these By-Laws the committee considered the matter of the suspension of Ronald Cushing, a member of Melha Temple, for conduct unbecoming a Noble of the Mystic Shrine. Charges were preferred against Cushing in Melha Temple and in conformity with Article 30 of the By-Laws a Grievance Committee was appointed. That committee unanimously found probable cause for believing an offense had been committed. Accordingly, a trial was conducted pursuant to Section 330.2 of the By-Laws. The Trial Committee unanimously found that Cushing was guilty of conduct unbecoming a Noble of the Mystic Shrine and particularly a violation of Section 335.3 of the By-Laws. Subsequently Cushing filed a notice of appeal. This notice and the transcript of the proceedings did not reach your Grievances and Appeals Committee within the time limits prescribed in the By-Laws. Your Committee, at the request of the accused and Melha Temple, waived the requirements in this respect. The committee heard counsel for the Temple and the accused, examined the transcript of the proceedings in the Temple and all exhibits produced at the trial. After due deliberation your Committtee unanimously affirmed the action of Melha Temple in suspending Cushing for an indefinite period.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS

Earl Sachse, *Chairman*

John B. Vesey
Henry P. Bronkie
Gerald D. Crary
Robert E. Cooper
Lawrence Dumas, Jr.
Robert A. Phelps

Imperial Sir, I move the adoption of this Report.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is carried.

NOBLE EARL SACHSE: Imperial Sir and Representatives: Your Grievances and Appeals Committee further considered another matter referred to it (Reading).

To The Repesentatives Of The Ninety-Third Imperial Council Session, A.A.O.N.M.S.:

Your Grievances and Appeals Committee has held a formal meeting at which it considered the matters referred to it. At the 92nd Annual Imperial Council Session in San Francisco, California, in July, 1966, the Committee on Jurisprudence and Laws recommended that the controversy between Al Bedoo Temple and Algeria Temple concerning jurisdiction over the Shrine Club of Livingston, Montana, be referred to the Committee on Grievances and Appeals for its consideration and report at the next Imperial Session, and that meanwhile the status quo be maintained by the retention of jurisdiction over the Shrine Club by Al Bedoo Temple until the action of the Imperial Council. This recommendation was adopted. Accordingly your Committee considered this matter at length and heard representatives of both Temples. Your

Committee also examined the voluminous record, including materials filed by both Temples, which show that:

(1) In 1917 Algeria Temple granted authority to Shriners residing in Livingston to form a Shrine Club in that vicinity.

(2) Although there is no testimony or evidence in the record, it is presumed that in the early years following its formation there was some activity in this club.

(3) There is no evidence in the record and no recollection by any Shriners in the area of any activity in this club from 1925 to 1949.

(4) The record shows that on April 13, 1949, a meeting of Shriners not sponsored by any Temple was held in Livingston for the purpose of organizing a Shrine Club. The records show that members from all 3 Montana Temples were present. This meeting was adjourned for 2 weeks for the purpose of drafting by-laws.

(5) On April 27, 1949, the Livingston Shriners met again at a meeting not sponsored by any Temple. At this meeting they adopted by-laws for the government of a Livingston Shrine Club. The minutes further show that the by-laws would be submitted to the three Montana Temples for approval.

(6) On June 20, 1949, Algeria Temple held a meeting and the minutes of that session reveal that the by-laws of the proposed Shrine Club at Livingston were approved and transmitted to the Potentate of the Temple.

(7) There is no evidence in the record indicating that any one of the 3 Montana Temples exercised active sponsorship during the early years following the formation of the club in 1949.

(8) For the years 1957 and 1958 the Livingston Shrine Club filed official reports indicating Al Bedoo Temple as the sponsoring Temple — it being the nearest and most accessible Temple by the customary means of travel.

(9) In 1958 Al Bedoo Temple granted a Charter to the Livingston Shrine Club.

(10) The minutes of the Livingston Shrine Club for its meeting on January 16, 1959, specifically referred to the Al Bedoo Charter.

(11) The record reveals that since the granting of the charter the Livingston Shrine Club has continued to file the customary annual reports indicating Al Bedoo Temple as the sponsoring Temple without any protest from Algeria Temple until the year 1965 when both Temples claimed jurisdiction over the club.

After deliberation the committee finds that the present Livingston Shrine Club was organized in 1949 and that no single Montana Temple assumed the responsibility of sponsorship, and we further find that beginning in 1957 both the Livingston Shrine Club and Al Bedoo Temple clearly indicated that the club was under the sponsorship of that Temple and that a Charter in fact was issued by Al Bedoo Temple in 1958 and acknowledged by the Livingston Shrine Club in 1959. Your committee further finds that the other Temples in Montana were aware of this relationship and acquiesced in the sponsorship by Al Bedoo Temple until 1965. Your Committee therefore concludes that under the peculiar circumstances in this case that the Livingston Shrine Club is under the jurisdiction of Al Bedoo Temple.

Respectfully submitted,

Imperial Sir, I again move the adoption of this Report.

IMPERIAL POTENTATE RUSH: Is there a second to that motion?

(The motion was again severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded, to adopt the report as just given. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is carried.

Does that conclude your Report, Noble Sachse?

NOBLE EARL SACHSE: Yes.

IMPERIAL POTENTATE RUSH: Thank you very much.

I appointed a Special Committee on Tours and Cruises, which included several Imperial Officers and had Robert J. Turley of Oleika Temple as Chairman. I would at this time like to call on Chairman Robert Turley to give the report of the Committee.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs, Representatives to this Imperial Council: (Reading).

To the Imperial Council, A.A.O.N.M.S.:

Problems with respect to Temple tours and cruises occupied the attention of the Imperial Divan at its recent meeting in Houston. What was once the practice of only a few large Temples has rapidly developed into an increasingly popular area of activity of many Temples – incuding some of the smallest ones. With the growth of the tour industry as a whole, has come active and even at times high pressure solicitation by tour operators of Shrine sponsored air tours to Hawaii, Europe, the Near East and the Orient. Concern was expressed by the Imperial Potentate and several of the Imperial Officers as to the financial responsibility of the tour operators and air carriers involved, the possible liability of the Temples and of the Imperial Council should there be loss of lives or money, and the standards of service provided to Nobles and their families on Shrine-sponsored tours. Out of this concern came the appointment by the Imperial Potentate of this special committee to investigate Shrine tours and cruises.

The committee met first at Chicago, then at Cincinnati and later at Washington prior to this Session. It has made an investigation, and it has had in this respect, the valued cooperation of the Civil Aeronautics Board and the General Counsel, for which the committee is grateful. It offers this report for the information of all Temples and Temple officers planning or contemplating sponsorship of a Shrine tour. Inasmuch as almost all of the tours now being conducted are by air and in the interest of time, this report will be confined to air tours.

There are three basic types of charter flights, and the differences among them are important because of different CAB regulations concerning each type.

First, a "single entity" or "own use" charter is one made by a person or organization which itself pays the fare and for which the persons transported are not charged. If, for example, a Temple charters a plane to carry its Units to this Session and if the Unit members themselves bear no part of the cost, this is an "own use" charter.

Second, a "prorata" or "group affinity" charter is one made for persons who are members of the sponsoring organization and who themselves pay all or part of the cost of the trip. Only members of the sponsoring organization and their immediate families are eligible for "prorata" charters.

Third, an "inclusive tour" charter is one organized by a tour operator. It combines air transportation and land services such as hotel accommodations and surface transportation. It is limited to the use of supplemental air carriers.

The so-called "tour operator" is a firm authorized by the CAB to engage in the formation of groups for "inclusive tour" charters. Except as to "inclusive tour" charters, the character and financial responsibility of a tour agency are of no concern to the CAB. It may, under differing circumstances, be the agent of the airline or of the sponsoring organization or of both. As to an "inclusive tour" charter only is it the principal. Industry custom and usage permit it to disclaim any responsibility or liability for loss, damage, or injury from any cause; but CAB policy is to reject such disclaimers as to "inclusive tour" charters, the prior approval of which must be obtained from the CAB. It might be of interest to note that, as of May 10, 1967, the CAB had approved 137 "inclusive tour" charter flights for five tour operators and had disapproved applications filed by six other tour operators.

Three classifications of air carriers perform charter service such as that with which we are here concerned. First, several foreign air carriers hold permits authorizing charter operations only with large aircraft, and according to the last Annual CAB Report to Congress, "There is increasing interest on the part of foreign charter carriers to secure operating rights to the United States." Second, both United States flag carriers and foreign flag carriers operating on regularly scheduled routes may engage in charter operations under certain circumstances and with limitations. Third, supplemental air carriers carry much of the charter traffic, including all of the "inclusive tour" charters. Our Temples most often deal with the supplemental air carriers.

Your Committee was pleased to find that in recent years the CAB has weeded out of the supplemental air carrier branch of the industry those so-called "non-scheds" which operated on a shoestring and flew airplanes held together with chewing gum and baling wire. There are now thirteen authorized supplemental air carriers. As to this branch of the industry the 1966 CAB Report to Congress said:

"At the end of the year the supplemental air carrier industry was in a stronger financial condition than at any other time. As of June 30, 1966, the supplemental carriers had total assets of $169 million and a combined net worth of $53 million. These figures compare with $107 million and $28 million, respectively, as of June 30, 1965. The total operating revenue of supplementals in fiscal 1966 was $169 million, and their operating profit for that period was $28 million. Comparable figures for fiscal 1965 were $117 million and $20 million, respectively.

"The supplementals continue to up-date their equipment, with 21 turbine powered aircraft now in their fleet of 219 aircraft, and orders placed for 'stretched' model jets."

The June 30, 1967 issue of Time Magazine had this to say in an article dealing with supplemental air carriers:

"When a chartered Imperial Airlines Constellation plunged into a swamp outside Richmond, Va., in 1961, killing 74 army recruits, the struggling non-scheduled airline industry seemed to crash with it. Irked by poor safety records, corner-cutting operations and complaints from tourists stranded when companies ran out of money – and armed with a tough new law from Congress – the Civil Aeronautics Board cleaned house. Some 20 carriers went out of business, and the survivors were forced to adhere to rigorous standards.

"Today, self-rechristened as 'supplemental' airlines, the 13-company industry has bounced back to become the fastest-growing segment of U.S. aviation. Last year its revenues jumped 49% to a record $213 million, and profits climbed to $22 million-more than the nation's eleven domestic trunk airlines netted in 1963. 'All the nuts and kooks have been weeded out,' says President Roy E. Foulke of the National Air Carrier Association, spokesman for the supplementals. 'We've got a hard-core group of operators now.'"

"With a current fleet of 25 jet planes, five turbo-props and 160 older piston models, the supplementals are shedding their seat-of-the-pants image."

Our latest information is that the supplemental carriers have on order a total of 28 new jet aircraft.

We were also pleased to learn that the accident rate for the supplemental air carriers, once high, is more recently down to zero. Since 1961, there have been no civilian passenger fatalities on supplemental air carriers. The same Federal Aviation Administration safety regulations applying to charter flights of the scheduled airlines apply also to the supplemental air carriers.

The CAB has adopted rather strict regulations concerning charter traffic. These regulations have the force and effect of federal law, and they apply not only to the carriers themselves, but to all persons concerned with charter flights including the tour operator of "inclusive tour" charters, the sponsoring organization of "prorata" charters, the passengers, and all other individuals and organizations directly concerned. Violation of CAB regulations concerning chartered tours may lead to either civil or criminal penalties or both. Your Committee emphatically recommends that all Temple Officers planning or contemplating Shrine tours make themselves familiar with all applicable CAB regulations.

The flag carriers have their own organization known as the International Air Transport Association, which by agreement among them regulates their charter traffic.

IATA regulations do not have the force of CAB regulations, but familiarity with IATA regulations might well be of assistance to a Temple officer negotiating a charter flight with a flag carrier.

Liability for loss of life in international air travel is governed by a treaty known as the "Warsaw Convention," by the terms of which liability of the carrier is limited to approximately $8,300 per passenger. On November 15, 1965 at the instance of the American Trial Lawyers Association, the United States announced that it would withdraw from the Warsaw Convention unless the air carriers would voluntarily agree to increase their limits of liability to $100,000 per passenger. On May 13, 1966 the CAB approved an agreement by which the notice of termination was withdrawn and each signatory air carrier "voluntarily" increased its limit of liability to $75,000 per passenger. As of May 31, 1967 eighty-nine carriers, including eleven of the thirteen supplementals, had signed the agreement.

In this regard it should be noted that supplemental air carriers are required by CAB regulation to maintain liability insurance coverage. The minimum limits are $50,000 for each passenger and, for each occurrence, the product of $50,000 times ¾ of the total number of passenger seats in the particular aircraft involved. Effective August 21, 1967 the minimum limits will be raised to $75,000 for each passenger and, for each occurrence, the product of $75,000 times ¾ of the total number of passenger seats. Temples planning Shrine tours might well consult their own insurance advisers concerning purchase of additional coverage for their members in the form of "accident insurance" as well as any additional coverage that can be added to the Temple's own liability coverage. Even if the Temple were to be finally held not liable in an action brought against it for loss of life or property on a Shrine tour, the cost of defense could be quite high without insurance coverage.

We have spoken of the control over air charters which is exercised by the CAB, and we have mentioned the cooperation which the CAB gave us in making our investigation. We cannot pass from this subject without pointing out that any Temple officer planning or contemplating a Shrine tour can obtain from the CAB valuable information concerning the tour operator and air carrier with which he proposes to contract, as well as comparable information concerning others which have not solicited his Temple.

General Counsel has advised us that, although the Imperial Council is not likely to be held liable for any damages resulting from loss of life, property or money on a Temple sponsored Shrine tour, the Temple involved must be very careful to avoid exposing itself to liability. One Temple tour this year will involve over 1,000 Shriners and their families at a cost of $600 each. This amounts, of course, to more than $600,000; and care should be exercised to see that such large sums of money are properly handled and accounted for. In the past, some of our Temples have been the victims of financially irresponsible tour agencies and carriers. Careful choice of a tour operator is essential to avoid any possibility of financial loss. Use of any carrier not certificated by the CAB could result in tort liability were any loss to result.

It seems clear to your Committee that the volume of Shrine-generated air tour traffic is sufficiently great to put the Shrine in a favorable bargaining position. Any Temple sponsoring a Shrine tour should be aware of the fact that it is free to work out a "tailor-made" contract which will afford sufficient protection to its interests. It need not accept the terms of a contract meant to protect the tour operator and carrier only. Care in the selection of a tour operator and care in the drafting of a contract with it is necessary to insure satisfactory standards of service as well as to avoid the problems we have mentioned.

Finally, your Committee expresses its concern about the image of the Shrine and of our North American countries themselves projected by Shrine tourists abroad. In the Orient and the Near East, for example, there are relatively few people who understand the mores and customs which we take for granted. Their religious heritage differs vastly from our own. Many of them are actually insulted when foreigners appear on their streets wearing Fezzes which have been jokingly referred to as "inverted milk pails covered with broken glass." Even the Freemasons of European countries find it difficult to accept the Shrine as bearing any relationship to Masonry. An unthinking Noble, oblivious to these differences, can impair friendly international relations by behavior which might be perfectly acceptable in New York or Atlanta or Los Angeles.

We suggest that Fezzes be not worn outside of the continental United States, Canada and Mexico except in official meetings held in connection with Shrine tours or chartered Shrine Associations. We also call attention to applicable provisions of Shrine law whch hold the Potentate responsible for the actions of members of his Temple when engaged in Shrine activities.

Furthermore, we believe that courtesy calls for giving notice to the Potentate of a Temple into the territory of which a tour is planned that a friendly invasion is on the way, even though no such Temple could hope to extend more than token hospitality to the numerous visitors who might be expected.

RECOMMENDATIONS

1. We recommend that the Insurance Committee be asked to investigate the myriad problems of providing sufficient insurance coverage for tours and cruises.

2. We recommend that the Imperial Council prepare and publish an information pamphlet or handbook concerning Shrine tours and cruises for the use of Temples and Temple officers planning or contemplating a Shrine tour.

3. We recommend that each Temple sponsoring a Shrine tour be required by General Order to notify the Central Office of the dates and itinerary of its tour.

Imperial Sir, I move the adoption of this Report. (Applause)

(The motion was duly seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which is to adopt the Report. The motion has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor of the adoption of this Report indicate by saying "Aye;" opposed "No." There is one "No" vote. I declare the motion carried with the exception of the one "No" I heard. (Laughter)

I would like to commend the Committee and its Chairman, Bob Turley, for such a splendid and comprehensive job, particularly during such a brief period of time.

I will now call upon the Chairman of the Committee on Dispensations and Charters to report with respect to any proposed Charters. I recognize Harvey B. Leggee, Aleppo Temple, Chairman.

NOBLE HARVEY B. LEGGEE: This is the report of your Dispensations and Charters Committee. (Reading)

To The Imperial Potentate and Representatives Of The Ninety-Third Imperial Council:

Your Committee on Dispensations and Charters has had before it a petition for a charter for Araba Temple of Fort Myers, Florida, operating as a Shrine Temple under dispensation since the last Imperial Council Session in San Francisco in July, 1966. Your Committee has heard the provisional officers of Araba Temple, U.D., and several of the Nobility.

Araba Temple came into existence bv vote of the Imperial Council on the above named date with a membership of 1099 Nobles. In the past year it has created and affiliated 357 new members – lost by demit and death 57 Nobles, resulting in a total membership as of July 1, 1967, of 1399, a net gain of 300 members.

The investigation of your Committee disclosed that Araba Temple, U.D., has compiled with all of the provisions of the Imperial Code and they have the required number of Nobles (1250) in good standing to obtain a charter.

The Temple has suitable quarters for offices and has provided itself with a proper and satisfactory place for meetings and ceremonials. It possesses the necessary robes and paraphernalia for conferring the Order. It has 12 Uniformed Units with a membership of 247.

Your Committee believes it is amply financed. All of its bills and obligations are paid, and it has a net worth of $355,000.00 over $55,000. of which is cash.

Araba Temple has been an active Temple during its year under dispensation and has achieved a most creditable reputation in their community which we believe will redound to the future credit of Araba Temple in particular and Shrinedom in general.

Your Committee therefore believes that in the interest of Shrinedom a charter should be granted to Araba Temple of Fort Myers, Florida.

Accordingly your Committee recommends the granting of this charter.

Respectfully Submitted,

DISPENSATIONS AND CHARTERS

Imperial Sir, I move the adoption of this Report.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which is the adoption of this Report. It has been duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is unanimously carried. (Applause)

I will now call upon Past Potentate L. T. Brownlee, who is the Provincial Potentate of Araba Temple; Noble L. H. Whan, Provincial Chief Rabban and Noble W. W. Watson, Provincial Recorder and any others that might desire to be with them with regard to the Charter presentation.

(Whereupon, the entire Divan of Araba Temple, including those mentioned above, assembled before the Imperial Potentate.)

IMPERIAL POTENTATE RUSH: Past Potentate Brownlee, you were Potentate, I believe, originally in 1949. To you and your fellow Officers and Nobles, I wish to express my sincere congratulations. I had the privilege of being in attendance at your Spring Ceremonial which you so graciously named after me. I feel that you have a wonderful beginning with regard to a splendid and outstanding Temple in Shrinedom. I wish you success.

At this time, I am delighted to present to you your Charter.

(Presentation of Charter ensued.)

NOBLE L. T. BROWNLEE: Imperial Sir, Imperial Sirs, Nobles all: A year ago at San Francisco, I stood upon this or a similar podium and had the pleasure of receiving a Dispensation for Araba Temple. You have heard the results of our work for the first year. I want you to know that it all came about through the dedication of a real hard-working bunch of Officers and the cooperation of all the Temples in Florida and the Southeastern Shrine Association. They have really helped us a great deal.

Now, Nobles, we are a small Temple. We only have approximately 1400 members. However, a lot of you snowburgs who come to Florida during the winter months and are looking for a place to park your feet and bask in the warmth of the Florida sunshine, we likewise hope you will visit us.

We have, in our Dispensations, signatures from 129 Temples. We are a Duke's mixture. We are a small Temple. We like to feel that we are the friendliest Temple in the Shrine and we hope that you will all come to see us.

On behalf of Araba Temple, let me once again express our sincere gratitude to all of you for your help. (Applause)

IMPERIAL POTENTATE RUSH: Congratulations, Johnny, you and all of the fine Nobles of Araba Temple. With your tremendous enthusiasm I know that you are going to increase in membership and I wish you Godspeed.

I understand from Noble Leggee, Chairman of the Committee on Dispensations and Charters, that he will not be ready to report again on Dispensations until tomorrow. Therefore we will delay any further reports until that time.

Now, at this time, we should like to have a report as to future conventions and, therefore, I will first call upon our Imperial Potentate-Elect, Thomas Seay with respect to his proposed Convention next year.

IMPERIAL POTENTATE-ELECT SEAY: Imperial Sir, the Committee met and I would like to call on Chester A. Hogan, whom you have just elected Deputy Imperial Potentate, for the report in connection with his Convention.

NOBLE CHESTER A. HOGAN: Imperial Sir and Representatives to this Imperial Council: At this time I would like to call upon the Potentate of Nile Temple, Wharton Funk, for a very interesting report and invitation.

NOBLE W. T. FUNK: Imperial Sir, Imperial Sirs, distinguished fellow Representatives to this Imperial Council Session: Future places for meetings of this Imperial Council, I am sure, are of vital importance to each Representative.

It is indeed a distinct pleasure and a tremendous honor for me, as Potentate of Nile Temple, to extend to this Imperial Council a warm and cordial invitation to hold its Ninety-Fifth Imperial Council Session in 1969 at Seattle, Washington.

Assisting our Temple in extending to you hospitality of the highest order will be Afifi Temple in Tacoma, the home Temple of our Deputy Imperial Potentate, then to be our Imperial Potentate, our respected, revered and beloved Chester A. Hogan. Also assisting will be El Katif Temple.

May I take just one moment, Imperial Sir, to urge upon all who plan on attending this meeting to allow a little extra time in order that you may have an opportunity to see some of the most magnificent scenery that it will ever be your pleasure and privilege to see during this trip. I would suggest, if it is possible, that you arrange your vacation for that trip because Seattle is the gateway to Alaska. You could take in the passage to that 49th State and see some of the most significant fjords this side of Norway. Also, if you have some time, you can likewise journey into the balliwick of our other Imperial Officer from the Northwest, Jack Streight, and see a little bit of England in Victoria on Vancouver Island.

Imperial Sirs, it will be fine in "'69" because that's the year that you will smile with Nile, the capitol of the ever-green playground of the Northwest, Seattle, Washington. (Cheers and applause.)

NOBLE CHESTER A. HOGAN: And now for the record, we need a motion.

Somebody asked about the dates. The dates will be from June 29th to July 5th, 1969.

I will make a motion that we have the Convention in Seattle on those dates.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which was duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is unanimously carried and the Convention will be held there.

I am now going to call our Imperial Potentate-Elect Tom Seay back for his report in relation to Chicago.

IMPERIAL POTENTATE-ELECT SEAY: Nobles, it looks like we are going from the Midwest to the Northwest. As you all know, you passed a resolution in 1965 to come to Chicago for a Convention in 1968. We hope to have all of you with us.

As you know, we have plenty of rooms in the Chicago area to take care of all of your Temples if you desire to come. You are welcome and we want you. We would like to have Chicago be the place of one of the largest Imperial Council Sessions for many, many years.

We are making preparations now and have been in the planning stage for almost a year and I believe that as of the present time there are about fifty-eight or close to sixty Temples who are going to bring along their Units.

The Hotel Convention Bureau is working one hundred per cent with us and, further, the Mayor of Chicago is likewise working with us. We are all sure that we will be able to give you a Convention that Shrinedom will be mighty proud of. Therefore, you are all invited.

You Chief Rabbans who have not yet made your reservations for Chicago for next year, let me again reiterate that we have a room here in the hotel, Room 5101, on the fifth floor, in which the Convention Bureau is presently operating. You are welcome to go up there and see those people and make your reservations if you so desire.

Again, I want to urge all of you to come to Chicago next year because I am sure you will all be extended a most hearty welcome and have a very enjoyable time.

Somebody asked about the dates. I believe it will begin on the 7th of July. However, you will be notified as to the exact dates later on.

IMPERIAL POTENTATE RUSH: Thank you, Imperial Sir Tom.

We will continue with time and place matters and as to 1970, I now call upon Imperial Sir J. Worth Baker.

NOBLE J. WORTH BAKER: Imperial Sirs and fellow Representatives: Imperial Sir Tom said that we would be going from the Midwest to the West. Well, following that, we hope to again get back to the Midwest.

I am pleased to report to you that the Time and Place Committee has met and has unanimously approved the City of Indianapolis, Indiana for the 1970 Session of our Imperial Council.

Now, with your permission, I would like to ask our Illustrious Potentate and my life-long friend, C. W. Lantz of Murat Temple to say a few words.

NOBLE C. W. LANTZ: Imperial Sir, Imperial Sirs, fellow Representatives and Nobles all: I bring you greetings from the Hoosier Capitol, from our Governor and also from Murat Temple, the fourth largest Temple in Shrinedom; the home of the Shriners Crippled Childrens Hospitals; the home of the Five Hundred Festival and the home of the internationally-famous Five Hundred.

For those of you who saw the Parade the other day, you might have seen that we did bring a little bit of Indianapolis with us by bringing you a Five Hundred Festival float which you saw in the Parade. On this float we had the winning car of the 500-mile race this year and we hope that you will get to see that before you go home. That is just a little bit about Indianapolis which we would like to tell you about.

We are a little bit proud at Murat Temple in that Karl Friedrichs has been our Recorder for twenty-eight years and some forty-four years ago, he and Imperial Sir Gardner Wilson marched down this same street on which we paraded the other day.

We merely want to say that we will be most happy to welcome you to Indianapolis in 1970. Everything is "Go in '70." We are going to bring out that old Hoosier hospitality and really make you feel at home. We want you to come and visit us.

We also want to tell you that each and every Potentate that comes there with a Unit will have the opportunity to drive his car around the 500-mile racetrack. (Laughter) We are going to make race drivers out of you.

Therefore, please plan to come to Indianapolis in 1970 — we will be looking for you. Thank you very much. (Applause)

NOBLE J. WORTH BAKER: Thank you, Bill Lantz.

I would like to add that the dates are planned for the first week in July. I do not have the specific dates here yet.

Imperial Sir, I now move that this report be adopted, that Murat Temple be the Host Temple in 1970 at Indianapolis.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion and the second, is there any discussion?

NOBLE C. W. LANTZ: Imperial Sir, some of the fellows have asked me as to where that race car is. Let me say, first of all, that it is worth $50,000 and if you don't think that's a tremendous responsibility for a Potentate, well, it is.

The car is over at the International Inn and you can go over there and see it at any time.

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion to hold the Convention in Indianapolis in 1970. This motion has been duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" all opposed "No." It is unanimous and the Convention is therefore voted for Indianapolis in 1970.

I would now like to call upon Past Imperial Potentate Remmie L. Arnold of Acca Temple, Chairman of the Committee on Emeriti Members, to give his report.

NOBLE REMMIE L. ARNOLD: Imperial Potentate, Imperial Sirs and Members of the Imperial Council Session: Before I make my report, I would like to have the following Nobles come to the stage:

Imperial Sir Chester A. Hogan of Afifi Temple.

Noble Kenneth B. Hall, Al Kadar Temple of Portland, Oregon.

Noble Dewey E. S. Kuhns, Beni Kedem Temple, Charleston, West Virginia.

Noble Joe C. Howell, Hasan Temple, Albany, Georgia.

Noble Jesse A. White, Khedive Temple, Norfolk, Virginia.

Noble D. Dixon Lee, Omar Temple, Dillon, South Carolina.

Noble Walter A. MacNary, Orak Temple, Hammond, Indiana.

Imperial Sir, Imperial Sirs and all Representatives: As Chairman of the Committee on Nomination of Emeriti Members, it is a very great honor to be able to present to you a very distinguished group of Nobles who have been called and have not been found wanting, to serve their Temples and the Imperial Council for 15 years.

I am sure they have labored long and hard to be honored by their Temples and sent here for 15 years, and I know they deserve this honor. We have checked the records and are satisfied that these Nobles have fulfilled the requirements of the By-laws and are entitled to receive the honorable distinction of being declared Emeriti members. We are also satisfied that their records of service to Masonry, their Temples, their country and their communities entitle them to these honors.

Respectfully submitted,

COMMITTEE ON NOMINATION
OF EMERITI MEMBERS

Remmie L. Arnold, Sr., *Chairman*
Palmer N. Hegvold, *Vice Chairman*
S. Ken Briggs, *Vice Chairman*
Herman L. Englehardt
Emilio D'Acosta
Walter A. DeLamater

I might add that I wrote to each and every one and asked that they send me a short biography which I could read in one minute. However, none of them could do it. (Laughter) Nevertheless, I am going to do the best I can.

I am going to start with Imperial Sir Chester A. Hogan, who presently is your Imperial Chief Rabban and tomorrow will be your Deputy Imperial Potentate and the year after that will be your Imperial Potentate.

He is a very distinguished member. For example, he was Senior Warden of Corinthian Lodge Number 38; a Past Commander, Ivanhoe Commandery Number 4; Past High Priest, Tacoma Chapter Number 4; Past Grand High Priest, Royal Arch-

masons of Washington; Past Potentate, Afifi Temple; Past Impressario, Royal Order of Jesters, Tacoma Court Number 104; Past Director, Royal Order of Jesters, Tacoma Court Number 104; Red Cross of Constantine, Royal Order of Scotland and Past Sovereign Master, Tacoma Council Number 1, Allied Masonic Degrees.

As I read these brief biographies, I wish these various individuals would step to the front here so that you can all see them.

We next come to Kenneth B. Hall.

Kenneth is a member of Corvallis Lodge Number 14 of Corvallis, Oregon; a member of the Royal Order of Scotland; a member of the Scottish Rite and York Rite; a member of Al Kadar Temple (being active in the Drum and Bugle Corps and the Marching Patrol) and being elected Potentate in 1954. He was elected to the Hospital Board in 1955 and became Secretary that year. He is likewise a member of Portland Court Number 29, Royal Order of Jesters.

We next come to Dewey E. S. Kuhns. I have two long double-spaced pages of his accomplishments here. I know he wants me to read all this but I am not going to do it, I am only going to read part of it. (Laughter)

His biographical data reads like a politician because in one place here I see he was a Sheriff. However, he has had a very active life and has done a lot of things. I wish I could tell you all about him because he really has some outstanding achievements.

He is a member of the Chamber of Commerce and has been very active in civic duties; is a Past Potentate of his Temple. He likewise is a member of all of the various Masonic bodies, being a Thirty-Third Degree Mason. He is a Special Deputy of the Grand Exalted Ruler and Past Grand Exalted Ruler of the Elks; is a member of the Country Club, Press Club, Rotary Club and also a member of the Christian Church. Dewey, as we all know, has been coming here for a long time.

Now we come to another very distinguished gentleman, also a very modest one and I am afraid I do not have enough information supplied me about him. I have reference to Joe C. Howell. I would now ask him to step forward.

As I said, Joe is very modest and when I present this information to you you can see that he really is. He writes as follow:

"For the past twenty years, I have devoted my entire life to the Shrine. I was President of Valdosta Shrine Club in 1950, Albany Shrine Club 1965 — President of Recorders Association in 1960 — Past Director of Jesters in 1960 and take an active part in all Shrine and Masonic functions whenever possible." Therefore, as you can see, Joe is a very modest fellow.

Now, we come to another fellow here who, I believe, could even eventually get to be the President of the United States. (Laughter) They say he belongs to every organization in the United States except the B'nai Brith and the Knights of Columbus. (Laughter) I think the only reason he doesn't belong to them is that they will not take him in. At any rate, I think that Jesse A. White belongs in that category.

I have here (indicating) two pages of information on him.

To start out with, Jesse is a very important man because, when his secretary sent his bibliography to me, in the covering letter, she indicated, "Mr. White is presently out of the country attending the 250th anniversary celebration of the Grand Lodge of England." Jesse, we salute you.

Jesse is very active in Masonry and at the present time is Deputy Grand Master of the State of Virginia and next year will be our Grand Master. He has also been very active in the Boy Scouts and was International President of the Cosmopolitan Clubs in 1957-1958. He is likewise a Past Master of his Lodge, a Past District Deputy, and was Senior Grand Warden of the Grand Lodge of Virginia before he became a District Deputy.

He is likewise a member of the Finance and Accounts Committee of the Imperial Shrine. He is President of the Jesse A. White Company, general insurance agents and his Masonic affiliations are very numerous. He likewise has other memberships in various other clubs.

Jesse, we salute you and we are proud of the fact that you are a member of our grand organization.

Now, next, I believe we have a politician here because at the top of his letter it says, "Dixon Lee, Senator, Dillon County."

He has five sons and one daughter. He is a member of the Dillon Rotary Club and has been continuously since May of 1935.

He has filled all chairs in Mackey Lodge and served as Worshipful Master in 1947. He likewise served the Grand Lodge of South Carolina as District Deputy Grand Master of the Twenty-Third Masonic District in 1949 and '50.

He crossed the hot sands to Mecca in Omar Temple in 1949 and has held all elective offices, except, Recorder and Treasurer, serving as Illustrious Potentate in 1955. He has been a member of the Omar Board of Governors since election to the Divan in 1950.

He has also been President of the Palmetto Shrine Bowl for eight years and served the State of South Carolina as State Senator for eight years.

His vocation is that of a distributor for petroleum products and farm machinery and he is self-employed.

Now, we have another very distinguished gentleman here in the person of Walter A. MacNary.

He indicates that he was Potentate of Orak Temple in 1951; that he is presently Treasurer of Orak Temple and also Vice President of the Masonic Building Association. He further indicates that he is a Thirty-Third Degree Mason, Northern Masonic Jurisdiction and is likewise a Past Director, Royal Order of Jesters, Court Number 43 and likewise an officer of the Red Cross of Constantine. He is Past President of the Hammond Chapter of CABIRI and also Past President of the North Township Scottish Rite Club.

I believe that is all, Imperial Sir. I greet these very distinguished Nobles who have passed the test and I move that they be elected Emeritus Members of this Imperial Council and I will present to them their Certificates.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which was duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously. Go ahead and present the Certificates.

(Whereupon, the presentation of Certificates to the above-indicated Nobles ensued.)

IMPERIAL POTENTATE RUSH: Thank you very much, Remmie, for a fine report and congratulations to these new Emeriti Members of the Imperial Council.

Nobles, we do not have too much longer to operate today because, as I told you this morning, we must leave here a little before four o'clock in order to prepare for the Banquet later this evening. However, I believe we can get some of our legislation out of the way prior thereto and I now call upon Past Potentate Warren L. Jones for any reports he might have on proposed legislation.

NOBLE WARREN L. JONES: Imperial Sir, Imperial Sirs and Representatives: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

At the request of the Imperial Divan and as authorized by Section 101.5 (a) of the By-Laws of the Iowa Corporation, this committee has submitted and now reports upon a proposed amendment to Section 335.6 of the By-Laws of the Iowa Corporation by adding thereto a new subsection to be designated subsection (c), and reading as follows:

(c) The Imperial Council shall not, nor shall any officer or employee thereof, use or permit the use of any list or lists of names of members of Tempes for any purpose whatever, and shall not furnish any such list to anyone except the Temples of which those listed are members; provided however, that nothing in this subsection shall prohibit the publication or use of a list or lists of Imperial Representatives, and of lists of

officers and committee members of the Imperial Council and of Shriners Hospitals for Crippled Children.

The Committee reports that the proposed amendment is in propr and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Warren L. Jones, Chairman
Elmer P. Bromley
Merwyn H. Brown
Jacques H. Fox
Walter B. Jeffries, Jr.
Robert J. Turley
William H. Knowlton

Imperial Sir, let me also add here that the purpose of the proposed amendment was to put the rosters of Temples which are in the Imperial Recorder's Office on the same basis as the rosters of Temples in the Offices of the Temples and to prohibit their use for commercial purposes.

I move you, Imperial Sir, the adoption of this report and approval of the proposed amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously.

NOBLE WARREN L. JONES: Imperial Sir and Imperial Sirs: There was adopted, at, I think, the last Imperial Council Session, an amendment to the By-Laws of the Iowa Corporation and a like amendment was adopted to the By-Laws of the Colorado Corporation which prohibited the memorializing of any individual by placing his name on any of the structures owned by the Corporation.

In setting up the amendment to the Iowa Corporation By-Laws, it was placed under the provision relating to the government of Temples but, by its language, it referred to this Corporation and affiliated corporations. Of course, the Temples themselves are not incorporated and it was obvious that the amendment as adopted was misplaced and should have been under the provisions relating to the government of the Imperial Council.

It was believed that the same rule should apply to Temples, Shrine holding corporations, Shrine Clubs and their holding corporations.

Therefore, there has been submitted a proposed amendment, one being in relation to the provisions for the government of Temples, which would prohibit Temples and their affiliates from memorializing and then another under the provisions for the government of the Imperial Council and its affiliates, which would prohibit them from memorializing.

I submit, Imperial Sir, the report on the first of these proposed amendments, which reads as follows: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to Article 2 of Part II of the By-Laws of the Iowa Corporation a new Section to be designated as Section 202.5, and reading as follows:

Section 202.5 MEMORIALIZING OF INDIVIDUALS PROHIBITED. The use of the individual name of any person living or dead on or about any building owned by this corporation or any of its affiliated corporations for the purpose of memorializing such individual, of his connection or assistance with the construction, establishment or operation of any such building is prohibited.

The provisions of this proposed amendment were enacted at the 1966 Imperial Session as Section 335.15 in an Article relating to the Government of Temples. This proposal is for the purpose of making it clear that prohibition applies to the Imperial Council as such.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Imperial Sir, I move the adoption of the report and the approval of the proposed amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been severally seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" all opposed "No." It was unanimously carried.

NOBLE WARREN L. JONES: It now submit, Imperial Sir, the proposal to amend the Section relating to the memorializing by Temples and their affiliates. (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposed amendment to Section 335.15 of the By-laws of the Iowa Corporation, relating to memorializing of individuals, in order that it will apply to buildings of Shrine Temples and their affiliated corporations and organizations rather than, as now written, to the Iowa Corporation and its affiliates, so that the Section, as amended, will read as follows:

Section 335.15 MEMORIALIZING OF INDIVIDUALS PROHIBITED. The use of the individual name of any person living or dead on or about any building owned by any Temple or any of its affiliated corporations, clubs or units, or held by another or others for the use of any such Temple, corporation or other organization for the purpose of memorializing such individual, of his connection or assistance with the construction, establishment or operation of any such building is prohibited.

This proposal is a companion measure to the proposed amendment by adding Section 202.5.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

I move you, Imperial Sir, the adoption of the report and the approval of the amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Is there any question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is unanimously carried.

Do you have anything further?

I understand that additional proposed legislation will be reported by the Committee on Jurisprudence and Laws tomorrow.

I have also inquired of two or three others if they had their reports ready at this time and have been advised that they would prefer waiting until tomorrow.

I had planned on recessing at four o'clock. We are approximately ten minutes ahead of that time but we will nevertheless recess until nine o'clock tomorrow morning. Please be prompt.

(The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 3:50 P.M. to reconvene at 9:00 A.M., Thursday, July 13, 1967, in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

That is signed by Alex Campbell, one of the Imperial Potentates Aides.

(Cheers and applause.)

IMPERIAL POTENTATE RUSH: Thank you so much, Director General Ted. That is a wonderful tribute and I am extremely grateful.

Now, to continue with the introductions:

The Imperial Chaplain, a personal friend of long standing, formerly my own Pastor, Woodrow Wilson Hayzlett and Janie. (Applause)

Hogan and Helen. (Applause)

Now, I have the delightful privilege and honor to present one who is a warm friend of long standing, one who will make a great Imperial Potentate, your Imperial Potentate Elect, Thomas F. Seay and Ruth. (Rising applause.)

We will now continue with the entertainment and we will have another important introduction to make in the very near future.

May I, before the various Nobles start yelling at me, introduce the current First Lady of Shrinedom, my Mary.

(Cheers and rising applause.)

(Whereupon, a brief recess ensued, until 9:50 P.M., at which time the Honorable Hubert H. Humphrey, Vice President of the United States, was escorted to the rostrum.) (Rising applause)

IMPERIAL POTENTATE RUSH: Nobles, Ladies and Gentlemen, it is my pleasure and honor to present to you the Number One public officeholder in the United States who is a Noble of the Mystic Shrine – the Honorable Hubert H. Humphrey, Vice President of the United States, a member of Zuhrah Temple. (Cheers and rising applause.)

THE HONORABLE HUBERT H. HUMPHREY (Vice President of the United States): Imperial Sir Rush, Imperial Sirs, Illustrious Sirs and Most Worshipful Grand Master and Nobles and Ladies; Senator Mundt and Senator Irwin and Ex-Senator Hawkes (and I do want to get all of the Senators involved in here before I go any further for they control my life.) (Laughter)

Ladies and Gentlemen: I think that I should tell you that our very good friend and our Imperial Potentate was outside the doors of the hotel looking around and he looked so worried and filled with anxiety that when I walked up to him and asked, "Orville, what's wrong?" he said, "I can't find any entertainment." He then looked at me and continued, "Well, maybe it will not be good but you'll do, come on in." So I came in. (Laughter and applause)

I hope that you will forgive me for not coming in my Parade Master's Fez but, frankly, I was at another dinner and they were just letting the ladies wear hats there and so I just came over as I was. However, I did want to be with you this evening and talk to you for just a few moments.

I know that you have a marvelous program but let me tell you it's a wonderful sight to stand here as I am tonight and look into this great banquet hall and to see you and know what you as individuals mean and what this great Order of ours means, what Shrinedom means to America and, indeed, to the whole world. I thought, if you would permit me, that I would like to take just a moment or two to say a word to you.

I wish that I could go down the list of the many Temples that are represented here but, quite frankly, I was so propagandized the other day on the reviewing stand that I can hardly remember any others except Kena, Medinah, Almas, Aad, Zuhrah from Minneapolis and, of course, Osman from St. Paul, because, after all that is about all the boys up there would let me remember. However, I know that there are many more. (Laughter)

I also want to say to both Tom and Ruth that I look forward to being out to Chicago where you can sing that Chicago song as loud as you want and have that Black Horse Patrol go by as often as you want – and I'll tell you that I will cheer and cheer if you will just let me come – and that's about as nice a way to tell you I want to come as I can think of. (Applause)

I recall, and I hope some of you do also, that it was my very rare privilege to be here two years ago, almost two years ago to the day, it was July 14, 1965, and that much has happened since that time. I am reminded, however, that on an occasion like this that I'm supposed to be very circumspect and non-partisan and I never said a word about the Democrats while I was up here. (Laughter) I did not want to meet all six of you outside. (Laughter and applause.)

The other day I was at an occasion and before going there the President got hold of me and said, "I want to tell you something, Mr. Vice President. I know that you do love to speak but there are a few ground rules that you ought to have in mind." I said, "What's that, Mr. President?" He said, "Well, there are at least three occasions in which no man should ever make a speech and I mean nobody, including you." I then said, "Mr. President, would you mind being a little more specific?" He replied, "Well, no man in his right mind would make a speech at a rodeo, barbeque or cocktail party." However, I also think that he meant that one should not make a speech at the Imperial Potentate's banquet. (Applause) I think he had that in mind. Therefore, I

am not going to make a speech but am just going to visit with you and there is a lot of difference. I thought, however, I should first mention the orders that I had received and if any of you are from Texas you might tell the President that I do keep the faith, I do obey orders — I did tell his story. (Laughter) And now, having been loyal, I will just be on my own for the moment.

I would like to add just a word of relaxation to your proceedings. I think our Tuesday parade was the kind of wholesome relaxation that America likes. You know, in our Declaration of Independence we not only talk about life and liberty as our inalienable rights, but we also talk about the pursuit of happiness and can I say that this great Order of the Shrine — that it represents not only life as it goes for millions of people and not only is it totaly dedicated to human freedom and individual liberty, but it represents the pursuit of happiness. If there is one thing we try to do, it is to spread a little ray of happiness. (Applause) And you and I came to the right city to do it.

I looked at this evening's paper as I went home to put on this jacket and when I picked it up, it just seemed as if everyone was fighting with everyone. If there wasn't a riot going on, there was someone planning one; if there wasn't a war going on, someone was hoping there would be one; it seemed as though everyone wanted to have some trouble — at least to me as I looked through the various headlines. Then I thought what a great joy it was to know that there are people who do believe in the good life, who do believe in brotherhood, who do believe that you can live together in peace and happiness — and that is what we believe — that is what we stand for. Therefore, to me, today's parade was a lot more than just a march of just Nobles — it was really an amazing demonstration of the vitality and the spirit of this country and I also believe I am right when I say that it did make some history. I think I am right when I recall that this was the first time that the President of the United States and the First Lady of the United States and the Vice President of the United States were on the reviewing stand all at the same time. (Applause) And I am glad that this time I was there first. (Laughter) You know what they say about we number two's, Orville — we have to try harder. (Laughter)

But what did we see at that parade? Well, I think that we saw fun-loving America at its fun-loving best. It takes a healthy country that can laugh at itself and enjoy itself totally. It is only the weak, the discouraged and the sick and the discontent that are unable to really look at themselves and really just laugh out loud once in a while in humility and, at the same time, in pride.

I could not help but feel, and think, as I saw some of those clowns go by —"there goes the fellow that holds my mortgage." (Laughter and Applause) Everyone in this audience knows that some of those Nobles that were having the gayest time out there on Pennsylvania Avenue just enjoying themselves and giving everybody a great lift and great laugh were some of the leading citizens of this country and yet they were acting as just people entertaining their fellow Americans and enjoying themselves. This great parade and the Shriners that make it possible means more than just fun, though it really represents the finest traditions of America and what our country stands for.

I guess sometimes I get to believing that people take our country so much for granted they forget what we stand for. I am sure that people in other parts of the world do but that is understandable because they are not Americans. But we ought to always remember what we are and what we stand for. America is an idea — not just a piece of ground; it is more than a political entity — it represents hope. Lincoln said it was man's best hope on earth and it surely is — the idea that men are capable of governing themselves — that they can lift themselves to new heights — that they can be something. The great promise of America is that every man has his chance — every man has the right to live and to work and to be himself and to be whatever he can make of himself. That's what America means. It also means that all of this is to be accomplished within a system that embraces the concepts of freedom; not just freedom in political institutions but freedom in economic institutions.

The great driving force in this country today is voluntarism and private enterprise and you and I both know it and those of us here in the Nation's Capital need to remember it. Government is a partner, to be sure, and it ought not to be the dominating partner but it is a partner — but primarily the motivating force in America, the driving

force, the building force comes from the millions of individual citizens and from what they themselves are and what they build for themselves and their loved ones.

And so, as I looked out on that parade, I had many thoughts. I thought about the people that were there, how they got there, what they had made of themselves. I thought of the wonderful children's hospitals that we make possible and also the burns institutes – the relief of suffering, the relief of every child that needs it and without regard to race, color or creed – just the fact that they are in need, in pain or in suffering. Those are noble standards and wonderful ideals that we can practice and do practice. I guess all of us know that our children are our most wonderful assets. My little granddaughter has been visiting with me this week. In fact, we have four granddaughters and this little girl has been down here, this little five-year-old, and it makes me feel so important. I want to tell you that somebody in the Senate dining room asked her the other day, "Who is your granddaddy?" She said, "He runs the Capitol." (Laughter) Now, of course, you know I would not have told her that. (Laughter) I want you ladies and gentlemen to know that she didn't say, "he runs the house," either of Representatives or the Humphrey house. (Laughter) Nevertheless, it is wonderful to have our little ones with us and I guess that we can always relearn the truths in the precious assets of our children. We learn them anew as parents, as grandparents and, yes, even as Master Masons, and we also learn them anew through the wonderful work of the DeMolay. That is why we are here.

Let me also indicate to you that it is my privilege to serve as the Chairman of the President's Council on Youth Opportunities. It doesn't receive many headlines but I'll tell you what it does – it works with children, just as the Shrine works with children.

There are all kinds of cripples in this world. There are those who are physically crippled – and we have a little granddaughter who is mentally retarded and that is a terrible thing. There are all kinds of handicaps and until you have been touched by one you really never appreciate what happens to the others. But there is also a kind of crippling that is not physical or mental – it is a crippling which is psychological, spiritual, economic. I have always been interested in working with our handicapped and have spent some years in youth work – six years as a scoutmaster and many years with the young people in my church.

I like young people – they make me feel good and, believe me, in my work you need to feel good once in a while. (Laughter) But the crippling that I speak of isn't something that we can help or even care for in the hospital, important as that is, and I am speaking of the crippling of despair, of hatred, of bitterness, of prejudice. I am speaking of the crippling that comes, if you please, when a boy that lives in a slum or a ghetto or in an area of poverty has never had a chance or, if he had one, nobody was there to guide him and most of us need guidance and direction – you know that. I speak of the crippling effects of neglect, of broken homes or no homes, of never having had a job and not even knowing how to get one; the crippling, if you please, of never having had the experience of being needed or even wanted. We are trying to get at that kind of crippling in America and if we cannot do that, then our country isn't living up to its ideals, because America was not just made for those who could make it easily or even for the fortunate. The Statue of Liberty has on it those famous words, where the Goddess of Liberty, reaching out across the Atlantic, says – send me your crippled, your tired and your weary. I can only paraphrase it. Many of these people have come here and others have been born here and we are trying to both find a way and a place for them.

Now, government cannot do this. The most that government can do is hopefully to work with others who are trying to do it. I gave the President a report this evening at eight o'clock on the work of our youth summer program – your program in your towns – because it cannot be done in Washington even though we are doing much here. It isn't being done by your government, even though government is cooperating. I said, "Mr. President, I am happy to report to you that from the first day of June to the seventh day of July, slightly over one million young men and women between the ages of sixteen and twenty who were unemployed and who came from families that could be classed as poverty-stricken, now have a job. That is one million more than were employed on May 30th." (Applause) Of those one million, 750,000 of them have a job in private industry, where they have an income and also the rewarding

experience of being a part of this great free enterprise system and where they can, for the first time, feel self-respect. We have opened up all across this land, with your help, playgrounds, schools that were closed and had the help of both fire and police departments all over the Nation in working with these youngsters. I wish that I had the time to tell you something about the joy of this, my work – the kind of work that doesn't bring you into the big things that you read about every day – the Middle East and Southeast Asia – it isn't the sort of decision-making that takes place at a cabinet level but, ladies and gentlemen, let me tell you that America is no stronger than its weakest link and we need to strengthen that weakest link. (Applause) The way that we will do it is when we seek to help people find a way to help themselves. We will do it through education – we will do it through understanding – we will do it through extra effort.

Therefore, here is what I would like to ask you, my fellow Nobles, to do. When you go back to your communities, I want you to go to the leaders of those communities, who will be your friends because you likewise are leaders, and ask, "What are we doing in this community to see that every boy and girl receives a chance – what are we doing as businessmen to see that employment opportunities are open to all of our young people?" America has seventeen per cent of its youth, white and black, unemployed, and this is the richest country on the face of the earth, and you and I know that an unemployed boy or girl is potential trouble and you and I also know that the greatest privilege that they can have is the privilege of earning their own way, of being somebody in their own right, of contributing to their own lives, economy and community.

I want you to talk to your Mayor, your Governor. This is not partisan and here I would like to say, regarding politics, that I have never known of a Governor, Mayor or Congressman, Senator or even President that ever lost a vote by helping a kid – never yet. (Cheers and Applause.)

But, more important, this is doing what is right because, if we cannot help our own here at home then, in turn, what makes us think we can help anyone else in this world?

Well, I may be too serious, but then I believe I am talking to serious people. I know where to get things done. I find that the man that has the most fun, that is the busiest man in town, that has more responsibilities than any two men ought to carry and then I ask him to take on an extra load and he will get it done. If you look for the man that has nothing to do, seems not to enjoy what he is doing, even what little he has to do, and appears to be constantly discontented with his lot – don't ask him to help because he has already proven to you he doesn't know what to do. I am talking to the people who are the do'ers – the Shrine – the Nobles. I am talking to people that can do the job and so I want to ask you to get out and help us do it.

Also let me say, God bless you, have a good time. I know that you are going to have a great parade on Thursday night – I cannot be with you but I'll be thinking about it. I will always remember that one on Tuesday as long as I live.

Thank you very much. (Rising Applause)

IMPERIAL POTENTATE RUSH: Thank you so much, Mr. Vice President, Noble Hubert H. Humphrey, the Grand Marshal of our Parade in this Convention City the Ninety-Third Imperial Council Session in our ninety-fifth year. (Applause)

(Whereupon, the Honorable Hubert H. Humphrey was escorted from the room and the planned program of entertainment, produced and staged by Jack Morton Productions, Incorporated concluded the Banquet Session.)

MORNING SESSION

THURSDAY, JULY 13, 1967

NINE O'CLOCK A.M.

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Thursday, Juy 13, 1967 at 9:00 A.M., Imperial Potentate Rush presiding.

IMPERIAL POTENTATE RUSH: Nobles, I would again like to call this meeting to order.

Will you please rise for the Invocation.

REVEREND WOODROW WILSON HAYZLETT: Let us pray.

Almighty God, may the rays from Thy lovely face serve to brighten our paths and make pleasant our nights. Thou dost give to us the health and strength that permits us to assemble here this morning and from our hearts we lift our prayers of gratitude unto Thee.

We invoke Thy divine guidance upon this Session.

Bless our Imperial Potentate and every member represented here, every Temple, and may this Session this day be the vehicle through which Thy love and Thy favor might be shed abroad in the lands represented.

All this we ask in the name of the Great Supreme Architect of the Universe. Amen.

IMPERIAL POTENTATE RUSH: Please be seated.

At this time, I would like to again call on the Jurisprudence and Laws Committee for additional proposed amendments to the By-Laws. I now recognize the Chairman of the Jurisprudence and Laws Committee, Past Potentate Warren Jones.

NOBLE WARREN L. JONES: Imperial Sir, Imperial Sirs and Representatives: In the Call, there are two proposed amendments, one Iowa and the other Colorado, the Iowa amendment dealing with the duties of the Imperial Treasurer and Imperial Recorder and the Colorado dealing with the duties of the Imperial Treasurer and the Imperial Secretary.

The proposals are lengthy, they have been printed in the Call and, therefore, unless some Representative requests it, I will not read them.

I think that no more need be said than to remind you that on the revision of the Imperial By-Laws, for reasons which have ceased to exist, some of the duties of the Treasurer were transferred to the Secretary and to the Recorder. It is now proposed that the normal duties of a corporate treasurer will be restored to the Treasurer.

The Committee reports, in first reporting on the Iowa amendment, that it is in proper and legal form and will not conflict with any of the Articles of Incorporation or with any other By-Laws of the Iowa Corporation.

Imperial Sir, I move the adoption of the report and of the amendment to the Iowa Corporation related to the duties of the Imperial Recorder and Imperial Treasurer.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is unanimously carried.

(The amendment as voted upon and adopted above and the report of the Jurisprudence and Laws Committee in relation thereto is as follows:)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Subsection (d) of Section 206.5 of the By-laws of the Iowa Corporation, relating to the duties of the Imperial Recorder, by revising Paragraphs (9) and (10) thereof; by deleting therefrom Paragraphs (11) and (15); and by renumbering Paragraph (12) as Paragraph (11), Paragraph (13) as (12), Paragraph (14) as Paragraph (13), and Paragraph (16) as Paragraph (14), so that said Subsection (d), as amended, will read as follows:

(d) Imperial Recorder.

(1) He shall have custody of the seal of the Imperial Council, and he shall affix it to all Orders of the Imperial Potentate, official communications, and other documents.

(2) He shall keep all permanent records with respect to the business of the Imperial Council, the reports of its Committees, and all other records cutomarily kept and required by the Board of Directors.

(3) He shall notify all Representatives of all sessions of the Imperial Council; and shall notify all Directors of all meetings of the Board of Directors.

(4) He shall furnish uniform credential blanks to all Temples for execution and presentation by Representatives at all sessions.

(5) He shall furnish identification badges for delivery to all Representatives upon their registration at all sessions; and shall have charge of the distribution of their souvenirs and tickets.

(6) He shall procure 3 Past Imperial Potentate's jewels every third year, to be made according to the approved design, and shall have one at each annual session for presentation to the retiring Imperial Potentate.

(7) He shall attend all sessions and supervise the keeping of a record of all proceedings of the Imperial Council.

(8) He shall make a report to the annual session, summarizing the annual returns of all Temples, including the admissions, affiliations, restorations, suspensions, expulsions, demits and deaths.

(9) He shall collect and receive all revenues of the Imperial Council, and shall transfer all such amounts to the Treasurer of the Imperial Council as soon as can conveniently be done.

(10) He shall collect and receive the hospital levy and shall transfer all such amounts to the Treasurer of Shriners Hospitals for Crippled Children as soon as can conveniently be done.

(11) He shall send to each newly instituted Temple, when it receives a dispensation, a copy of the Articles of Incorporation, By-laws, and General Orders then in force.

(12) He shall send annually to each Temple a sufficient supply of dues cards, in a form prescribed by him and approved by the Imperial Potentate; and the cost thereof shall be paid by the Temple.

(13) He shall supervise the keeping of the minutes of the meetings of the Board of Directors.

(14) He shall perform any other duties assigned to him by these By-laws or Board of Directors.

And to amend Subsection (e) of said Section 206.5 by deleting from Paragraph (2) of said Subsection the following words:

which are under the direction of the Imperial Recorder.

And to further amend said Subsection by inserting therein new Paragraphs numbered (3), (4) and (5) as hereinafter set forth, and by renumbering Paragraph (3) as Paragraph (6), Paragraph (4) as Paragraph (7), Paragraph (5) as Paragraph (8), and Paragraph (6) as Paragraph (9), so that said Subsection (e), as amended, will read as follows:

(e) Imperial Treasurer.

(1) He shall arrange for the payment of all obligations of the Imperial Council out of appropriations made by the Imperial Council and in accordance with a budget adopted by the Imperial Council.

(2) He shall arrange for the keeping of all financial records and books of account in the general offices of the Imperial Council unless otherwise provided by order of the Board of Directors and approved by the Imperial Council.

(3) He shall receive from the Imperial Recorder all revenues of the Imperial Council, and shall deposit them to the credit of the Imperial Council in the depositories approved by the Board of Directors.

(4) He shall provide for the maintenance of adequate and complete records and books of account, showing the details of all revenues received by him and the sources thereof, and account for the deposit of the same as required by this section, keeping separate the revenues of the Imperial Council and receipts for the Hospitals.

(5) He shall keep and maintain all budget control records.

(6) As soon as practicable after the end of each calendar year, he shall cause to be prepared from the records and books and shall submit to the Board of Directors (i) an annual statement of the financial condition of the Imperial Council, showing its assets, its revenues and sources thereof, its liabilities, and its net worth; (ii) an annual operating statement; and (iii) any other or supplementary report or statement necessary to

disclose its true financial condition, the nature and current estimated value of its assets, its operating results, its income and the sources thereof, and its reserves and purposes thereof.

(7) He also shall submit his annual report, prepared in accordance with paragraph (6), to the next annual session of the Imperial Council.

(8) He shall arrange for the prudent investment of all funds of the Imperial Council not needed for immediate payment of obligations under current appropriations.

(9) He shall perform any other duties assigned to him by these By-laws or the Board of Directors.

The primary purpose of these amendments, proposed by the members of a Committee appointed by the Imperial Potentate, is to return to the office of the Imperial Treasurer some of the fiscal duties which were formerly assigned to that officer but which had been, in recent years, delegated to the Imperial Recorder.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

IMPERIAL POTENTATE RUSH: I will now recognize Past Potentate Bob Vetter of Akder Temple, Chairman of the Finance and Accounts Committee, and call upon him at this time for his report. I am going to ask him to give both the Iowa and the Colorado Corporation reports since he is Chairman of both of these Committees and we will save time by doing it in that manner.

NOBLE B. W. VETTER: Imperial Sirs and Fellow Representatives: I will first give you the report of the Colorado Corporation for 1966.

(Business was transacted in the Colorado Corporation at this time. See Colorado Proceedings.)

NOBLE B. W. VETTER: Imperial Sir and Fellow Representatives, your Committee reports as follows regarding approval of the budget for 1966 with reference to the Iowa Corporation. (Reading)

Imperial Potentate, Imperial Sirs and Imperial Representatives:

Your committee reports as follows regarding departures from the approved budget for 1966:

Annual dues and merchandise sales were less than anticipated but interest on investments was over, resulting in actual income being $1,622 less than the total budget of $1,074,800.

Actual expenses for 1966 totaled $1,009,915. This was $60,885 under the approved total budget for expenses.

The only items of expense which exceeded the amounts budgeted, were:

Building maintenance expense	$1,020
Jurisprudence and Laws Committee expense	91
Operating expense – Past Imperial Potentates' flags	444
FOR A TOTAL OF	$1,555

Your committee recommends approval of these departures from the approved budget for 1966.

Respectfully submitted,

NOBLE B. W. VETTER: (Reading)

Imperial Potentate, Imperial Sirs, and Imperial Representatives:

The members of your Finance and Accounts Committee have reviewed the Budget for 1967 that was approved by the 1966 Imperial Council Session, subsequently revised at the mid-winter session of the Executive Committee, and further revised after consultation with the Imperial Potentate, the Deputy Imperial Potentate, the Imperial Recorder, the Imperial Treasurer, and the Auditor.

Nobles, I plan to report on the revisions and shall be glad to answer any questions regarding the same, or I shall read the revised budget in its entirety, if you so desire. It will, however, be fully reported in the record of these proceedings.

3. Addition of Charters & Dispensations	100

NOBLE B. W. VETTER: Imperial Potentate, Imperial Sirs and Imperial Representatives: Continuing in the Iowa Corporation. (Reading)

Your Committee on Finance and Accounts, having reviewed the proposed Budget for 1968, now submits the same for your consideration and approval.

The estimated income of $1,081,800 for 1968 is virtually the same as that for the year 1967, as revised. S.H.C.C. Building Operation Contribution has been estimated upward in the sum of $5,000.

Again may I ask your desire as to my reading the entire Budget. If not, then I shall report as follows: The estimated expenses in the proposed Budget for 1968 total $897,675 and are $85,507 less than estimated expenses for the year 1967. The differences from the 1967 revised Budget are:

1) Transfer from Imperial Recorder's Office Expense	$(16,115)
2) Transfer to Imperial Treasurer's Office Expense	26,300
3) Increase in General Administrative Operating Expense	950
4) Increase in Building Operating Expense	913
5) Decrease in "Other Expense" due to discontinuance of printing "Parade to Glory."	(8,000)
6) Increase in Imperial Divan Expense – $10,750 of this is because the 1967 revised budget covers six months only)	11,045
7) Decrease in Committee and Meeting Expense – due principally to the elimination of $20,000 for Indoctrination.	(25,600)
8) Decrease in Imperial Council Session Expense – due to the annual meeting being held in Chicago.	(75,000)

The detailed proposed Budget for 1968 will be printed as part of the proceedings of this session.

Respectfully submitted,

COMMITTEE ON FINANCE AND ACCOUNTS

B. W. Vetter, Akdar Temple, *Chairman*

Imperial Sir, this report likewise has a detailed breakdown of the figures. I can also read them if you so desire. If not, they will, I am sure, be included in the Proceedings.

(Cries of "No.")

IMPERIAL POTENTATE RUSH: Apparently the Imperial Council Representatives do not desire these figures read.

NOBLE B. W. VETTER: Very well, sir.

I now move the approval and adoption of the 1968 Budget for the Iowa Corporation as proposed.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(Business pertaining to the 1967 Revised and 1968 Budget for the Colorado Corporation was transacted at this time. See Colorado Proceedings.)

IMPERIAL POTENTATE RUSH: I would now like to call on Imperial Treasurer, Thomas Melham for his report.

NOBLE THOMAS W. MELHAM: Imperial Sir and Representatives: All you have received the book of Reports. I don't know to what extent you have even looked at it and analyzed it but before moving that this report be approved, before doing so, to those who did take a look at it, you might have seen in one account or another that there appears to be an overdraft. I call your attention to the statement that in the Bank of Montreal there are two items with parenthesis indicating overdrafts. This is due solely to the fact that for some time your Central Office has been investing temporarily all available funds until they would be required. Therefore, in connection with this figure of $45,871.34, I can assure you there was a check in the mail which arrived one day after the end of the month. Therefore, please do not be disturbed by these apparent overdrafts or deficits.

For your information, in the Iowa Corporation, out of a total investment income of $46,100, $36,000 was picked up simply by putting our money into temporary investments, Treasury Bills, etc.

With respect to the total income of the Colorado Corporation, which in this report indicates $12,535,962.00, I am happy to report that $246,478.38 was picked up in temporary investments of the money before we had to pay it out.

Unless there are any questions, I merely move the acceptance of the report of the Treasurer as contained in the Book of Reports.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion is unanimously carried.

I now call for the report of our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives of this Imperial Council, the Report of the Imperial Recorder-Secretary is found in the Book of Reports that has been printed and put into the hands of each member of the Imperial Council.

I would move that the Report be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor of the motion indicate by saying "Aye;" opposed "No." It is carried unanimously.

Is Past Potentate Carl Pierson ready with the report of the Transportation Committee?

NOBLE CARL H. PIERSON: Imperial Sir, Imperial Sirs and Members of this Ninety-Third Imperial Session: This will be a "BBB" report – in other words "Be Brief, Brother." (Laughter)

At the outset let me say that the privilege of giving a year of one's life as Imperial Potentate in service to our great Order comes to few men.

With visitations to hospitals, Shrine Temples and Clubs, football games, seminars, press and television – conferences not only in the United States but in Canada, Egypt, Mexico and Panama representing almost 900,000 Nobles – what a job.

Let us not forget our Imperial Sir has been at work reclaiming, not destroying lives.

He who serves indeed gains more than he who is served.

Now, for the report of the Transportation Committee. (Reading)

Imperial Sir and Representatives Of The Ninety-Third Session Of The Imperial Council:

Your Committee on Transportation is happy to report that to the best of our knowledge all matters pertaining to transportation have been handled satisfactorily.

Our Imperial Sir Orville F. Rush has rendered yeoman service to the Shrine of North America. We commend him for a job well done. He and his lovely wife have traveled some two hundred thousand miles by auto, boat, plane and train, visiting most of the Temples in the United States and North America, twenty-two Hospitals and Burns Institutes with hundreds of other meetings. Sure, there were some delays with a few minor mishaps. However, we have not had one complaint from our Imperial Sir Orville. He has been a builder and an ambassador of good-will for Shrinedom.

This Report is respectfully submitted and signed by the Committee:

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded, are you ready for the question?

(The question was severally called for.)

IMPERIAL POTENTATE RUSH: All in favor of the motion indicate by saying "Aye;" opposed "No." The motion is carried unanimously.

Thank you, Nobles and thank you my dear friend, Carl Pierson, for a very thoughtful report and for those kind words.

At this time I wish to make the presentation of the Imperial Potentate's Annual Award for the best Temple publication. I first want you to know that I had nothing to do with the judging, nothing whatsoever. (Laughter)

Shortly after taking office last year, I announced the establishment of "The Imperial Potentate's Annual Award for the best Temple Publication." At that time I pointed out that the Temple Publication was a most vital part of our internal public relations program, providing the only direct link we have with the individual Noble and his family. It was for this reason that I felt some sort of incentive program should be instituted for the encouragement of the best possible publication at the Temple level.

It is now my pleasure to announce the results of this year's competition and to present these engraved plaques to the winners.

Before making the presentations, however, I would like to review the criteria used in judging and repeat the rules of the competition:

1. To insure fairness of competition, three categories were established based on Temple membership figures.

Large Temples, those with a membership over 7,500, were designated as "Class A" Temples.

Medium Temples, with a membership from 4,000 to 7,500 were designated as "Class B."

Temples with less than 4,000 members were designated as "Class C" for purposes of this competition.

2. No single issue of a publication was judged independently. All issues for the year were judged as a unit, thereby insuring continuity of quality.

3. Judging was based on over-all layout, effective use of area Shrine news, effective use of our national Shrine news, pictorial layout and quality, general effect or "readability," and a balanced "mix" of advertising and editorial content.

4. The judges established an independent scoring system of points from 1 to 5, with a possible high score of 30. Bonus points were given for especially outstanding features, photography, and art work (such as cover design). Points were subtracted from totals for glaring flaws, such as poor ad layout, too many ads in proportion to news, consistent errors in typography, too many "gossip columns," and poor taste in pictures or copy.

5. Finally, the judges were professionals in the field of journalism — none, by the way, were Shriners, thus assuring impartial judging of the publication on merit alone. Total points awarded each publication by each of the three judges were added, then averaged for the final score. Some Temples, unfortunately, did not enter the competition. I hope sincerely they will do so next year.

Now, Nobles, I am happy to announce that the winning publication in the Class "A" category is — The Al Koran, Al Koran Temple, Noble George Ghetia, Editor.

Will the Potentate of Al Koran Temple approach the podium.

(The Potentate not being present, the large plaque for the Temple and the small one for the Editor was presented to a Temple Representative.) (Applause)

IMPERIAL POTENTATE RUSH: Thank you so much for entering the competition.

The judges awarded Honorable Mention in the same category to four Temples in the following order:

Islam Temple, Noble J. H. Hornell, Editor.

Ainad Temple, Noble Russell J. Maxwell, Editor.

Oasis Temple, Recorder J. W. Helms, Editor.

Ararat Temple, Recorder G. G. Manlove, Editor.

In the Class "B" category it is interesting to note that a much higher grouping of scores were attained and we therefore have one winner and ten Honorable Mentions. Nobles, I am pleased to award the winning plaque in Class "B" to Arabian Tales, El Zaribah Temple, Noble Bert Carciotto, Editor. I will ask both the Potentate and Editor to approach the rostrum.

(Whereupon, Potentate M. R. Richter and Noble Bert Carciotto approached the podium.)

IMPERIAL POTENTATE RUSH: Doc and Bert, I am delighted to present you with these awards — this one to you, Doc, for the Temple and this one to you, Bert, as the Editor. Our sincere congratulations. We appreciate you entering the competition and keep up the good work and enter again next year. (Applause)

The ten Honorable Mentions in the Class "B" category were achieved by:

Al Kader Temple, Noble D. D. Damewood, Editor.

Egypt Temple, Noble R. R. Hicks, Editor.

Tangier Temple, Noble Sigurd U. Bergh, Editor.

Afifi Temple, Noble Robert Bright, Editor.

El Karubah Temple, Noble Q. L. Stewart, Editor.

El Katif Temple, Recorder Wilford McCrea, Editor.

Almas Temple, Noble Leslie C. Mitchell, Editor.

El Bekal Temple, Noble Jack Horner, Editor.

Za Ga Zig Temple, Noble M. S. Enabit, Editor.

Tadmor Temple, Noble T. D. John, Editor.

And, now, we come to the Temples with membership of less than 4,000, the Class "C" category.

I am pleased to present the best publication award in this category to "The Hot Sands," Hadi Temple, Noble C. E. Krieger, Editor.

Will the Potentate and Editor, if they are here, please come to the rostrum.

(Whereupon, Potentate T. O. Running of Hadi Temple approached the rostrum.)

IMPERIAL POTENTATE RUSH: I am delighted to present this plaque to you for the Temple and also please present this plaque to Noble Krieger. Our heartiest congratulations. You have a wonderful publication. It is a weekly publication. I always read it with interest and appreciate your entering the competition. Keep up the good work and enter again next year. (Applause)

There were six Honorable Mentions earned in the Class "C" category, in the following order:

Abou Ben Adhem Temple, Noble R. L. Wilcox, Editor.

Alee Temple, Noble R. E. Kennickell, Editor.

Kena Temple, Noble H. H. MacMurray, Editor.

Damascus Temple, Noble H. A. Sarachan, Editor.

Al Sihah Temple, Noble Alex B. Cameron, Editor.

Kerak Temple, Noble Bruce Bowen, Editor.

My heartiest congratulations to each of you. As was explained in the announcement of these awards last year, the large Temple plaque in each category is a revolving or traveling plaque that will be "laid on the line" every year. Any Temple winning three successive years retires the plaque and it becomes a permanent fixture in their Temple.

The plaques for these Editors are given to them as a permanent award in recognition of their splendid efforts in winning the award.

My best wishes to all of you for next year's competition.

Members of the Dispensations and Charters Committee are requested to come to the left of the stage to meet with the Chairman.

(Business pertaining to the report of the Board of Trustees, report of the Burns Center Committee and the report of the Wills, Bequests and Gifts Committee was transacted in the Colorado Corporation at this time. See Colorado Proceedings.)

IMPERIAL POTENTATE RUSH: Now I am going to ask three Committees to be ready to report immediately – Dispensations and Charters, Jurisdictional Lines and possibly the Jurisprudence and Laws Committee.

I would now like to call on Harvey B. Leggee, Chairman of the Dispensations and Charters Committee, to report on Dispensations.

NOBLE HARVEY B. LEGGEE: (Reading)

To The Imperial Potentate And Representatives To This Ninety-Third Imperial Council:

Your Committee on Dispensations and Charters has held meetings in conjunction with the Committee on Jurisdictional Lines and a representative of the Committee on Jurisprudence and Laws, for the purpose of viewing, hearing and acting on a petition received from (1048) ten hundred forty-eight Nobles of northwestern Florida, requesting a dispensation for a new Shrine Temple in that area to be known as Hadji (HAD-JI) Temple located at Pensacola, Florida.

The petition was reported to your committee as being in good order by the Imperial Recorder. Your committee examined the petition and found a sufficient number of qualified signatures from members of Morocco Temple, of Jacksonville, Florida and Nobles of numerous Temples of our Order.

The Potentate, Divan and Nobles of Morocco Temple, who are relinquishing the entire proposed territorial jurisdiction to the petitioners were present to give their unqualified support to this request for dispensation.

Your Committee was of the unanimous opinion that the material and information prepared and presented by the proponents was in proper order, well prepared and met all of the provisions of the Imperial Code.

The hearings and discussion were most friendly and in an atmosphere of Shrine cooperation and cordiality which emphasized "Shrinedom in Action!"

After a full and free discussion of all facts relating to a petition for dispensation of a new Temple, your committee met in executive session.

We find that their financial position is adequate, showing cash and property in the amount of $81,495.00; their chosen leadership is experienced and sincere; their enthusiasm outstanding and their opportunities for Shrine development in this area have a fine potential. They have given satisfactory evidence that they have a suitable meeting place and agreed to procure proper paraphernalia for use of the new Temple.

Your committee finds that the petition is in accordance with the requirements of the Imperial Code relating to the granting of a dispensation to Hadji Temple at Pensacola, Florida to have exclusive jurisdictional in the following 12 counties:

Escambia, Santa Rosa, Okaloosa, Walton, Holmes, Washington, Bay, Jackson Calhoun, Gulf, Liberty, Franklin.

Your committee therefore unanimously recommends the granting of the dispensation.

Respectfully submitted,

COMMITTEE ON DISPENSATIONS AND CHARTERS

Harvey B. Leggee, Aleppo Temple, Chairman
Cecil B. Walrath, Afifi Temple
Louis Chackes, Ainad Temple
Roger E. Murdock, Al Malaikah Temple
Arthur E. Armitage, Jr., Crescent Temple
Roy T. Reynolds, El Bekal Temple
Karl L. Friedrichs, Murat Temple

Imperial Sir, I therefore move the acceptance of the report and referral to the Committees on Jurisdictional Lines and Jurisprudence and Laws for proper implementation.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously.

I will now call upon Past Potentate Arthur E. Armitage, Sr., Chairman of the Committee on Jurisdictional Lines, to report on this same matter.

NOBLE ARTHUR E. ARMITAGE, SR.: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

The Jurisdictional Lines Committee, having met jointly with the Dispensations and Charters Committee, to consider the petition for a new Temple at Pensacola, Florida, to be known as Hadji Temple, recommends that the following twelve counties, in western Florida which are now a part of Morocco Temple's jurisdiction, shall become the exclusive jurisdiction of the said Hadji Temple.

Escambia, Santa Rosa, Okaloosa, Walton, Holmes, Washington, Bay, Jackson, Calhoun, Gulf, Liberty and Franklin.

Your Committee desires to commend Morocco Temple for their gracious attitude toward this new Temple, not only in relinquishing the territory involved, but also for the splendid cooperation given to the petitioners of the new Temple.

Respectfully submitted,

Imperial Sir, I move that this report be accepted and referred to the Committee on Jurisprudence and Laws for implementation.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is unanimously carried.

I refer these two Committee reports to the Committee on Jurisprudence and Laws for the preparation of an amendment outlining jurisdiction.

I will now again call on Past Potentate Warren Jones, Chairman of the Committee on Jurisprudence and Laws.

NOBLE WARREN JONES: Imperial Sir, Imperial Sirs: The Committee on Jurisprudence and Laws has anticipated the reference of the report of the Committee on Dispensations and Charters and of the Committee on Jurisdictional Lines and reports as follows: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

As authorized by Section 101.5 (a) of the By-Laws of the Iowa Corporation, this Committee has submitted and now reports upon a proposed amendment to Section 454.4 of the By-laws of the Iowa Corporation so that said Section shall read:

Section 454.4 MOROCCO TEMPLE

Has exclusive jurisdiction in the County of Duval and the remainder of the State except the Counties of Indian River, Martin, Dade, St. Lucie, Palm Beach, Broward, Monroe, Hillsboro Citrus, Hernando, Pasco, Pinellas, Polk, Manatee, Sarasota, DeSoto, Hardee, Highlands, Charlotte, Glades, Lee, Hendry, Collier, Brevard, Lake, Okeechobee, Orange, Osceola, Seminole, Sumter, Volusia, Escambia, Holmes, Calhoun, Santa Rosa, Washington, Gulf, Okaloosa, Bay, Liberty, Walton, Jackson and Franklin;

And by amending Article 54 of the By-laws of the Iowa Corporation by adding thereto a new Section to be designated as Section 454.6 reading as follows:

454.6 HADJI TEMPLE U.D.

Has exclusive jurisdiction over the Counties of Escambia, Holmes, Calhoun, Santa Rosa, Washington, Gulf, Okaloosa, Bay, Liberty, Walton, Jackson and Franklin;

And by amending Section 454.5 of the By-laws of the Caption thereof now reading "Araba Temple, U.D." by deleting therefrom the letters "U.D."

The Committee reports that the proposed amendments are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Elmer P. Bromley, Al Malaikah Temple
Walter S. Jeffries, Jr., Crescent Temple
Merwyn H. Brown, Kerak Temple
Robert J. Turley, Oleika Temple
William H. Knowlton, Tadmor Temple
Jacques H. Fox, Lu Lu Temple

Imperial Sir, it is a privilege and honor for me, as the Representative of Morocco Temple, to move the adoption of the three reports and the granting of a dispensation to Hadji Temple, Pensacola, Florida. (Applause)

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously and I congratulate these Nobles of the Pensacola area and now ask that the Representatives of Hadji Temple please come forward for the presentation of this dispensation.

(Whereupon, the Representatives approached the rostrum.)

IMPERIAL POTENTATE RUSH: We also have the Representatives present from Morocco Temple.

I am privileged to present to Noble J. B. Hopkins this Certificate of Dispensation for a new Temple to be known as Hadji Temple. I wish you wonderful success in all of your future endeavors. Godspeed.

(Presentation of Certificate and Applause.)

NOBLE J. B. HOPKINS: Imperial Sir, Imperial Sirs and Representatives and Nobles: We recognize, of course, the great task ahead of us and are sincerely grateful for the many courtesies shown by the Imperial Committee. I would be terribly remiss in the beginning of this responsibility if I did not say that without the splendid help and cooperation of Morocco Temple, that of their officers, Divan and several Potentates in the past, and particularly my good friend, Judge Warren Jones, we would not have this opportunity of trying to meet the challenge of being a successful Temple.

We pledge this to you – that we will work hard. Of course, it takes hard work. We will not demand success but we will deserve it.

Thank you very much. (Applause)

(Applause)

IMPERIAL POTENTATE RUSH: Congratulations again and my sincere best wishes.

The Chair recognizes Past Potentate Earl Sachse.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs and fellow Representatives: In your Call, on page 14, is a proposed amendment to the By-Laws which was introduced at the request of the Midwest Shrine Association. I met with that Association, all of their Representatives who are here, at breakfast on Tuesday morning, and they have requested your kind indulgence and permission to withdraw that amendment.

Accordingly, I move that this amendment be withdrawn from consideration at this time.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." The motion has carried unanimously.

I would now like to again call upon Arthur E. Armitage for any further reports of the Jurisdictional Lines Committee.

NOBLE ARTHUR E. ARMITAGE: Imperial Sir, Imperial Sirs and Members of the Imperial Council: In the Call for this Session, there were proposed amendments submitted by the Potentates of three Temples on the Pacific Coast, namely Islam, Afifi and Nile Temples, purporting to give them concurrent jurisdiction on the Far East.

Your Committee on Jurisdictional Lines met with about twenty-five Nobles of the respective Temples and also from Aloha Temple and went into this thing rather hurriedly. It was a very splendid and harmonious meeting.

Subsequent to that, the Potentates of the three Temples, namely Potentate Theodore Balliet of Islam Temple, Potentate George H. Salzer of Afifi Temple and Potentate Wharton Funk, of Nile Temple, have asked our Committee if we would propose that their proposed amendments be withdrawn in the interest of harmony in the Order.

I would therefore like to move they be permitted to withdraw these resolutions.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously.

I now again call on our Jurisprudence and Laws Committee for any additional proposed legislation.

The elected Representatives of the Temple also are subject to the limitations of Section 205.4.

So far as the members of this Committee can ascertain, the only substantial changes that would be effected by these proposed amendments are of language.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

NOBLE JACQUES H. FOX: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Section 330.2 of the By-laws of the Iowa Corporation, relating to Proceedings for the discipline of any Noble by a Temple, by the repeal of the existing Section 330.2 and the enactment of a new Section of the same number, relating to the same subject matter and reading as follows:

Section 330.2 PROCEDURE. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grivance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in

any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(6) Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If ⅔rds of the members present vote for his restoration, he is restored. If a less number than ⅔rds vote for restoration, he remains suspended, and is not permited to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

The foregoing proposed amendment, if adopted, would supersede the disciplinary procedural provisions adopted by the Imperial Council at its 1966 Session. The proponent of the present proposal notes that it does not change the existing law but is a renumbering and rearrangement of the present Section, having the purpose of setting forth the precise order in the procedure for the discipline of a Noble by a Temple.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

Imperial Sir, the Committee moves for the adoption of the amendment as presented.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Is there any discussion?

NOBLE LOUIS CHACKES: Imperial Sir, Imperial Sirs and Representatives of the Imperial Council: You know, a fellow puts in an awful lot of time trying to figure out what something is all about and then, on the other hand, I wind up and find a certain phrase that makes you feel like you have put in a lot of time that did not mean much when you are all through. Therefore, when this happens, you feel inclined to talk about it.

Now, they have this amendment which starts on page 17 and goes all the way through page 18, all the way over to page 19 and then all the way over to page 20 and almost through on page 21. It has numbers and letters and so on.

I sat down, took the numbers and the letters and I looked and tried to figure out what goes on here – where is the stinger? (Laughter) Well, after I am all through, I see that it merely says that this amendment doesn't change the existing law – it is a complete renumbering and rearrangement of the present Section. The purpose is to set forth the precise order in the procedure of the discipline of a Noble of a Temple.

Now, when I got through with that, I just took some of the letters such as a "small n," "small u," "small t" and "small s," which I found spelled the word "nuts." (Laughter)

Now, there is nothing about this that will change any procedure anywhere except that we may have to change a lot of books of law and change them all around. However, insofar as the law itself is concerned, there is no change which, in turn, means there is no necessity for it.

For that reason, Imperial Sir, I move that the matter be tabled.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: It has been moved and duly seconded that the motion be tabled. This is not debatable. Are you ready for the question?

All in favor indicate by saying "Aye;" opposed "No." It sounds like the "No's" had it that time.

I will let Past Potentate Earl Sachse, to the microphone.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs and fellow Representatives: As the author of this amendment, I appreciate the opportunity to defend what I have done.

As some of you may recall, I served on the Code Revision Committee for four years. Among other things, we attempted to clarify the Shrine Law by improving the numbering, the arrangement and otherwise clarifying the law which you as Temple Officers use all the time.

Now, there is nothing wrong with the present Section on procedure for discipline in the Temples excepting that the various Subsections are all mixed up and the things that have to be done regarding discipline do not occur in the Section in the order in which the Temple must do them.

Now, I submit to you that it isn't very nuts to get things in logical, systematic order so that a layman, as well as a lawyer can understand what is going on.

For that reason, I urge you to adopt this amendment. Normally this would have been taken care of under the usual powers of revision that are vested in every legislative body I know of. There are many state legislatures – Missouri, Wisconsin, Iowa, Minnesota and many others – that have statutory revisers who are authorized to do this kind of thing without the formality of an amendment. Now, in view of the fact that at the meeting two years ago in this very room an amendment was adopted, a motion to authorize the Code Revision Committee to do it and we did not get to finish the work at that session on legislation, last year, at San Francisco, it was ruled that the directive was no longer in effect. Therefore, the only way to accomplish this, fellow Representatives, was to submit it as an amendment.

I agree, it is long. I submit it doesn't make a change in the law but I do submit that it presents the law in a systematic, orderly way.

If you will look at your Call and see the way this is done – what happens before trial, what happens after trial, what happens on appeal, what happens on restoration – you will see that these four items are listed in systematic order and I submit that this is something which we as effective and efficient Representatives ought to desire in our By-laws.

Therefore, I would suggest adoption of the motion. (Applause)

NOBLE LOUIS CHACKES: That is what I wanted to hear, the facts.

I am not a lawyer, let's get that clear. That is the reason it took me a little while to get through this.

However, is there not one new thing in here? I have reference to Section (b), Number 2. May I direct this question to Earl?

It says here that the trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles; all witnesses who are not Nobles shall be sworn by an officer qualified to administer oaths.

Isn't that something new?

NOBLE EARL SACHSE: No.

May I call your attention to present Section (u) at page 64 of the By-laws.

It provides that the trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles; all witnesses who are not Nobles shall be sworn by ony officer qualified to administer oaths.

That is exactly the way it is in the amendment.

I submit to you this as proof, that the thing ought to be renumbered, because where does that appear – at the tail end of the Section. I believe it should appear up in the front, where it tells the Potentate and his Temple what they have to do. The trial committee selects a Chairman and, therefore, that is where it ought to be – in the front, where you can find it. (Applause)

NOBLE LOUIS CHACKES: Now, Imperial Sir, I started out by saying that this makes me all dizzy. Now, if you will permit me to say, as far as I am concerned, it doesn't make too much difference. I do enjoy myself occasionally. Thanks for the use of the microphone. (Applause)

IMPERIAL POTENTATE RUSH: All right, Nobles, you have heard the motion, which is to adopt the amendments, and which has been duly seconded. Is there further discussion?

If not, all in favor indicate by saying "Aye;" opposed "No." The motion is carried. (Laughter and applause.)

Are there further reports from the Jurisprudence and Laws Committee?

NOBLE WILLIAM H. KNOWLTON: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Subsection (a) of Section 327.3 of the By-laws of the Iowa Corporation, relating to the duties of Temple Recorders by adding thereto a new paragraph to be designated as Paragraph (14), and reading as follows:

Section 327.3(a)(14) Report and remit as required by Section 332.3(b), (d), (g) and (i), Section 332.4 and Section 332.5 (b) and (c).

The sponsor of the amendment notes that the proposed new paragraph incorporates references to additional Sections of the By-laws which impose specific duties on Temple Recorders.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is unanimously carried.

Noble Jones requests that Arthur E. Armitage, Sr., meet with him when we recess.

We have some more matters that cannot be taken up before lunch – that is, the proponents said they would not be able to do so. Also, inasmuch as I have three different luncheons which I promised to attend, I believe that we will recess at this time until two o'clock P.M.

(The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 11:50 A.M. to reconvene in the International Ballroom of the Washington Hilton Hotel at 2:00 P.M.)

AFTERNOON SESSION
THURSDAY, JULY 13, 1967
TWO O'CLOCK P.M.

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Thursday, July 13, 1967 at 2:00 P.M., Imperial Potentate Orville F. Rush presiding.

IMPERIAL POTENTATE RUSH: Will you please take your seats and come to order. We are reconvened for business. Non-Representatives please do not sit in the front next to the Representatives but go to the back part of the room.

We have a couple of announcements.

One of them is to the Potentate and Nobles of Muzak Temple. Noble Bill Barron has landed in Seattle, Washington from Vietnam and sends his regards. Of course, he is a member of that Temple and is with the United States Army.

As a matter of more Shrine public relations, you might be interested to know that arrangements were made with me today with the Voice of America to tape a half-hour program to be beamed all over the world – a half-hour program on the Shrine and its Hospitals – to be beamed all over the world. (Cheers and applause.)

Also, please remember that tomorrow morning, from nine o'clock until ten o'clock, Imperial Potentate-Elect Tom Seay wishes to talk to the Representatives and Potentates and Chief Rabbans and Recorders and members of the various Temples who are in attendance here. He welcomes all Nobles to this meeting, to be held between nine and ten o'clock tomorrow morning. Of course, we will have a regular meeting tomorrow morning. I will call the meeting to order at nine o'clock and then we will turn the meeting over to him for as much time as he needs. When he concludes, we will continue with the business, if we have any.

Someone also asked why the flags were not displayed and, frankly, this had not come to my notice until a while ago. The Imperial Captain of the Guard said he could not find the flags nor the stands and so that was the only reason. It wasn't for any other reason.

Now then, we will get on on with the business and I will again call upon Arthur Armitage, Sr., Chairman of the Jurisdictional Lines Committee, for any further report he might have.

NOBLE ARTHUR E. ARMITAGE, SR.: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to the Committee on Jurisdictional Lines, the proposed amendment to Section 328.2 of Article 28, Part III of our By-Laws, as submitted by Noble Roy R. Allsop, Potentate and Representative of Zembo Temple, which in effect, would, if adopted, do away with all jurisdictional lines for a period of one year, beginning with the adjournment of this 1967 Session of the Imperial Council.

In view of the fact that a hearing by this Committee, of the Temples involved, would include all of the members of this Imperial Council, we therefore submit the

proposed amendment to the Imperial Council without recommendation, after consideration by the Jurisprudence and Laws Committee.

Respectfully submitted,

Imperial Sir, I move that the report be received and referred to the Jurisprudence and Laws Committee.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" all opposed "No." It is carried unanimously and the report is now referred to the Jurisprudence and Laws Committee.

(Whereupon, the report was handed to Noble Warren Jones.)

NOBLE WARREN L. JONES: (Reading)

To The Imperial Council, A.A.O.N.M.S.:

There has been referred to your Committee on Jurisprudence and Laws a proposal amending Section 328.2 the By-laws of the Iowa Corporation, relating to Jurisdictional Lines by adding thereto a subsection to be designated as subsection (f) and reading as follows:

(f) The provisions of this Article 28, and of Articles 45 to 98, inclusive, relating to the territorial jurisdiction of Temples, shall be waived, suspended, and be inoperative during the period of one year beginning with the adjournment of the 1967 session of the Imperial Council.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Elmer P. Bromley
Merwyn H. Brown
Jacques H. Fox
Walter S. Jeffries, Jr.
William H. Knowlton
Robert J. Turley
Warren L. Jones, Chairman

Imperial Sir, I move the adoption of the report and, for the purpose and no other purpose than to bring the matter before the House, I move adoption of the amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded.

Now we are ready for any discussion if so desired.

NOBLE JIM SINGLEY: Imperial Sir, Imperial Sirs and fellow Representatives, I am Past Potentate Jim Singley of Hamasa Temple.

This is not the first time this particular piece of legislation has been proposed. It has been presented on several occasions in the past and has always been defeated.

However, I cannot return to my Temple without having gone on record concerning this legislation.

In the first place, when you first gave a Charter to each of the Temples we now have, you gave them definite territories. Further, this morning we created a new Temple and we likewise gave dispensation to another and gave them some territory, a Charter that had something that counted. It is kind of like holding a franchise for Coca Cola or some other product, where you have a territory that you are to work. This is a valuable property right and you gave that valuable property right to these Temples when you created them.

This is something you can go to the bank with when you go to finance a Temple building or something of that kind and use it in talking sense to a banker—telling him that you do have this exclusive territory to work in. You can likewise borrow money on it more or less. However, now you propose to take from those Temples that you have created the territory that they actually own.

Are you not trying to possibly take away from someone else something they have without due process? I believe you are taking something that belongs to somebody else.

Now, of course, you Potentates do have jurisdiction over your territory—you have something to say about what happens in that territory. We now have, I believe, approximately 170 Temples. However, by passing this resolution, you will have 170 Potentates with jurisdiction all over the world, including the territories that you own. Now then, if this isn't confusion, I don't know what is.

It reminds me of the story I heard in relation to the definition of the word "confusion" yesterday. In other words, "confusion" is when a woman puts on her brassiere backwards and it fits. (Laughter)

I think we are headed in that direction if this passes.

I cannot stress to you too strongly how dangerous is the direction in which you are headed.

In the past, we have had very delightful relations between Temples, neighboring Temples. Well, if this passes and the Potentate in that Temple can have the same jurisdiction you have in your territory, do you think you are going to invite him to invade your territory very often? It just will not work that way.

You will no longer have anything to say about who becomes a Shriner, even if he lives in your home town and cannot pass the tests in connection with your local Temple because, if this passes, every Potentate will have jurisdiction all over the world. (Applause)

I would like to suggest, and I am not trying to put anyone on the spot, that approximately ten years ago I asked a gentleman who was then aspiring to get on our Imperial Divan how he stood on this particular question of jurisdiction and we had a long discussion about it and out of that discussion came an idea. I am not here to tell you that there are not some spots in the country where we should do something about adjusting jurisdictional lines there. Also, I am not here to tell you that at the moment those Temples that are involved are just like hard-headed little boys and they are not going to do anything about it. However, we did make a study of membership here the other day. We had a report from a committee who studied it very seriously. I don't know that any study has ever been made of what could be done where these inequities exist.

One of the inequities that we have talked about for many years resulted in a brand new Temple this morning under dispensation. Some of the others may be handled the same way. However, I believe we should study these matters and when we do have inequitable situations we can very easily appoint a committee or commission near there, one without authority but having the commission go and propose to us what adjustments should be made in the particular spot.

However, I don't believe we should actually kill the dog just to cut off his tail. (Applause)

IMPERIAL POTENTATE RUSH: Thank you very much.

NOBLE ROY R. ALLSOP: Imperial Sir, Imperial Sirs and Imperial Representatives: I am Roy Allsop, Potentate of Zembo Temple.

First of all let me say that I respect every Noble and Representative of this Imperial Council but I want you to know why and how I became involved in this proposed legislation.

When we were on our way to Houston, Texas we were fortunate enough to board a plane at Baltimore, Maryland and aboard that plane were our friends from our Sister Temple at Trenton, New Jersey, including Past Potentate Arthur E. Armitage, Sr. I was going to Houston to learn something and so I asked Pappy, as we affectionately call him, whether or not he had anything to present under the subject matter now in discussion. He said, "No," because he wanted to present a paper without creating an argument at the educational seminar.

I asked him at that time if he would object if I were to say something at the Seminar regarding the subject when he presented his paper rather than ask a question. I asked of the Imperial Potentate permission to make a statement and I did. I don't remember whether I can present to you verbatim as to what I said but I am going to try. I asked and said this.

I indicated that I was absolutely against ever letting the bars down on prerequisites of the Shrine of North America but, by the same token, in regard to jurisdictional lines and our Brother Masons of quality, the men we desired, we could not get them into the Shrine because they would not necessarily join a Temple because of geographical reasons, family reasons or a friend. Further, I indicated that I would like to hear that matter discussed.

The Chairman of the Committee answered by saying this – he said that he believed that if this was done that the minimum number of additional Nobles for the Shrine of North America would be approximately 25,000. Now, of course, I don't know whether or not that is a true fact. Nobody has previously made a study of this. However, I think if you will think about this with me, you will see that this figure is not remote and since this has been discussed in my own area I have heard larger figures.

Now, after that discussion was over I began to realize that perhaps this might be another subject to come before this Imperial body in connection with the running of the Shrine of North America.

I respect everybody's opinion with regard to this. I don't want to hurt anybody but I am proud to wear the Red Fez of a Shriner and I think all other qualified Masons should have the same privilege.

Now, after this situation occured at Texas, I went up to one Noble, a very good friend of mine, and asked him about this. He indicated that he was afraid of what we might lose.

Now, I would like to ask you a question – How can you lose what you cannot get and have not been able to obtain? (Applause)

Now, yesterday, I believe it was, you heard the Imperial Potentate-Elect say that one thing that we needed was young men and he asked each of us to go out and get a Noble for this grand Order of ours. Then you also heard a statement made here this morning on this platform in connection with one of the committee reports regarding the same subject matter.

Nobles, I want to ask you a question. We are going to spend in 1967, to run this Order, approximately $31 million. I think these additional members are going to help us and I don't really believe in a twelve-month period that anybody is really going to get hurt.

You have not heard anything said about demits. I had one Noble come up to me and even try to tell me that this is what it was. However, it doesn't pertain to demits. It pertains to those men of quality whom you cannot get into your Temple now because they won't join with you either because of geographical factors, family or friends. Now, if we can increase the membership of our Order through this means, then I think we are doing a service.

Now then, I also want to tell you something else and I do mean this sincerely. I am proud to be a Shriner and I am proud to wear this Red Fez. Why? Because of what we stand for. I can now walk down the street and get this upper chest of mine out a

little further and up a little higher because I am proud of what we do in our Order. However, there are other Brother Masons who would also like to be with us and be just as proud. (Applause)

Now then, I would like to say one more thing and then I will get off of the podium because I do not want to interfere with the wonderful meeting we have had.

I want to congratulate the Imperial Potentate. I have been coming to these meetings for a long time and I can say that this has been the smoothest, the fastest and best meeting I have ever sat in. (Cheers and applause.)

As you think about this, there can be a change of thought, there can be modernization in thinking and I sincerely trust that we might do this for the good of the Shrine of North America.

I would also like to say that my Temple has nothing of material benefit to gain from this. Now, I would also like to say that if in my December Ceremonial I had three hundred and then I lost two hundred because of this that I would still be a happy Potentate. Think it over. (Applause)

NOBLE WINFIELD H. ADAM: Imperial Sir, Imperial Sirs, Imperial Representatives: We, for many years, have been most successful in keeping our Order down in membership. We have collectively worked hard and have done a superb job of keeping our membership down below the million figure which we are striving, we think, to achieve.

All of you, including myself, are responsible for this situation.

We talk about property rights, we talk about confusion, we talk about Coca Cola, we talk about commissions and studies. Well, we are in Washington and I can say that this is about all Washington does these days – is to make studies. Therefore, are we going to study this further?

I believe it was some ten years ago that this matter first came up and then it came up again at New York. We turned it down there also.

Talk about confusion, we are located in a six-mile corridor. A man that works in my office and who lives 125 feet from my office cannot wear the Ali Ghan Fez. A man who works across the street from my office lives five miles away in the opposite direction – he likewise cannot wear the Ali Ghan Fez. We have been successful in keeping our membership down.

Now, let us change our plans today and, in turn, I am sure we will be able to build our membership to one million literally overnight and we can do it if we think and act in a manner that we should this afternoon in this room.

Thank you very much. (Applause)

NOBLE J. Y. JORDON: Imperial Sir, Imperial Sirs and Imperial Representatives: I sincerely think that the form here is not proper. I think it needs clarification because, as I interpret the wording of it, it would simply let down the bars to every one of our 170-odd Temples.

Now, I had breakfast this morning and was seated next to one of our Representatives from Canada and, of course, in their area they cover extreme distances from the Temple site to the membership. We also have certain areas in our country where we have the same situation.

Therefore, it would seem to me that the most feasible and the most logical method of handling this would be to create perhaps a perimeter of so many miles from the location of the Temple and then, in turn, you would have order out of confusion. I think that if this were done that it might be workable and might, at the same time, help to preserve the integrity of the Temple itself and likewise increase its membership.

Now, I would suggest (and I am not making a motion) that this proposed amendment be amended by adding to it a proviso something along this line – that the proposed amendment be referred to the Jurisdictional Lines Committee or to a special study committee for their study and consideration and for such committee or committees to report back their findings and recommendations to the 1968 Session of this Imperial Council.

(Cries of "No.")

As I say, I am not offering this as an amendment – I am merely thinking out loud for your consideration because I do think it would be a grave mistake to adopt this

amendment in its present form. However, if you were to create a perimeter of some type, then I likewise think you would be able to bring order out of confusion.

Thank you very much. (Applause)

NOBLE LOUIS CHACKES: Imperial Sir, Imperial Sirs and Imperial Representatives to this Imperial Council: "My country 'tis of thee." (Laughter)

You know, nobody can disagree with anybody who says he wants to do something for the good of the Shrine of North America, which also means Mexico and Canada because they are likewise a part of our Order.

Frankly, I could have raised a point of order because the amendment as offered did not comply with the rules. The rule, I think, is 106.5 or something like that – 101.5. Now, I am going to take a little while here because this thing is something like the seven-year itch. It doesn't kill you but it does annoy you quite a good deal. (Laughter) Please don't get anxious and even if somebody calls for the question or something, I am going to stay here until I am through with this thing because it is of such great value to the Shrine of North America.

Somebody wanted to try something. I wrote here in my notes that this is like Switzerland trying to swap its coastline with that of Brazil. (Laughter)

Now, I come back to the previous paragraph I referred to, 101.5. In other words, this provides that a notice concerning a proposed amendment must be published in such form as to show the entire Section, sub-section or paragraph as the case may be, as it will read if the proposed amendment is adopted, with any changes in language italicized if new or if deleted.

In other words, this must follow the same provision as many of the other amendments that were offered and on which there is desired amendment of some kind.

Now, as I understand it, they want to amend Section 328.2, amend it by putting something in there which negates the entire Article. Now, in turn, you ought to know what you are tossing out of the window. Therefore, let's consider them separately because, after all, they should have been published.

Section 328.1 has to do with "Sovereign." It provides that each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

That is what it says. Do you want that taken out?

(Cries of "No.")

Now, Section 328.2 has to do with "Extent."

It first provides that unless otherwise determined in Part IV of the By-Laws, the territorial jurisdiction of each Temple extends in all direction to one-half the distance by direct line between itself and the nearest Temple.

Paragraph (b) indicates that in no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and all the other Temples affected.

Now, that will be tossed out because if they approve what they want to do, then they do not need any agreement.

The law provides that you cannot cross state lines and the moment you do cross a state line, then you are moving into another territory, something that belongs to some other Temple.

We say we are Supreme. Well, the Supreme here assigned that territory to those Temples and if they do not agree then that is something else. As had been indicated, there are many inequities but you don't solve an inequity with an inequity like this.

Paragraph (c) of this Article provides that Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

Here I would like to give a little example. Let us take, for example, New Jersey first. I remember when they came before the Imperial Council and offered their agreement. Here I have reference to Article Number 75 now, which concerns the Temples in New Jersey. Now, if this amendment is adopted, all of this goes out the window.

I would like to tell you that Article Number 75 applies to the assignment of territories for the Temples in New Jersey. For example, Section 475.1 pertains to Crescent Temple. For example, this Temple has exclusive jurisdiction over that territory south

of a line beginning with Seaside Park and the Village of Toms River; thence along the southerly bank of the Toms River to the Monmouth County line; thence northwesterly across Monmouth County to the town of Etra in Mercer County; thence along the northerly line of Mercer County to the junction of Somerset, Mercer and Hunterton Counties; thence due west to the Delaware River; except that Salaam Temple may accept for membership all members of Newark Consistory residing anywhere in the State of New Jersey without securing a waiver from Crescent Temple.

It further provides that Crescent Temple has concurrent jurisdiction with Salaam Temple over that territory between the lines of exclusive jurisdiction and the southern boundary lines of Union County, Morris County and Sussex County.

It also provides that Crescent Temple may accept for memberhip all members of Trenton Consistory residing anywhere in the State of New Jersey, without securing waivers from Salaam Temple.

Then, Section 475.2 with regard to Salaam Temple, indicate that it has exclusive jurisdiction over the Counties of Bergen, Essex, Hudson, Morris, Passaic, Sussex and Union, except that Crescent Temple may accept for membership all members of Trenton Consistory residing anywhere in the State of New Jersey without securing waivers from Salaam Temple.

It also provides for concurrent jurisdiction with Crescent Temple between the southern boundary lines of Sussex, Morris and Union Counties, and the exclusive jurisdiction of Crescent Temple.

Further, Salaam Temple may accept for membership all members of Newark Consistory residing anywhere in the State of New Jersey without securing a waiver from Crescent Temple.

Now, that was set up in a pretty thorough manner. In other words, the people who had been assigned the State of New Jersey, these two Temples, got together, made up a division and, as you can see from the wording, much time must have been spent on this type of agreement. They then, in turn, brought the agreement to the Imperial Council, the Imperial Council studied it and backed them up and said "Amen, we agree, that is the law."

Now, along comes somebody here and wants to throw all that out. Nuts. (Laughter) That is what New Jersey wanted. Bless them, let them keep it. I don't want anybody to interfere with them.

I would like to tell you what happens in our State, the State of Illinois. We have some very prominent people from Illinois. I would like to refer you to Article Number 58 which has to do with the Temples in Illinois.

For example, Ainad Temple has exclusive jurisdiction in St. Clair County; concurrent jurisdiction throughout the State with Medinah, Ansar, Mohammed and Tebala Temples.

Ansar Temple has exclusive jurisdiction in Sangamon County and concurrent jurisdiction throughout the State with Ainad, Medinah, Mohammed and Tebala Temples.

Medinah Temple has exclusive jurisdiction in Cook County and concurrent jurisdiction throughout the State with Mohammed, Ansar, Tebala and Ainad Temples.

Mohammed Temple has exclusive jurisdiction in Peoria County and concurrent jurisdiction throughout the State with Medinah, Ansar, Tebala and Ainad Temples

Tebala Temple has exclusive jurisdiction in Winnebago County and concurrent jurisdiction throughout the State with Medinah, Ansar, Mohammed and Ainad Temple.

Now, when you are all through, according to this amendment, we will not have jurisdiction in a city or county in which our Temples are located. How do you like those apples. (Laughter and applause.)

Now, for example, this year, by the time it is over, we will have had five or six Ceremonials in which more than two Temples of ours will combine. There are four Temples at some places and three Temples at another. We are getting along – we are doing all right and we do not want to be wiped out in connection with some jam which somebody else has with some Temple who does not want to give them a piece of territory. We do not want destruction of our present procedure.

(The question was severally called for.)

Gentlemen, I am afraid it will be a long time before you get to that point.

Now, I want to call to your attention some other Articles in the Code. I would like to refer you to Section 323.4 pertaining to "Residence." This provides that a petitioner must be an actual resident for at least six months in the jurisdiction of the Temple to which he applies. This is now the law and you cannot negate it but this is what is attempting to be done.

It further provides that actual residence is defined as the place where the applicant in good faith makes his home.

Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple and then it also indicates that any member of the Armed Forces or diplomatic service of the United States, Canada or Mexico may petition any Temple within the jurisdiction of which he may be at the time stationed without reference to his actual place of residence, and thereupon, after election, may be initiated by and become a member of the Temple.

Now, are we going to toss that provision out of the window? They don't say so. However, how are you going to resolve the conflict between Article Number 23 and the others that they want to wipe out?

Continuing, Section 323.6 provides that a Temple may not initiate or obligate a candidate except at a stated meeting or Ceremonial Session, unless a special dispensation is granted by the Imperial Potentate.

(The question was severally called for.)

You know, some of you keep calling for the question. Of course, I know you are there but I am going to pay no attention because I intend to go through with this. This is too important and must be heard all the way.

I would like to call your attention to Section 328.3 which applies to change in jurisdictional lines. It provides, for example, that application for the estabishment or change of jurisdictional line must be filed with the Imperial Recorder at least sixty days prior to the Annual Session of the Imperial Council. Further, the Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

Now, that is not interfering with anybody that I know of. It is a good law and should be in there. However, if you decide to adopt this change, then that particular Article also goes out, at least for a year.

Section 328.3 also has a paragraph (d) reading:

"By appropriate amendment to Part IV of these By-Laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so."

Now, Section 328.4 covers waivers.

It indicates that a Temple may not act upon a petition for initiation of anyone residing within the exclusive jurisdiction of another Temple without first obtaining a waiver from that Temple. That likewise is too important to be waived out. This does away with the right of a Temple to grant a waiver. According to this law, they don't need it, "we will take you in, it doesn't make any difference where you live." They say, "We will come to get you with a taxi, honey." (Laughter)

Section 328.6 provides as to where a petitioner must apply.

In other words, it indicates that a petitioner actually residing within a Temple jurisdiction may not petition elsewhere for initiation without a waiver from the Temple. This is the law and, of course, you just cannot dismiss it by a simple motion here. This was not stated in the Call.

Section 328.7 provides for where Temples may hold Ceremonials. Now, according to the system you have here, you can go riding around and hold Ceremonials almost anywhere. In fact, you can have a riding caravan come to any town between, let us say, nine-thirty and ten o'clock and urge all interested to join and they will initiate them.

Section 328.8 refers to affiliation by demit. This also would be jeopardized.

Let me give you another example. You know, they were talking about confusion. Well, I would say that under the system they are trying to impose upon us we will all become knights of oblivion and the Central Office will be in pandemonium.

This is not the way to do it because, in so doing, you will render all this destruction, the walls will be down, the lines will be down, people will be roaming and there will be other possibilities of breakdown here.

By the way, I note we have a stenotypist up there taking this. Well, the only thing I would say here is that as I go along I waive consecutive translation. (Laughter)

The people proposing this seem to take the attitude that "What is mine is mine, what is yours is subject to debate." Well, I say that what belongs to an individual Temple belongs to it unless, by its consent, it decides to waive. Further, when you give up consent, roll up the flags, my friends.

Our government was created by consent. Laws are created by consent. Agreements are created by consent and you don't get consent by sticking a thumb against the other fellow's Adam's apple and saying, "Do you consent?"

Article Number 37 has to do with Shrine Clubs.

A Shrine Club is under the control of the Temple having exclusive jurisdiction of the territory in which the Shrine Club is located. When you wipe out, as you are trying to do, all lines, then there is no Temple that has exclusive jurisdiction over any Shrine Club. The Shrine Club, in turn, has lost its father and it is a sort of dastardly deed. (Laughter)

Another thing that they want to do is to make the law, as I gather it, "inoperative" for a year. Now, inoperative means that you are not working and, therefore, do you go down and collect for being out of work? Shrine Clubs, all of the territorial jurisdictions and everything else will be "inoperative." You have no territory, it's not yours.

The very thought of all of this is so blooming ridiculous that I cannot see how they can attempt to do something so all-inclusive toward the wrong goal.

I am not unaware of the fact that there are a lot of places that should yield. I will agree with that. Maybe there are some fellows who can make other people listen to reason. I am inclined to agree that somebody ought to yield but you cannot do it by making them unfriendly, let me say that.

Insofar as getting along is concerned, I can say that there are no two Temples that have ever gotten along more beautifully than the two in our area. We are on both sides of the Mighty Mississippi. In fact, I live on the Missouri side. I used to live on the other side and attended the Temple there at that time. Of course, that was the sensible thing to do. In our case, when there are parades, they are held jointly; when anything goes on, it is a joint affair. In our case, we have no trouble. We want to be left alone and we don't want anybody else to be interfered with either.

As was indicated, I am on the Committee on Charters and Dispensations. As you know, we gave out the other day both a charter and dispensation and we gave these Temples certain territories.

Now we also come to Article Number 30 which has to do with discipline by a Temple.

A Noble is subect to discipline by the Temple of which he is a member or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

You take into your Temple some fellow who is far removed from where he really lives and then he causes you some trouble, you will find that you will get in the darndest mess with regard to trying to clear it up. Jurisdiction must be defined.

I have spent my life in Shrinedom and I love it and I live it and the thing that has made us great is that we have the art of getting along.

I don't know, but I am looking at the various Fezes being worn here, looking at these faces. In fact, I have seen some of these same faces here for forty-three years and somehow, during all these meetings, we have gotten together and said "Hold that line, hold that line, hold that line." Therefore, I would like to close now by saying, let's hold the lines the way they are and amend the laws when they should be amended and in a way prescribed by law.

Thank you very much. (Applause)

IMPERIAL POTENTATE RUSH: Winfield Adam, Past Potentate of Ali Ghan Temple, requests permission to return to the podium.

NOBLE WINFIELD H. ADAM: Imperial Sir and Imperial Sir, I was most impressed with the presentation we have just heard. (Applause)

I am thankful that I am not a patient seeking admission to one of our Hospitals and I had to go through it item for item, sentence for sentence before I could be admitted to a bed for medical attention. Thank goodness we don't have that system. Let's grow and increase our membership. (Applause)

(The question was again severally called for.)

IMPERIAL POTENTATE RUSH: I will recognize the Potentate from Rameses Temple, W. S. Wright.

NOBLE W. STANLEY WRIGHT: Imperial Sir, Imperial Sirs and fellow Representatives: I have listened with much attention to the previous speakers.

Referring back to the remarks of one of the earlier speakers, he mentioned that family connections prevented a Brother Mason from joining the Shrine. Well, jurisdictional lines will not help this. He also spoke of being proud of the Red Fez. Well, he is really proud of the things that the Red Fez stands for. This is what we should be selling and not changing jurisdictional lines.

I come from Canada and, as you all know, we have the longest border between any two countries, in connection with which we do not jeopardize each other's friendship and where we also have free passage back and forth. We think that is a wonderful situation. (Cheer and applause)

Certainly, from the viewpoint of my Temple, I would not want to see this jeopardized in any way by removing jurisdictional lines. If they happen to be wrong, then I would suggest we correct them through the proper channels and not drop all of this and approve this amendment.

I would like to go on record as being against the motion to adopt this amendment. (Cheers and applause.)

IMPERIAL POTENTATE RUSH: I now recognize Past Potentate Max Speizman of Irem Temple.

NOBLE MAX SPEIZMAN: Imperial Sir, Imperial Sirs and Representatives: I think this entire discussion is getting somewhat out of hand. I believe everyone has made up their mind as to how they feel about it.

Personally, I believe there is a certain element of fear present in voing for this. Isn't it a strange thing – every man in this room believes in the hereafter and the glory of the hereafter and the wonderful life of the hereafter but nobody wants to die. This involves a fear of the unknown.

As you will recall, this proposition called for one year and one year only and, with regard to the other elements involved, this House can go on record as observing each and every one in the breach for one year. I believe we have had enough discussion and, Imperial Sir, I move the previous question in order to bring this to a vote.

(Cheers and applause.)

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion and the second. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor of the motion indicate by saying "Aye;" all opposed "No." It is lost because it requires a two-thirds majority for passage. (Applause)

I will now ask the Jurisprudence and Laws Committee if they have anything else to report?

NOBLE WARREN L. JONES: Imperial Sir, the table of the Jurisprudence and Laws Committee is clear.

IMPERIAL POTENTATE RUSH: Nobles, last year at the San Francisco Session there was a special resolution with regard to the appointment of a Special DeMolay Study Committee. I appointed that Committee of five Representatives at the time. I ap-

pointed Deputy Imperial Potentate Tom Seay as Chairman. Tom, are you now ready for your report?

IMPERIAL POTENTATE-ELECT SEAY: It is wonderful to be here.

You know, one thing Lou didn't mention is Medinah Temple. I might say that our Jurisdictional Line is Cook County. We have no quarrel in Cook County. (Laughter)

Imperial Sir, Imperial Sirs and fellow Representatives: The Imperial Shrine Committee on DeMolay met with the Grand Master of DeMolay, William A. Hensley on July 10, 1967.

There were present at that meeting the following:

William A. Hensley, General Master of DeMolay and Past Potentate of Akdar Temple.

William Peele of Kena Temple.

William Anglemoyer, Potentate, LuLu Temple.

Palmer D. Burde, Past Potentate, Salaam Temple.

The following recommendations were made:

In view of the shortage of leaders and advisers, it was recommended that adults should be recruited to develop leadership for DeMolay Chapters. These adults must be Master Masons. This program will cost approximately $200,000 per year.

Regarding the disposition of funds – all business must be conducted at the Kansas City Offices. Funds are necessary to carry on the work of DeMolay. In addition to the Shrine contributions, the Northern and Southern Scottish Rite Jurisdictions contributed $10,000 each. Other funds are derived from new members ($10) upon their initiation. Executive officers serve at their own expense. Imperial Sir George Saunders has been serving the Kansas City Office without remuneration.

It was further suggested that liaison work be improved between member Temples of the Shrine, DeMolay Office in Kansas City and the Imperial Shrine DeMolay Committee.

It was also suggested to record all those Temples making any notable contribution towards DeMolay, whether it be in the form of funds, equipment, leadership, scholarship, etc.

It is resolved that the above recommendations be made and approved by this Imperial Council Session and that the sum of $10,000 be appropriated for this purpose.

This report is signed by Committee members, Nobles Burde, Peele, Anglemoyer and by your Chairman.

Imperial Sir, I move the adoption of this resolution.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

Imperial Sir, I move the adoption of this resolution.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Is there any discussion?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously. (Applause)

Nobles, as you know, we have a night parade this evening and we have to prepare for it. The only remaining business that we have are the two usual tail-end resolutions, the Installation of Imperial Officers, the announcement of standing committees and the close of the Session. This, of course, will all come after the previously mentioned meeting with Imperial Sir Tom Seay between nine and ten o'clock tomorrow morning.

Now, I understand that we have not as yet had the report of the Mileage and Per Diem Committee, which is rather important. Therefore, I will now recognize the Chairman, Fred Bryant of Oleika Temple, for the purpose of rendering that report.

NOBLE FRED BRYANT: Imperial Sir, Imperial Sirs and fellow Delegates: I think I will establish some kind of record in that this is my twenty-fourth meeting and this is my first time up here. I don't know that I can go through twenty-four more years after today. (Laughter) (Reading)

To The Imperial Potentate and Officers And Members Of The Imperial Council:

As provided in Article 5, Section 205.1, 205.2 and 205.5 of the By-Laws and Code of the Imperial Council, your Committee on Milegae and Per Diem, in keeping with the law, recommends for those entitled to receive pay, twenty-five cents (25¢) per mile one way by the shortest route available from the location of their Temples to Washington, D. C. as compiled by the Association of Railroads' short line routes, and per diem expenses at the rate of Thirty-five Dollars ($35.00) for each day of the four days' attendance at the Ninety-Third Annual Session of the Imperial Council.

All members of the Committee on Jurisprudence and Laws shall receive Thirty-five Dollars ($35.00) per day for three (3) extra days. All members of the Committee on Finance and Accounts shall receive Thirty-Five Dollars ($35.00) per day for three (3) extra days. All members of the Committee on Dispensations and Charters shall receive Thirty-five Dollars ($35.00) per day for three (3) extra days. All members of the Committee on Jurisdictional Lines shall receive Thirty-five Dollars per day for three (3) extra days. All members of the Committee on Grievances and Appeals shall receive Thirty-five Dollars ($35.00) per day for two (2) extra days.

Your Committee recommends the adoption of this report.

Respectfully submitted,

Imperial Sir, I move you the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Is there any discussion?

NOBLE JOHN B. VESEY: Imperial Sir, before you put that motion, let me say that the Grievances and Appeals Committee were required to be here for a meeting at ten o'clock on Sunday. This meant that they had to get here on Saturday and, therefore, they should have two days.

IMPERIAL POTENTATE RUSH: That is satisfactory with me.

NOBLE LOUIS CHACKES: If that happens, let me add that we were to be in a meeting in connection with dispensations and charters and, therefore, we also had to be here one day ahead of time. (Laughter)

IMPERIAL POTENTATE RUSH: Are there any objections to the Committee changing these? I think it is only fair.

The amendment would be that Dispensation is three extra days, Jurisdictional Lines three extra days and the Grievances and Appeal two extra day. Is that correct? We will consider that a part of the motion to adopt.

I should also advise you that our Imperial Treasurer desired me to advise you that the checks have already been in process in accordance with the original report. However, that is all right, you will receive your extra checks. Are you ready for the question?

All in favor of the motion as changed indicate by saying "Aye;" opposed "No." It is carried unanimously. (Laughter)

(Here follows the complete as amended Mileage and Per Diem report.)

(The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 3:35 P.M. to reconvene at 9:00 A.M., Friday, July 14, 1967 in the International Ballroom of the Washington Hilton Hotel, Washington, D. C.)

MORNING SESSION
FRIDAY, JULY 14, 1967
NINE O'CLOCK A.M.

The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the International Ballroom of the Washington Hilton Hotel, Washington, D. C., Friday, July 14, 1967 at 9:00 A.M., Imperial Potentate Orville F. Rush presiding.

IMPERIAL POTENTATE RUSH: Please be seated. I would like to call the meeting to order.

I would like to now call on our Imperial Chaplain, Woodrow Wilson Hayzlett, to invoke the blessing of Diety.

REVEREND WOODROW WILSON HAYZLETT: As Moses turned aside and beheld the burning bush and heard the Voice saying, "This is holy ground" and beheld his Maker, we even this hour realize that we have been blessed by the presence of Him who came that we might have greater life; for receiving through this entire week the blessings of sunshine and of rain, of wind and of good hospitality.

We are now bringing to a close another session of this Imperial Council. We thank Thee for what you have meant to us during this week. The past is now a part of history and, O God, we must live for the tomorrows that beckon to us, that challenge us.

May we have the fortitude and the faith to reach out our hands and be led by Thee and in this session this morning may Thy spirit pave the way for great things to come to Shrinedom, in the name of the Supreme Architect of the Universe. Amen.

IMPERIAL POTENTATE RUSH: Thank you, Imperial Sir.

Now then, would you like to make an announcement?

REVEREND WOODROW WILSON HAYZLETT: Imperial Sir. Imperial Sirs and Imperial Representatives: Most of you may recall that back in November I wrote you a letter asking for information pertaining to the name and the denominational affiliation of your man that you were going to appoint as Chaplains of your Temple for the new year and, further, that when you had this, that you would budget sufficient funds to bring him to this Imperial Session. We had thought in terms of planning for him an open assignment here in the Nation's Capitol on Sunday.

Over a hundred of you answered my letter and we have had a good number of contacts with those of you who had clergymen as Chaplains in connection with these men who were assigned to pulpits here in Washington and the Washington area last Sunday.

We felt that through this means we could do something about the image that a good many people have about we Shriners. In other words, they think that all we are interested in is in drinking and raising Hell. (Laughter) However, I wanted them to see that there was another side to Shrinedom, one that I found out about during all these years that I have been a Shriner and have been in fellowship with wonderful Nobles like you.

I hope that we will be able to know in the future that the old proverb "Great oaks from little acorns grow" will be true in relation to this project that I inaugurated

this year and that next year in Chicago and in succeeding years down across the time to come, we might have more and more of our Chaplains from the local Temples across the Nation representing Shrinedom coming to the Convention Cities and standing in pulpits of the churches of their denomination and lifting up the name of the God in whom we all trust.

May I recommend that you go back to your Temples then and make all possible arrangements for your Chaplains to accompany your Units to Chicago and to Seattle and other places in the years ahead.

Now, many of you have also indicated that you might desire to have copies of the sermon that I delivered at Arlington National Cemetery last Sunday and, of course, I am very grateful for this. Might I say that in all my years of preaching I have never had people clap during the sermon. (Laughter) However, I guess that was your way of saying "Amen." Now, I want you to have a copy of this sermon. It will be available for you here on this platform and you will be able to obtain a copy of it before you leave this room today.

Thank you one and all. I pray God's blessings upon you as you return to your homes and let's keep the fires of Shrinedom burning that we may play that others may walk.

Thank you. (Rising applause.)

IMPERIAL POTENTATE RUSH: Thank you very much. You have done a magnificent job and I publicly commend you. I am delighted that you received applause here this morning. Of course, the applause during the sermon was a little bit off-tack to say the least. (Laughter)

I shall now give the next few moments to our Imperial Potentate-Elect, Thomas F. Seay.

IMPERIAL POTENTATE-ELECT SEAY: Imperial Sir, Sirs, Representatives of the Ninety-Third Imperial Council Session: Last Wednesday morning, as you know, you put me right on the spot because I have to follow an outstanding Shriner, an outstanding Mason, an individual who, last year, did an outstanding job and, of course, following me is an outstanding Shriner and Mason who I have worked with for some ten years.

Therefore, for me to live up to the accomplishments of the Past Imperial Potentate, particularly these two men, I need your support and help. I can only do good work in connection with our Hospitals, Burns Centers and charities with the support and help of all Nobles in North America.

Shrinedom has meant more to me than just another organization. Shrinedom's charities are one of the greatest in the world and I am proud to be a part of them.

Several years ago, the Representatives of this Imperial Council delivered to me what I consider to be a sacred trust by the casting of their ballots that elected me to the office of Imperial Outer Guard. On Wednesday, in this beautiful International Ballroom, this distinguished body of Representatives in formal session assembled, accorded me the highest honor that a Noble of the Mystic Shrine can achieve when you elected me to serve this splendid Order as Imperial Potentate for the next twelve months.

When you consider the size and scope of our Fraternal Order and the magnitude of our philanthropy, then this becomes an awesome responsibility indeed for any man.

The sacred trust delivered into my hands some eight years ago has become ever more meaningful as each passing year of service on the Imperial Divan provided me with more insight into the affairs of our organization and, therefore, with the knowledge and guidance of those who have gone this way before, as we stand on the threshold of a new Shrine year, there are many things that come to mind as we look ahead.

The first thought goes back to that old show bit – that I have a very difficult act to follow. I have worked with Orville Rush and the Imperial Divan for nine years and we have been especially close in our liaison and cooperation during his year as Imperial Potentate and, for this, I am most grateful because the transition from one administration to the other should be smooth and orderly and, certainly, in the best interests of our Order in general, and I am sure that it will be.

I likewise pledge this same type of cooperation and close liaison to our new Deputy Imperial Potentate, Chester Hogan, and I pledge to you and to the subordinate bodies

of Masonry that I will do everything in my power to create and maintain better relations with the different bodies.

Maybe we do have growing pains in our philanthropy and in our Shrine but, on the other hand, this is not a handicap – this is an asset. We in Shrinedom and Masonry should not take a defeatist attitude. For example, I hear some of the Masons in the Blue Lodges saying that they are losing membership. Well, while this may have happened in some states, on the other hand, other states have gained in membership Therefore, it is up to you and to every Noble in North America to support your Blue Lodges. We are, after all, all Blue Lodge Masons and you Potentates in your Temples can do more than the average citizen to support and help promote Blue Lodge Masonry.

Masonry is not a religion – it is a philosophy to live by. You and I have the greatest commodity on the face of the earth to sell – that of brotherly love. We have some 800,000 or more sleeping Nobles in North America who are Nobles merely for the privilege of being able to wear the pin. It is, of course, an honor to wear that pin but, on the other hand, these Nobles should be alerted to what is happening to your country and to my country – that if this country or Nation of ours stands, Brother Masons, it will be because of the Masonic Order. I am sincere when I say that.

I don't believe today there would have been an England if it hadn't been for the Masonic Order which we are celebrating there the 250th Anniversary of today.

Therefore I say to you, Nobles, we are not taking a defeatist attitude – we are going forward. Shrinedom is going to continue to grow. Our Hospitals are going to grow, Masonry is going to grow.

We do have to have defeats at times in order to help wake us up. We have to have defeats sometimes in our own government in order to help wake us up and I think that the American people are beginning to wake up.

Now, when it comes to you Nobles in North America, comes to you Nobles in communities all over the United States, it is your duty as American citizens and as a Noble and Mason to take interest in the political affairs, the social affairs of your community, both locally and nationally. You will be a better man and Mason if you do. This is true regardless of what your political affiliations may be.

Nobles, I hope that I can face you at this time next year and indicate to you that I have done the best that I knew how to do and that we are on the road to bigger and better Shrinedom.

Thank you very much. (Rising applause.)

IMPERIAL POTENTATE RUSH: Tom, that was very nice and I know that you will do a splendid job as our titular leader and as Chairman of the Board of Directors of the Shriners Hospitals for Crippled Children.

To reiterate, you certainly shall have my support and I shall be delighted to work with you at all times during the coming year.

I do wish to thank all of the committeemen whom I appointed during the past year. The tasks to which you were assigned were carried out splendidly. You displayed a true Shrine cooperative spirit and you worked for the good of the Order and I shall always be extremely grateful to each of you.

It has been nice serving with you and visiting in your respective Oasis. I have always enoyed unexcelled hospitality during my year and this is something I shall always cherish.

We do not have much remaining until we get into the Installation Ceremonies. I believe we took care of all of our committee reports yesterday.

I am now open for a resolution approving and ratifying all the acts and transactions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year and at this Session.

(Whereupon, the resolution was severally moved and severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been seconded. Are you ready for the question?

All in favor indicate by saying "Aye;" opposed "No." It is carried unanimously.

Now, is there any other business to come before this Imperial Council Session before the Installation of the Officers? If not, we will now begin the Installation Ceremonies. God bless all of you.

(Sustained rising applause ensued.)

IMPERIAL POTENTATE RUSH: Thank you very much, Nobles, from the bottom of a most grateful heart.

Past Imperial Potentate, O. Carlyle Brock will conduct the Installation Ceremonies.

(Past Imperial Potentate O. Carlyle Brock now presiding.)

PAST IMPERIAL POTENTATE BROCK: I will first ask Bill Woodfield to come forward and act as Imperial Marshal.

Nobles, you see before you those whom you have elected to guide the destinies of this great assembly during the coming year.

I will now ask all of the newly-elected Officers, in accordance with the By-Laws, to say, "I," pronounce their name in full, and repeat after me as follows:

(The Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate Brock.)

PAST IMPERIAL POTENTATE BROCK: I will now ask Imperial Sir, Tom, to step forward here.

(The Imperial Potentate-Elect, Tom Seay assumed the obligation of office conferred by Past Imperial Potentate Brock.)

PAST IMPERIAL POTENTATE BROCK: Now, I would like to address my remarks to the newly-elected member of this Imperial Divan, Peter Val Preda.

I would like to take each and every one by the hand and extoll your virtues and thank you for your gracious friendship extended to me throughout the years but time will not permit this.

However, to you, Peter, in behalf of your Imperial Potentate and Nobles here assembled, I welcome you as a member of both of these great governing bodies. You are now entering upon a new phase of life, one of the greatest that it will ever be your privilege to experience. Here before you you will observe four dozen brothers and sisters who will be a real part of your family thoughout your life, and you will find also in the ranks of the Past Imperial Potentates and your brothers and their ladies, who will also be your brothers and sisters, individuals who will give of their love and affection in a manner that you have never here before experienced.

You are welcome, thrice welcome, I assure you, and may Godspeed be with you in every waking hour, blessing you with good health and prosperity and abundance, and may you be overjoyed each year (as it has been my privilege to be) as you march upward through the ranks of the Imperial Officers and eventually reach the highest post which it is within the power of any Noble to attain.

Welcome Peter. (Applause)

And now, Imperial Sir, Tom, during this year, like the actor upon a stage, you have now emerged from the wings to play your act, not only before 800,000 Nobles but before 4.5 million Masons and the entire populace of this Continent and the world.

In the unseen audience are two giants and a little child. The two giants represent "applause" and "hisses;" the little child "silence." You will receive applause in abundance but I hope and pray that the criticism will be minimum and that silence, like the little child, will be a blessing.

May you and your lovely Ruth enjoy the love and affection of all the Nobles and their ladies and the Masons of this Continent.

I am sure you will serve us well and as I look back upon "This Is Your Life," a true Horatio Alger story, I find that you truly bring that greatness not only to yourself but to the Shrine of North America but to the freedom of a free people on the Continent of North America.

God bless you, Tom. (Applause)

(At this point, Reverend Timothy Reeves, presented himself on the platform and was, in turn, given the obligation of office by Past Imperial Potentate Brock.)

PAST IMPERIAL POTENTATE BROCK: Now then, do all of the rest of you Imperial Officers swear to the Oath which has just been enunciated?

(Cries of "I do.")

PAST IMPERIAL POTENTATE BROCK: You are duly elected and by virtue of the authority on me imposed, I now declare the Officers of the Imperial Council of the Shrine of North America duly elected and installed.

Nobles of the Mystic Shrine, behold your Imperial Potentate; Imperial Potentate, behold your Nobles and God bless you.

(Whereupon, the gavel was tendered to Imperial Potentate Thomas F. Seay.) (Rising applause.)

IMPERIAL POTENTATE SEAY: Representatives and Nobles, I will always be grateful for the trust and confidence that you have placed in me. I will do everything possible, as I have indicated to you previously, to work with the Imperial Divan that you have just installed. You have one of the greatest Imperial Divans in the history of Shrinedom. They are all hard workers and dedicated Masons and Nobles and that, of course, is what we require – more dedicated men.

Again, I wish to thank all of you Nobles for what you have done in the past and I am sure that during the coming year I will likewise have your complete cooperation. (Applause)

Nobles, it is always the privilege of the Imperial Potentate to make appointments for the ensuing year. Of course, this is one of the biggest problems that an Imperial Potentate has and I have found this to be so. There are many good Nobles on committees now whom you hate to remove and then, on the other hand, there are also many outstanding Nobles in North America whom you feel should be given an opportunity to indicate their ability.

Now, this morning I am not going to announce the entire committees because I am still working on some of them. However, I will give you the appointments in relation to the first five committees.

There are two of these appointments that need the approval of the Imperial Divan. One of them is the General Legal Counsel and the other is the Auditor.

I take pleasure in appointing as General Legal Counsel a man that I have known for many years. He has been a Mason for many years and was just elected a Thirty-Third Degree Mason.

He is a practicing attorney, an individual who has had a lot of experience. In fact, his specialty is probate and tax work.

Therefore, it is my pleasure to have the opportunity of appointing George William Sullivan as General Counsel. (Applause)

Our Auditor, Arthur Upleger, of Karem Temple, has served us for many years and his company has done an outstanding job. In fact, I have never asked them for anything that they did not come up with the answer to. They have been our Auditors for many years.

The job of auditing, of course, is a big job and, therefore, I take pleasure in appointing Arthur C. Upleger as Auditor for the Iowa and Colorado Corporations. (Applause)

Of course, you just met Timothy Reeves. He was a little late. However, I think he was in church praying for all of us and that is why he is late. Nevertheless, he is my appointment for Imperial Chaplain for the coming year.

The only things I can say about Timothy Reeves are good things. In fact, he has been wonderful to my family and when my wife had her heart attack, Timothy Reeves was the second person there and he was there every day during her crisis. Therefore, with his appointment, I feel that we will be in good hands. Timothy, we all need your prayers. (Applause)

In relation to the Jurisprudence and Laws Committee, as Chairman of this Committee, I am appointing an individual who has proven his ability. This gentleman has been on the Jurisprudence and Laws Committee. I have worked with him and I know of his capability. I believe you have to work with a man in order to know his capabilities. He is now Advisory Legal Counsel to the Governor of the State of Pennsylvania – Jacques H. Fox, Lu Lu Temple. (Applause)

On his Committee will be: Elmer P. Bromley, Al Malaikah Temple; Walter S. Jeffries, Jr., Crescent Temple; William H. Knowlton, Tadmor Temple; John D. Cochran, Afifi Temple; J. Edgar Bowron, Zamora Temple and Warren L. Jones of Morocco Temple.

Dispensations and Charters: Jesse C. Nichols, Chairman; Louis Chackes, Ainad Temple; Roger E. Murdock, Al Malaikah Temple; Arthur E. Armitage, Jr., Crescent Temple; Albin R. Anderson, Medinah Temple; Harvey B. Leggee, Aleppo Temple and George J. Schreiber, Tripoli Temple.

Finance and Accounts, one of the most important committees we have – the man that served this year is one of the outstanding CPA's in the country and has done a terrific job – B. W. Vetter, Akdar Temple, Chairman; Lincoln G. Kelly, El Kalah Temple; Jesse A. White, Khedive Temple; James A. McKnight, Zem Zem Temple; Harold T. Jordan, Afifi Temple; Aurie J. Thompson, Nile Temple and William L. Backus, Medinah Temple.

Grievances and Appeals: Robert J. Turley, Oleika Temple, Chairman; John B. Vesey, Al Chymia Temple; Henry P. Bronkie, Ismailia Temple; Lawrence Dumas, Zamora Temple; George Wilson Medinah Temple; Kenneth B. Hall, Al Kader Temple; and Edwin F. Baertschi, Zenobia Temple.

Jurisdictional Lines: Cecil B. Walrath, Afifi Temple, Chairman; Charles G. White, Al Koran Temple; J. D. Hill, Bahia Temple; Arthur E. Armitage, Sr., Crescent Temple; Ford Q. Elvidge, Nile Temple; Charles Q. Oldham, Ararat Temple and Edward J. Hosch of Yaarab Temple.

Now, Nobles, you are probably wondering why I have not put more of the Imperial Officers on these important Committees. I will tell you why I have not done so. Of course, they are qualified. There isn't a one of these men whom I have worked with that are not qualified but this year we have cut considerable amounts of money out of our public relations funds. We are trying to cut down.

Regarding public relations, I feel, and maybe I am wrong and you never know until you try, that the best public relations department any organization can have is these men on the Imperial Divan calling on Temples. These Officers are being assigned to Districts and I have asked these Officers to make every Temple in their District, sit down with the Divan of all of these various Temples, not for the purpose of harassing, not for the purpose of telling you how to run your various Temples, but for the purpose of having a friendly conversation, finding out what your problems are, finding out what the Imperial Divan can do to help you. By cooperating in this fashion, I am sure, in turn, that you are going to give the Imperial Divan a lot of sound and useful advice. You can do more to help us than we can do to help you. After all, you are on the ground.

Therefore, I am asking the Imperial Divan Officers to follow this procedure this year. Now, in order to have them do this job adequately, I do not want to burden them with various committee assignments. I hope, therefore, that when they visit with these various Temples that they will sit down and have a friendly discussion with the Divan Officers and ascertain what the Imperial Divan can do to help Masonry, help Shrinedom and also to help support our other Masonic bodies, as well as to help our country and our Nation. It is up to you to work with them and I know you will do so. I have no fears about this. That is why, as I say, I did not put these Imperial Divan Officers on too many committees. I was afraid of giving them too much. However, as I have said to them, and I now say to you, they can do a terrific job talking with the various Temple officers face to face and, further, that this is the best public relations that we can have.

Thank you very much. (Applause)

Imperial Sir, Harold Lloyd, will you come forward.

Nobles, I don't have to introduce this gentleman, you all know him. Harold Lloyd, the Chairman of our Hospital Board, would like to make a presentation.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Orville, will you step forward here please.

Now, Imperial Sir Orville, you are aware, as I am, that the Past Imperial Potentates Group is a very esoteric one and you have qualified completely as a member. You have had a magnificent year and you have given the Shrine great leadership. You are revered and beloved by all of our Nobility. A demonstration to this effect was just given by this august group just a short while ago.

It is now my honor and privilege to present to you the Past Imperial Potentate's Jewel, a symbol of belonging. Orville, I hope that you will wear it with the same pleasure that I do.

(Presentation of Jewel and applause ensued.)

PAST IMPERIAL POTENTATE ORVILLE F. RUSH: Thank you, my dear friend, Harold Lloyd, particularly for your very thoughtful and most gracious words. (Applause)

IMPERIAL POTENTATE SEAY: Reverend Woodrow Wilson Hayzlett, will you come forward. Noble Orville Rush has a duty here to perform to a man who has done a wonderful job.

PAST IMPERIAL POTENTATE RUSH: Woody, I have worked with you for well over a decade in the Shrine but I likewise have worked considerably with you in the church for over two decades. We have always enjoyed a very warm friendship. I was delighted to serve as Chairman of your official Board and as your lay leader and teacher of your men's Bible Class and also Chairman of your Trustees. We have been very, very close and warm friends of long standing.

I have seven children. You baptized most of them. As a matter of fact, my oldest daughter got married a few months ago and you performed the ceremony. You are like one of the family.

There isn't anything that I can be called upon to do that gives me more pleasure than to present this Past Imperial Chaplain's Jewel to the Reverend Woodrow Wilson Hayzlett.

(Presentation of Jewel and applause ensued.)

REVEREND WOODROW WILSON HAYZLETT: Thank you, Imperial Sir. It has been a privilege to serve Shrinedom and I thank you for the opportunity. (Applause) I shall endeavor to wear this Jewel with genuine pleasure to myself and honor to Shrinedom. (Applause)

To Timothy, bless your heart, I turned over a big job to you.

You know, Ruth said, "Entreat me not to leave you or to return from following you; for where you go I will go; your people shall be my people, and your God my God." However, the Ruth that we both have in mind this hour will not be able to keep up with this man here. (Laughter) You are either going to have to fatten him up so you can slow him down or else go on a diet so that you can keep up with him. (Laughter and applause.)

You know, Timothy, you are going to spend a lot of money this year on pressing bills because, frankly I had baggy trousers throughout this whole year praying for those two characters from Indiana. (Laughter)

You know, I walked up to this man from that great State of California this morning and I said to him, "Imperial Sir, the sun has been shining in California." He looked at me real funny and said, "No, sir it is raining. You are not kidding are you?" I replied, "Yes, I'm afraid I am." Whereupon, he then burst into one of his big smiles. You know he is always smiling and coming back at you with a smile.

Now, with regard to this fellow from Texas. You know, we always used to hear big tales from the people of Texas. Knowing that you were born in Texas, I ask that you keep your eye on him during the coming year. (Laughter)

Also, in relation to that fellow, Jake, he is a shy one, unassuming. However, I would ask that you watch over him during the coming year.

You know the Good Book says, "The hoary head is a crown of glory, if it be found in the way of righteousness." However, beneath those white locks of Jack Streight there is a wicked gleam in his eye. (Laughter)

And, Woody Bennett, you know, I want you to really make that fellow walk the true line because he also carries my name. We both share the name of a great, red-booded American and so I always want him to walk that straight line. It is the name of a man born in Virginia, the state of the Presidents, who loves God and who, above all, loves his fellow man.

Also, Tim, as you know, there is a little lamb in this flock. (Laughter) Tim, being the good shepherd, you know the role that we shepherds have in looking after the lambs of the flock. Therefore, try to give him such spiritual guidance as will enable him to walk before God and before his fellow men without a blemish. He is a West Virginian, Tim, by birth and this gives him a great push-over in my estimation. (Laughter and applause)

Seriously, Tim, you are going to be the spiritual leader of the finest group of men that it has ever been my privilege to work with and I pass on to you this Jewel of the Imperial Chaplain of the Shrine of North America.

Being a great Methodist preacher, loving your God and from the dedication that is yours, I know that you will do nothing but bring honor to the name of the God in whom we trust and serve during your year as Imperial Chaplain.

(Presentation of Jewel and applause ensued.)

REVEREND WOODROW WILSON HAYZLETT: You know, the Good Book also says, "The last shall be best." However, not intentionally, I assure you, did I leave out a real Southern gentleman, Imperial Sir Aubrey Graham, who will be a friend to you, Tim, as you go down the line.

REVEREND TIMOTHY B. REEVES: You know, I seem to get the impression that I am assuming a job that has some unfinished tasks. (Laughter) At least I get that feeling. (Laughter) However, we Methodists have never felt that we have come to perfection.

You know, all of us ask ourselves if we are going on to perfection. In fact, the last part of the ministerial oath says something to the effect — do you expect to be made perfect in this life. Well, I have not heard of any preacher that has answered that with a "yes" and I stand here kind of trembling because I have the fear that even after I have done my job for a year there will still be work to be done. (Laughter)

As I stand in the open door of this responsibility for the year, I feel rather small, entirely dependent upon God's guidance and the support and the encouragement and the guidance of men like I have already met on this Imperial Divan.

I don't know all that is before me in the way of responsibility, but let me assure you, whenever I can help, feel free to call upon me. Maybe I should not have said it in that way — the word "free" kind of gets one into trouble. (Laughter)

However, I am really convinced that no man walks as straight as when he stoops to help a crippled child and as I heard our Vice President the other night define the principles of Crippled people, I had the feeling that we in Shrinedom stand at the place of a great responsibility in a world that is expecting much of us as leaders in this day of challenge.

Thank you for your prayers. (Applause)

IMPERIAL POTENTATE SEAY: Nobles, I am working without an agenda here and so if I mess this up a little bit, it is my own fault. I believe that our Imperial Recorder has some announcements.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, there was lost by someone in the audience a very beautiful gold cuff link. If you have lost a gold cuff link it is at my desk.

The Imperial Sir has asked me to announce to the Board of Directors and Board of Trustees, Colorado Corporation and the Board of Directors, Iowa Corporation, that there will be a meeting of the Boards jointly in our Board Meeting Room, the same room you met in last week, at two o'clock this afternoon.

There will also be a luncheon for the Representatives similar to the one held yesterday and the day before. You have been furnished with tickets in your envelopes for that.

I am also told that there is a tremendous line of representatives at the payroll window waiting to pick up their checks. This window can be easily found. It is right at the foot of the escalators or the elevators. The paying tellers are there and the checks are available there for you.

Imperial Sir, I have no further business on the agenda of the Imperial Recorder or on the Imperial Recorder's desk.

IMPERIAL POTENTATE SEAY: Is there any business or further announcements?

If not, I hereby declare the Ninety-Third Annual Imperial Council Session closed.

(The Ninety-Third Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned at 10:10 o'clock a.m.)

ANNUAL REPORT OF GEORGE M. SAUNDERS IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1966 TO DECEMBER 31, 1966

Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1966 to December 31, 1966, both dates inclusive, are respectfully submitted by your Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office, has been submitted and your attention is directed thereto.

The election returns of the 169 subordinate Temples reflect that there were at January 1, 1966, Representatives to the Imperial Council as follows:

Number of Representatives at Large	13
Number of Ad Vitam Members	15
Number of Emeritus Members (not Ad Vitam)	66
Number of Elected Representatives	674
Total Eligible to vote	768

At the end of our last calendar year, the Temples Annual Reports showed a total of 850,907 Nobles on the active roles of Membership. Permanent Contributing Membership Certificates were held by 139,309 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1966 was 6,396 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 66 Temples report a loss in membership, and one remains the same.

Membership, public "image," and business management procedures within the Temples are subjects of utmost importance to all of us. Great strides have been made in these areas through various projects during the year, and it is expected that even greater benefits will accrue as a result of the Seminar School of Instruction scheduled for Houston, Texas March 27-28, 1967.

We have appreciated the constructive work of the Imperial Officers who have devoted such dedicated attention to the work of the Shrine in the year past.

The Nobility must be encouraged to take a greater interest and participate more actively in the affairs of their Blue Lodge and prerequisite bodies. The future of Masonry and the continued growth of the Shrine, is unalterably entwined with this "return to basic Blue Lodge Masonry."

To all Temple Recorders and their staff members I express my thanks and appreciation for their cooperation and for their dedication to service with the Shrine.

We direct a special word of appreciation to General Counsel Stanley Garrity for his contribution to Our Order in the complex field of Corporate Law. His talents as Corporation Counsel have been called upon time and again in the day-to-day operation of what has now become a very big business.

I could not conclude this report without extending my sincere personal thanks to each member of the staff at the General Offices. Each and every one of you are a link in a great organization and I am grateful for the loyalty and effort of such dedicated people as Assistant to the General Counsel Paul E. Ibach and his staff; Director of Accounting Lewis K. Molnar and his staff; Director of Public Relations William H. Keith and his staff; and Assistant to the Imperial Recorder, Charles G. Cumpstone, Jr., and his staff. My heartfelt appreciation is expressed to each of you for a superb job so well done

The Credit for a job well done can only reflect growth in stature of the organization to which we are all dedicated.

Es Selamu Aleikum,

George M. Saunders

ORVILLE F. RUSH, IMPERIAL POTENTATE
AND
BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF
THE MYSTIC SHRINE

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine (an Iowa Corporation) as of December 31, 1966, and the related statements of income and expense and fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. All checks issued by the Imperial Treasurer were examined.

In our opinion, the accompanying balance sheet and statements of income and expense and fund balance present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine at December 31, 1966, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1966

1. Cash is composed of:

Depreciation reserve cash	$124,737
General fund cash	(121,021)
Total	$ 3,716

The depreciation reserve is funded (as explained in note 3 below) by designating a portion of the operating bank account as depreciation reserve cash. Since excess cash is invested in short term securities, and none of these investments are designated as a portion of the depreciation reserve fund, the general fund is presented as overdrawn.

2. Accounts receivable consist primarily of 1966 dues receivable, which were assessed on December 31, 1966, from the various sub-ordinate Temples.

Included in the annual dues of $1.10 per capita is $.10 which is designated for the annual session. This portion of the December 31, 1966 dues amounts to $85,091 and has been reserved for the annual session to be held in 1967.

3. Land, building and equipment, at cost is detailed below:

Building, 323 North Michigan Avenue, Chicago, Illinois	$603,714
Furniture, fixtures and office equipment	56,612
	$660,326
Less: Accumulated depreciation	157,345
	$502,981
Building site	205,000
	$707,981

The Board of Directors authorized the establishment of a depreciation reserve fund, with additions to be equal to the annual depreciation charge for the National Headquarters building. Expenditures for major repairs to the building are to be made from this fund.

4. Payments to a non-contributory retirement plan during the current year amounted to $3,713. The retirement plan is currently fully funded in sufficient amount to liquidate and cover all retirement benefits for the length of service as to each employee. Appropriations for this purpose have been approved from time to time by the representatives. There is no current liability for accumulated years of past services credit. The current year expense actually represents 1965 cost as the liability for 1966 cost has not yet been determined.

5. The amount due to Shriners Hospitals for Crippled Children is the net of collections of hospital receivables from the sub-ordinate Temples, less amounts due for building rent and building operation charges.

6. The Shriners Hospitals for Crippled Children pays rent on the National Headquarters building amounting to $50,000 annually and in addition, bears a portion of the operating expenses of the building.

SHRINE PROTOCOL

For the Use and Guidance of Illustrious Potentates and Divan Members of the Subordinate Temples, Shrine Clubs and Shrine Associations

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank). (One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
   (Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the

Mystic Shrine for North America, Imperial Sir.....of.....

Temple, ...(City), ... (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial

Sir..... .....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found on pages 6 to 12 inclusive of the 1966 Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
   a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

§ **321.2 Colors.** The colors are: Top, ¼ hoist red; middle, ½ hoist yellow; bottom, ¼ hoist green; bound with a 2½ in. yellow silk hand-knotted fringe.

§ **321.3 Wording.** The following wording only may be displayed: On the red band, the name of the Temple; on the yellow band, the capital letters A.A.O.N.M.S. in connection with the emblematic jewel suspended from a scimitar; on the green band, the name of the city and state where the Temple is located.

§ **321.5 Sale.** The exclusive right to make and sell this flag is vested in the Imperial Council, and it shall arrange for the manufacture and sale of the flags to the Temples.

ARTICLE 22

Temple Charter and Location

§ **322.1 Recognition.** Only Temples chartered or under dispensation by the Imperial Council are recognized as a part of the Order.

§ **322.2 Authority.** A charter or dispensation from the Imperial Council constitutes the authority of a Temple to meet and work.

§ **322.3 Exhibit of charter.** The charter must be properly preserved and prominently displayed.

§ **322.4 Loss of charter.** If a charter is lost or destroyed, the Temple must immediately apply to the Imperial Council for a duplicate for which $25 shall be charged.

§ **322.5 Change of location.** A Temple may change its location in the following manner:

(a) The proposal to move the location of the Temple must be in writing, signed by at least 100 members of the Temple, setting forth the details of the proposal. It must be presented to the Potentate.

(b) Thereupon the Potentate shall direct the Recorder to mail a notice of the proposal to each member stating that a meeting of the Temple will be held within 90 days to vote upon the proposal.

(c) Before the expiration of 30 days after the receipt of the proposal by the Potentate, he shall fix the time and place of the meeting and notify the Recorder.

(d) Thereafter not less than 20 days nor more than 30 days prior to the meeting, the Recorder shall mail to each member a notice of the exact time and place thereof.

(e) If 2/3rds or more of the members voting at the meeting are in favor of changing the location of the Temple, the result of the election shall be certified to the Imperial Recorder who shall submit it to the Imperial Council at the next annual meeting.

(f) If the Imperial Council finds the move to be in the best interests of the Order, it may approve the proposal and order an amendment to the charter changing the location of the Temple.

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

ARTICLE 23

Temple Membership

§ **323.1 Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ **323.2 Petition, form.** Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ **323.3 Prerequisite for membership.**

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

§ **323.4 Residence.**

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ **323.5 Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

§ **323.6 Candidate; when initiated.**

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ **323.7 Membership in only one Temple.** A Noble may hold active membership in only one Temple.

§ **323.8 Retention of membership.**

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his

Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

§ 323.9 Suspension or Termination of membership.

(a) Rights of membership in a Temple are suspended by:

(1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the Temple; or

(2) Suspension for nonpayment of dues; or

(3) Suspension for other cause.

(b) Membership is terminated by:

(1) Expulsion; or

(2) Death

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite membership, does not result in a loss of Shrine membership.

§ 323.10 Demit.

(a) A demit specifies that at the time of its issue the Noble named therein was (1) in good standing, (2) free from charges, and (3) free from indebtedness, assessments and voluntary obligations to the Temple.

(b) A Temple cannot withhold a demit from a Noble applying and who qualifies for it under (a).

(c) A Temple may issue a duplicate demit to a Noble.

(d) A demit may be issued by the Potentate and Recorder of the Temple between stated meetings of the Temple. A record of a demit so issued must be made and reported to the Temple at its next succeeding stated meeting.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the Temple.

(f) A demit entitles the holder to affiliate with a Temple only pursuant to these By-laws.

§ **323.11 Suspension for nonpayment of dues.**

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

(1) He must be notified by first class mail that he is in arrears;

(2) He must be given an opportunity to be heard;

(3) He must be admitted to the Temple for this purpose even though he is in arrears; and

(4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the Temple upon terms authorized by the Temple; and

(3) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ **323.12 Past Potentates.** A Past Potentate who becomes a member of another Temple is entitled to be classified as a Past Potentate in that Temple.

§ **323.13 Life Membership.** Life Membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.4.

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

§ **323.14 Honorary Membership.**

(a) Honorary membership may be conferred by a Temple upon

any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 24

§ **324.2 Ceremonial sessions.** Ceremonial sessions may be called by the Potentate at any time.

§ **324.3 Special meetings.** Special meetings may be called by the Potentate at any time, but notice must be given to each member stating the business to be considered and no other business than that specified in the call may be transacted.

§ **324.4 Sunday meetings prohibited.** A Temple may not hold a business meeting or ceremonial session on Sunday.

§ **324.5 Notice of meetings.** Unless a longer time is specified in these By-laws, not less than one-week's notice must be given of the time and place of all meetings and ceremonial sessions.

ARTICLE 28
Temple Jurisdiction and Waivers

§ **328.1 Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ **328.2 Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions to ½ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected.

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ **328.3 Change in jurisdictional lines.**

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ **328.6 Where petitioner must apply.**

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

§ **328.7 Where Temple may hold ceremonials.**

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ **328.8 Affiliation by demit.** The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ **329.2 Application, form and procedure.**

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropirate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder

at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues

and assessments already received from him for the current year.

§ **329.5 Effect if dispensation or charter refused.**

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ **329.6 Status of Temple under dispensation.**

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacany in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ **330.1 Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ **330.2 Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character

thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(6) Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

NOBLE GEORGE M. KLEPPER: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: I take great pleasure in placing in nomination two incumbent Trustees.

I think, in fairness to some of the members and Representatives that are present here, you should know a little bit about these fine gentlemen.

First of all, I would give you Harvey A. Beffa.

He was Imperial Potentate in 1952-1953. He has been a member of the Board of Trustees since 1955. He was Chairman of the St. Louis Unit for five years and has been a Representative to the Imperial Council since 1938.

He is the Vice Chairman of the Trustees and was Potentate of his Temple in 1940.

The second man I would nominate is Carl A. Rahn. Strange to say, Carl A. Rahn became a Representative here in 1938, the same year that Harvey was made a Representative. This was the year that Carl Rahn's father was Imperial Potentate of the Shrine.

Carl has continuously given of his time and effort as an active member on many committees here in the Imperial Council. He has been a Representative for the past five years and he has many business connections, as both these fine gentlemen have.

Therefore, I place Carl A. Rahn and Harvey A. Beffa in nomination as Trustees for the next three years.

IMPERIAL POTENTATE RUSH: Are there further nominations?

(At this point it was severally moved and seconded that nominations be closed.)

IMPERIAL POTENTATE RUSH: It has been severally moved and seconded that nominations close and that Harvey A. Beffa and Carl A. Rahn be re-elected as Trustees. All in favor of the motion indicate by saying "Aye;" opposed "No." The motion is unanimously carried.

At this time, I would first like to ask Past Imperial Potentate Harvey Beffa if he accepts?

NOBLE HARVEY A. BEFFA: Imperial Sir and members of the Imperial Council, I do accept and thanks for the privilege of being able to continue my work in the vineyards of the world's greatest charity. God bless you. (Applause)

IMPERIAL POTENTATE RUSH: Harvey, congratulations.

Past Potentate Carl A. Rahn, do you accept?

NOBLE CARL A. RAHN: Imperial Sir, I do, with all humility. Thank you for your continued support. (Applause)

IMPERIAL POTENTATE RUSH: Congratulations, Carl.

We are continuing these gentlemen as Trustees for three more years each.

I will now call on Imperial Recorder George M. Saunders with respect to the reorganization of the Colorado Corporation.

I would now like to call on Imperial Treasurer, Thomas Melham for his report.

NOBLE THOMAS MELHAM: Imperial Sir and Representatives: All of you have received the Book of Reports. I don't know to what extent you have even looked at it and analyzed it but before moving that this report be approved, before doing so, to those who did take a look at it, you might have seen in one account or another that there appears to be an overdraft. I call your attention to the statement that in the Bank of Montreal there are two items with parenthesis indicating overdrafts. This is due solely to the fact that for some time your Central Office has been investing temporarily all available funds until they would be required. Therefore, in connection with this figure of $45,871.34, I can assure there was a check in the mail which arrived one day after the end of the month. Therefore, please do not be disturbed by these apparent overdrafts or deficits.

For your information, in the Iowa Corporation, out of a total investment income of $46,100, $36,000 was picked up simply by putting our money into temporary investments, Treasury Bills, etc.

With respect to the total income of the Colorado Corporation, which in this report indicates $12,535,962.00, I am happy to report that $246,478.38 was picked up in temporary investments of the money before we had to pay it out.

Unless there are any questions, I merely move the acceptance of the report of the Treasurer as contained in the Book of Reports.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

IMPERIAL POTENTATE RUSH: All in favor indicate by saying "aye;" opposed "no." The motion is unanimously carried.

I now call for the report of our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives of this Imperial Council, the Report of the Imperial Recorder-Secretary is found in the Book of Reports that has been printed and put into the hands of each member of the Imperial Council.

I would move that the Report be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for.)

All in favor of the motion indicate by saying "aye;" opposed "no." It is carried uanimously.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE RUSH: Nobles, I am now going to call on one with whom I have worked closely this year. He is the Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children. I have served as Chairman of the Board of Directors with him. He will give his report and then he will be in a receptive mood and will be delighted to receive checks and cash for our great charity.

In order to save time, as you know, I have presented a check each year on behalf of the Association of Shrine Oriental Bands for the past decade. They have given me checks as a partial donation and these amount to $4,518.04, but they assure me that many more checks are on the way. Harold, I present this check to you.

(The above-mentioned check was handed to Noble Harold Lloyd.)

Now, if you will give your report, I am sure you will receive other checks later on.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Imperial Potentate, Imperial Sirs and Representatives to the Ninety-Third Imperial Council Session: Again we have the opportunity of holding our meeting in the great City of Washington, D. C., the Capital of these United States and as Chairman of the Board of Trustees of the Shriners Hospitals for Crippled Children, it is my privilege each year to come before this body with a report on our progress — our status — in the functioning of this

great humanitarian endeavor so often referred to as the World's Greatest Philanthropy. I might add that the report each year — almost without exception — is one filled with accomplishment, with dedication, with progress, and with optimism. This year's report, I am happy to say, is no exception.

It was forty-five years ago, in Portland, Oregon that the Shriners established their idea of hospitals for Crippled Children. There are now nineteen orthopedic units scattered throughout the United States, Mexico and Canada.

In July of 1962, at the Imperial Council Session of the Shrine of North America held in Toronto, Canada, the Shriners Hospitals for Crippled Children appropriated ten million dollars for the establishment of three Burns Institutes for the treatment of burned children and for research into all areas of burns.

I believe as of today we have made wonderful progress in our facilities and I will refer you to the hospitals' statistical reports contained in the Annual Report of the Imperial Potentate for the figure that will indicate the great progress made in the care and treatment of our little charges at our temples of mercy.

I would just like to touch briefly on a few of these figures — figures to remind you that we are curing or materially aiding nearly six thousand children every year — six thousand reasons for taking a renewed pride in the Red Fez we wear! And, another figure to be proud of, Nobles, since the opening of our first unit back in 1922, a total of twelve million, five hundred thousand patient days have been logged in the Shriner's Hospitals for Crippled Children — another fact and reason to make you proud to be a Shriner.

Since our last meeting we had an impressive dedication ceremony for the new hospital replacing our old one in Honolulu and a splendid one it is — a fine new wing for out-patient care was dedicated by our Imperial Potentate in Mexico City. We dedicated and had the official ceremonies at the magnificent new Burns Institute in Cincinnati and cornerstone ceremonies were held at the site of our Boston Burns Institute where construction is progressing nicely — and, gentlemen, you will certainly also be proud of that one.

As far as I am aware, we are the only organization who have hospitals dedicated solely to burns in children and as you know, these hospital do more than just treat the child, they are dedicated to research in that field. The work that we are doing in our Burns Institutes will ultimately benefit, I am sure, all people of all ages through the knowledge gleaned by medical science in our laboratories in these magnificent new institutions.

It is a fact that there is no injury known to man which affects so many parts of the body as the burn. There is hardly a single organ of the human body that is not vulnerable to the burn. It is not only the skin that is affected, but there is also the problem of infection, there is a problem of damage to the heart, the kidneys, the digestive system, the eyes and the lungs. There is, in addition, the after-effects — the reconstructive skin grafts and surgery that must be done to restore the burned victim to a normal or near-normal life after our first responsibility of saving the life itself. As a matter of fact, some authorities call burns the largest single hazard of childhood, and a survey shows that approximately elven thousand five hundred children are hospitalized each year for burns. Of course, it goes without saying that Shriners everywhere are proud of this new adventure in medical darkness.

I wonder at times if those of you who are not intimately associated with our Shriners Hospitals realize the unique and complex problems that exist, not only in medical and administrative problems of our hospitals, but in the financial management as well. Ours is a multi-million dollar organization doing business in twenty-two different locations in three different countries. You have heard constantly of the increased cost of medical and hospital care and we are no exception. We have managed to reduce the average number of days stayed in the hospital to 65 for orthopedic patients but, at the same time, our average cost per patient has reached $1,519.22 during the past year.

I would like at this time to express my sincere appreciation for all of Shrinedom to the dedicated people who staff our hospitals and pay a special tribute to those who give of themselves in time, talent and resources in service on the local Boards of Governors of all of our Shrine units.

May I add that this report would not be complete without an expression of deep and sincere gratitude to the many who have helped in the success of the year just concluded. I want, at this time, to express thanks to our Imperial Potentate Orville F. Rush for his devotion and untiring efforts this past year in behalf of our benevolent work. Orville, it has been a privilege to work with you.

IMPERIAL POTENTATE RUSH: Thank you very much, Harold. I appreciate your very thoughtful remarks. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thanks also to the Imperial Divan who is a part of our joint Board and give so much of their time, talent and knowledge. Also, to all the members of our National Board of Trustees who served with me on the Board – for their dedication, their experience and their great knowledge of our benevolent cause. All of these men who are completely dedicated to helping little crippled children.

And, of course, to all of our committees – the Building Committee who has had an especially active year because of all the new hospitals that are being erected; the Finance Committee, the Investment Committee, the Jurisprudence and Laws Committee, the office of the Treasurer and the Auditor, the National Shrine Hospital Day Committee, the Shrine Football and Athletic Committee, the Budget Committee, Rules and Regulations Committee, the Salary, Personnel and Retirement Committee, the Medical Records and Research Committee and numerous others who functioned to the great satisfaction of all – and certainly thanks in great measure to all their fine chairmen. This goes especially to the Study Committee and Past Imperial Potentate George Klepper, Chairman.

A deep thanks of gratitude to our National Secretary and Imperial Recorder, George M. Saunders, who, in my opinion, can always be relied upon and who performs the duties of his office in such an excellent manner. Also, my thanks and appreciation to our executive administrators, Miss Eleanor Baird and Horace Lee Burgin, and to our General Counsel, Stanley Garrity. We are very fortunate to have these experienced and knowledgeable individuals in charge of these specific offices, and we are also most fortunate to have a splendid and outstanding Surgical Advisory Board headed by its most capable Chairman, Dr. Carroll B. Larson and its Honorary Chairman, Dr. Guy A. Caldwell. I am always pleased to give a very deep thanks to our Wills, Bequests and Gifts Committee and to its most capable chairman, Past Imperial Potentate, Walter C. Guy. Shrinedom is exceedingly indebted to this committee and to the manner in which they function, enabling us to add to the finances our great philanthropy so sorely needs.

Thanks from Shrinedom to the fine Nobles and Chairmen who are greatly responsible for our wonderful football games, circuses, horse shows, dances, basketball games, baseball games, and many other types of promotion that have brought into our coffers millions of dollars in the last several years.

Also, I wish to say to Imperial Sir Thomas Seay that I look forward to working with you in the year ahead and I am very much aware of the exceptional wisdom and also the dedication you have to all phases of our great philanthropy. I feel confident that we will continue to move forward under your capable leadership. And, of course, a very special thanks to all you representatives for your continued cooperation in our great benevolent work.

In this period of world strife, tension and turmoil, I am convinced that we can, each of us, stand taller as men and as citizens as a result of these humanitarian efforts made in our houses of miracles, our Shriners Hospitals for Crippled Children. I am equally sure that all the wearers of the Red Fez believe in the ideals upon which the Shrine was founded – brotherhood of man, the dignity of the individual, opposition to any ideology that seeks to degrade individuals and I am positive with these ideals before us, gentlemen, we are bound to be better human beings.

Thank you very much. (Rising Applause)

Now, as the Imperial Potentate has indicated, we do have a tradition and I hope that tradition will likewise persist at this particular time – a tradition in relation to a number of Temples giving us fine donations in order to help our cause.

Now, if there are any who wish to make donations, will they kindly come forward at this time. Will you please form a line here below the podium. We will be most happy to receive your donations.

NOBLE GEORGE W. BOYD: I am George W. Boyd of Osiris Temple. I am proud to have the privilege of presenting a check for $7,546.20 as the proceeds of our 18th Annual Osiris Shrine Circus.

PAST IMPERIAL POTENTATE LLOYD: We are very happy for Osiris. It looks like a nice little check.

NOBLE LESLIE T. CALHOUN: I am the Potentate of Karnak Temple in Montreal. We are a small Temple in a large city of which the population is close to ninety percent Catholic. Each year, for a good many years, we have been running a circus and since 1940 we have turned over to the Hospital in Montreal, the Montreal Unit, about $866,000.

This year, the complete returns are not in but it will be around $43,000. This is from the circus activities alone.

We also have a small Shrine Club in the city of Three Rivers, about ninety miles out of Montreal, with about thirteen members, and that community is also very close to one hundred percent Catholic. We get from them quite a few children to our hospital. This little Shrine Club, during the past five years, has donated nearly $18,000 through these thirteen members. I think that is quite an accomplishment and I am proud to tell you about this.

I don't have the checks with me. They have been turned over to the Chairman of the Board of the Montreal Unit.

NOBLE ARTHUR BURGAN: I am very happy to report that our fifteenth Annual Football Game turned into the Endowment Fund in behalf of Al Malaikah Temple $89,240.35 and that our sixteenth game will be held on August 3rd next and we are hopeful of topping that figure.

NOBLE IVAN D. BOXWELL: I am the Potentate of Khiva Temple of Texas. I am bringing you the annual check from our unit to the Crippled Childrens Hospitals and also announcing that on October 12 we are starting our first Crippled Childrens Football Game in the Southwest Conference between Texas Tech and the Arkansas Razorbacks and by doing this and turning the money over to the crippled children we feel like we will be doing our part in the world's greatest philanthropy.

NOBLE W. R. KLAEHN: I am the Potentate of Mizpah Temple. I have with me a letter from the Vice President and Trust Officer of the Lincoln National Bank in Fort Wayne indicating that one of the members of our Temple and his wife had recently established an irrevocable trust with this bank as trustee for the benefit of the Shrine Crippled Childrens Hospital in the approximate value of $400,000. (Applause)

NOBLE J. CARTER CULLEY: I am J. Carter Culley of Al Kaly Temple. I have here the remainder of a check of $6,000 from our football game for 1966, making a total of $50,728.77 we have contributed to the hospitals.

NOBLE WILLIAM H. STANG: I am Bill Stang, Potentate of Rajah Temple. It affords me a great deal of pleasure to present to you this check for $27,000 as a result of our last Pretzel Bowl Game. (Applause)

NOBLE GEORGE J. SCHREIBER: Imperial Sir, I am George Schreiber, Potentate of Tripoli Temple in Milwaukee.

While we have made many contributions to our Childrens Hospitals, you also know that we have the Midwest Shrine Game which is held in Milwaukee. It is held on the 18th of August. We have been sold out since last May because it will be between the Championship Green Bay Packers and the Chicago Bears.

I have here a photostatic copy of a $50,000 check and there will be more coming in when the game is played. This is a great game. (Applause)

NOBLE RICHARD G. HUDSON: I am Dick Hudson, Potentate of Tadmor Temple. The Chairman of my Wills and Bequests Committee, Past Potentate Bill Knowlton, has given me a note indicating he is pleased to report that a will has been filed in Akron, Ohio in which the Shriners Hospitals are the beneficiaries of an estate appraised at $850,000. (Applause)

NOBLE RICHARD A. SCHMIDT, JR.: I am Dick Schmidt of Salaam Temple. On behalf of Noble George Smith of the Western Electric Square Club, I wish to present this small check in honor of our Imperial Marshal, Jake Wingerter, from Salaam Temple. During the past fifteen years, Noble George Smith has produced in excess of $14,000 for the benefit of the Crippled Childrens Hospitals and he has recently instituted a payroll deduction plan in the Western Electric Branch in New Jersey on behalf of the Shrine Crippled Childrens Hospitals.

NOBLE C. C. SEIGLAR: I am Chet Seiglar, Potentate of Abdallah Temple. I have a check here that I would like to present to the St. Louis Unit in the amount of $1,000. This fund was started a year ago by our Junior Past Potentate and he wishes that the check be donated to the hospital in the name of his Unit.

I think the most important thing is that this is the first check that Abdallah Temple presented on the floor of the Imperial Council and I am sure there will be more to come.

NOBLE JOSEPH L. TEDROWE: Imperial Sir, I am Joe Tedrowe of Islam Temple. Past Potentate Bert Jacobs, our last year's Director of our East-West Game, presented me with this check and, when he did so, I was very elated. However, another thought came to my mind at that time and that is, besides this money, look at the publicity that the East-West Game is giving to North America. Between thirty-five and forty million people viewed the East-West Game. This is certainly putting Shrinedom on parade. This is likewise good for Masonry. I think this is the finest bit of publicity that we in the United States and I would like at this time to invite each and every one of you to our next year's East-West Game, which will be held on December 30th. By so doing and with your presence, I am sure we will be able to increase this check next year. This check is in the amount of $254,449.21. This is from one game. Thank you. (Applause)

NOBLE HAROLD LLOYD: This has really gone clear past the football stage, this East-West Game. It is really an image of our great organization. I think it is one of the finest publicity and exploitation events that we have. Of course, it isn't that all of the other football games aren't marvelous also but this was the daddy of them all. We are very, very thankful for this marvelous work that the Nobles are doing.

NOBLE EARL E. HARRIS: Imperial Sir, I am Earl Harris, Past Potentate of Al Bahr Temple. It gives me a great deal of pleasure to present this check to you, the proceeds of our football game of last year, in the amount of $25,162.99. (Applause)

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you very, very much.

NOBLE W. E. WARD: Imperial Sir, I am Don Ward, Potentate of Kerbela Temple of the great "Volunteer State" of Tennesee.

As you know, some seventeen years ago, we started a little ball game down in the Knoxville area. There we raised $19,000 the first year. This year we have raised $130,000, making a total of more than $1,200,000 that we have been able to divide between the Lexington and the Greenville Units.

This year I asked your permission to divide this $130,000 between the two units, as in the past.

NOBLE J. R. SEELIG: Imperial Sir, I am Doc Seelig, Potentate of Jerusalem Temple, New Orleans.

I have in my Annual Report for the past year contributions totaling $7,944.28. There is also included checks from our circuses, including our Baton Rouge Shrine Club in the amount of $44,823.93, making a total for the year of $52,768.21, a ten percent increase over last year.

I would also like to submit my prepared Annual Statement for your record.

(The statement referred to above is included below as follows:)

(Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much.

I thank God every day that I have the privilege of belonging to the greatest of all great organizations and have the opportunity of rendering these great services to these most unfortunate children of ours. I want to tell you I am most grateful that I have the opportunity of representing Al Chymia Temple today in presenting a small check in comparison to these others. Our amount is $5,000 but, nevertheless, we are getting a good start.

PAST IMPERIAL POTENTATE LLOYD: Well, that is not so small. Even if it were smaller, we would be very grateful for it.

NOBLE T. B. LIPE: Imperial Sir, I am Tom Lipe, Potentate of Mahi Temple of Miami, Florida. In the past year we have contributed directly to these three hospitals $12,000. However, in addition, our Clubs in the Province of British Columbia, some of which are over eight hundred miles from Vancouver, have raised and contributed and spent over $35,000 in the past year in transporting children from northern Canada and the Yukon to one of these three hospitals. Thank you very much. (Applause)

NOBLE J. H. BOTTUM: Imperial Sir, I am Joe Bottum, Potentate of Naja Temple, Deadwood, South Dakota. I am most happy to report to you today that on Monday of this week the Probate Court of Pennington County issued a decree of distribution in connection with a certain estate, in which $587,000 was set aside in trust forever, the income of which was to be used for travel of children to our Hospitals and for research in our Burns Institutes. Thank you very much. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much for those efforts in that regard. I am sure this will likewise be most helpful to us.

NOBLE Q. L. STEWART: Imperial Sir, I am Q. L. Stewart, Potentate of El Karubah Temple of Shreveport, Louisiana. Since 1922, our Temple, of course, has donated many hundreds of thousands of dollars to the Shreveport Unit. We continue to do this year by year.

I would like to report to you that this past year we contributed more than $40,000 through our Temple and Shrine Clubs.

I would also like to tell you that unbeknown to me as Potentate or the members of my Divan, we had a group of Cub Scouts, approximately two weeks ago, hold a garage sale in relation to just odds and ends and they raised some $27.00 for the Temple. Thank you very much. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you, Sir. Of course, we likewise appreciate the efforts of your Cub Scouts.

NOBLE W. H. WHAN: Imperial Sir, I am W. H. Whan, Chief Rabban of Araba Temple. In the absence of our Potentate, I would like to present to you a check in the amount of $820 from our last Ceremonial, the Orville Rush Ceremonial of a few weeks ago, which makes a total of over $11,000 which we have sent to the Greenville Unit since our dispensation a year ago.

PAST IMPERIAL POTENTATE LLOYD: That is most wonderful.

NOBLE W. J. ENLUND: Imperial Sir, I have no gifts with me this morning but I thought that maybe the Potentates of the various Temples would be happy to know that the Potato Growers Association in and around Tule Lake and Klamath Falls this spring, through the efforts of Hillah Temple, made a contribution to the Hospital in San Francisco and the Hospital in Portland of 35,000 pounds of potatoes to each.

That is all I have to offer. (Laughter and Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much for that information.

NOBLE S. F. STRICKLAND: Imperial Sir, I am S. F. Strickland, Potentate of Alee Temple of Savannah, Georgia. I am happy to report that our Peach Bowl Game at Savannah this past November earned $7,000 for our Greenville Unit.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. We appreciate that very much.

You know, all good things have to come to an end they say. However, I do want to say just a brief word and that is to this effect—that even though the Colorado Corporation has now a magnificent sum in its coffers to carry on this wonderful philanthropy, we still have, as you know, three Burns Institutes. I personally doubt that we will build another one until these are all finished and we have had an opportunity to know where we are going through trial and error. It is up to you gentlemen. You can do what you want afterwards. However, don't get the idea that because we have been receiving these wonderful contributions that we will not need further contributions. I am sure that in the future we will build more Burns Institutes.

Now, Orville, if you don't mind, I would move that my report be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question? All in favor indicate by saying "aye"; opposed "no." It is carried unanimously.

I will no call upon Past Imperial Potentate Robert Gardner Wilson, Jr. to give his report in relation to the Burns Institute Committee.

PAST IMPERIAL POTENTATE ROBERT GARDINER WILSON, JR.: (reading)
Imperial Sir, Imperial Sirs and Nobles:

With the official opening of the Galveston Unit on March 20, 1966, the official opening of the Cincinnati Unit on May 21, 1967, and Boston scheduled for early 1968, our vision of a Shrine Burns Institute is indeed becoming a reality.

At Galveston our operation is under the supervision of Carl R. Byard, as Chairman of the Board of Governors, Dr. Duane L. Larson as Chief Surgeon and Robert L. Innes as Administrator; Cincinnati has Eugene F. Muhlhauser as Chairman, Dr. Bruce G. MacMillan as Chief Surgeon and Charles B. Stearns, Administrator; Boston with Robert Gardiner Wilson, Jr., Chairman of the Board and Dr. Oliver Cope as Chief Surgeon, has finally negotiated for the services of Stanley K. Read as Administrator.

During the interim the advice, cooperation, and assistance of our Executive Administrator, Horace Lee Burgin has proved invaluable. The nature and quality of his

services generally since his initial appointment would now seem to suggest and warrant appropriate financial recognition.

Already the authorization of additional units of our Burns Institutes is being actively advocated. The chronological history of our present three Burns Institutes is as follows:

	Ground Breaking	*Cornerstone Laying*	*Opening*
Galveston	6/23/64	5/12/65	3/20/65
Cincinnati	9/12/64	5/22/66	5/21/67
Boston	4/19/65	7/1/67	Early in 1968

Official so-called opening dates for each of our first two units might seem to have been somewhat premature. It would appear that the new Cincinnati building will probably not be finally turned over to the local Board for some two months.

Members of the Burns Committee appreciate the continued interest of the Nobility in the work of the Committee. Ideas and suggestions continue to flow into the committe relative to the operation of the currently authorized Units and possible locations for future Units. We recognize that the three Units we now have by no means can adequately cover the needs of a continent, and we recommend continued study of possible additional sites appropriate for the later erection of other Burns Units.

As a matter of record it should be stated that requests for additional hospitals have already been received from the following:

UNIVERSITY OF CALIFORNIA
Through Al Bahr Temple, San Diego, repeating 1964 request

UNIVERSITY SOUTHERN CALIFORNIA & CHILDRENS HOSPITAL OF LOS ANGELES

GEORGE WASHINGTON UNIVERSITY, WASHINGTON, D. C.

UNIVERSITY OF ROCHESTER, SCHOOL OF MEDICINE OF ROCHESTER, N. Y.
Through N.Y.-Ontario Shrine Association

DUKE UNIVERSITY & RESEARCH TRIANGLE PARK
Joint venture of U. North Carolina, N. C. State Univ. & Duke University

FRANCIS WOOD WILSON FOUNDATION, ATLANTA, GEORGIA

UNIVERSITY OF ALABAMA MEDICAL CENTER
Dr. J. F. Volker

UNIVERSITY OF WASHINGTON MEDICAL SCHOOL AT SEATTLE

On the national rules level there appears to be one rule that has disturbed the Chief Surgeon at each of our three Burns Units. That is the rule that once within the hospital no child under any circumstance may leave the hospital for any sort of excursion either with parents or with members of staff. While our doctors appreciate that somewhat grave legal issues may be involved, and that perhaps it might be advisable to arrange for modification by the parents of any original release signed, the doctors feel it frequently would prove medically beneficial to a child to be allowed outside under proper auspices.

With our Burns Units more geographicaly scattered than is the case with our 19 orthopedic hospitals, plus the additional factor that treatment of a burned patient is more frequently of emergency nature than the average orthopedic case, the problem of transportation of our patients and the problem of transporting and possible temporary housing for parents will continue to be a factor requiring serious consideration. Of course, in cases of reconstructive admissions the presence of a parent may have become less urgent, but in cases of acute burns and emergency the availability of an accompanying parent for reasonable periods of time becomes almost a necessity. This is an outside expense that cannot be disregarded.

In at least one hospital there has been an urgent request for installation of an intramural television facility as an important modern technique in the care and education of the chronically sick child. Major advantages of such a facility are claimed to be:

1. The morale of the child will be supported by appropriate programs depicting the recovery of a child from a medical illness with fulfillment of a useful life.

2. The educational needs of the child will be met by appropriate programs of instruction.

3. The entertainment of the child will be provided by programs more appropriate than the ones commonly available on commercial television.

4. A method of providing a standard psychiatric interview in-put will be obtained so that children with different types of burns and personalities may have a common background of information against which subsequent psychiatric interview may be conducted.

5. The support and preparation of the child for many types of therapy required by his condition, such as dressing changes, anesthesia, and plastic procedures, will be facilitated by appropriate programs giving him a larger measure of understanding of the necessity of the procedures and of the manner in which they are conducted.

All these programs ideally should be designed to meet the needs of children at different ages and with different backgrounds.

Respectfully submitted,

Imperial Sir, I move adoption of the report.

(The motion was severally seconded.)

PAST IMPERIAL POTENTATE ROBERT GARDINER WILSON, JR.: I should have perhaps added that it was especially gratifying to read about the very substantial legacy up in South Dakota, the income of which is to be used for transportation.

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question? All in favor of the motion indicate by saying "aye;" opposed "no." It is carried unanimously.

I will now call upon Past Imperial Potentate Walter Guy to report as chairman of the Wills, Bequests and Gifts Committee.

PAST IMPERIAL POTENTATE WALTER C. GUY: Imperial Sir, and Nobles: May I first apologize to you, Imperial Sir and to many of you who were in Houston. I konked out on you there. In order to clarify the reason for this may I say that my little fat old Recorder, Quinn Glover, sitting over there, slipped into Potentate Stuckey's offices in Houston and persuaded him to use a Baptist preacher for the invocation at a little gathering on Sunday evening. (Laughter) Well, instead of invocating, he did a little preaching. (Laughter) Now, recognizing that the audience was becoming a little frustrated and uneasy, I stepped into the breach and fell flat on my face. (Laughter) He saw me falling and I knew this was successful because just as I hit the floor I heard him say "Amen." (Laughter)

That is no different, however, than the experience of Daniel when he was put in the Lions Den. He went over to the lion, put his arm around the lion's neck, and whispered something to him. The lion shrugged his shoulders and went over to the corner and laid down. They then asked Daniel what he had said to the lion. He told them that he had said these words, "Well, big boy, after this meal you're going to have to listen to a Baptist preacher." (Laughter) Apparently the lion preferred to remain hungry.

You know, I have often been asked the question – why, Walter, in view of all of the honors that have been heaped upon you by both your Temple and the Imperial Council are you devoting so much time and energy to the program of financing our hospitals? Well, there are three reasons for this and I want to explain them to you.

I likewise joined whoever it was that referred this morning to that segment of humanity most deserving of charity, and I can think of no segment more deserving than the crippled child emanating from an indigent family. Furthermore, I feel that the good Lord himself has selected little children as his favorite group of humanity for in Matthew 18, verse 3, we find this quotation –"Verily I say unto you, unless you be converted and become as a little child, you shall not enter the kingdom of heaven."

Further, in the fifth verse of that same Book and Chapter you will find these words – "And who shall receive one such little child in my name serveth also me."

Then there is also that quotation from Matthew 25, fortieth verse, with which all of you are familiar – "Verily I say unto you, for inasmuch as ye have done it unto one of the least of these my brethren, you have done it unto me."

Somebody has said (and I believe it has already been quoted several times at this meeting), that no man ever stood so straight as when he stooped to help a crippled child.

Somebody else has said –"Joy is something you take with you, happiness is something you share."

I expect that the Supreme Architect, as he sits in his heavenly rocking chair, takes a great delight in observing the five thousand-odd children who annually have been carried into our hospitals in arms, on stretchers, on crutches and by various other means of transportation and then, some sixty-five days later, go out either cured of materially healed. Well, I want to be a part of such a program and that, in turn, is my first reason.

My second reason is that regardless of the wonderful demonstration you just had here with regard to all of these generosities, not only of Shriners but the public, you face a terrific financial burden and responsibility. I just witnessed you manifest your usual confidence in this group of leaders scattered here on the platform. In fact, you blindly approved a budget of some $15 million for operations during the coming year – not construction but operations. Now, comparing that with the $12 million spent last year, where do you propose to raise the additional $3 million, the additional twenty-five percent?

Well, in my Bible class, in recent weeks and months, a lot of stress has been devoted to this matter of witnessing and standing up and being counted by and for the Supreme Architect. Most of us go to church, some church service on Sunday. If we don't, we should. Also, most of us lead an acceptable life during the intervening days of the week and make a pittance contribution to the financial support of our church.

There is a close parallel between that and that of the Shriner. We go to our Temples once a week, possibly for unit activities. We lead an acceptable Masonic life and we annually make a pittance contribution to the financial support of our Hospitals.

Now, please don't misunderstand me. I do not want to underestimate the generosity that has been manifested thereby but I would like to demonstrate just what that means.

Now, five dollars divided by 365 days, amounts to one and two-fifths cents per day. A package of cigarettes cost thirty cents and there are twenty cigarettes in the pack, which in turn makes one cigarette cost a penny and a half. When we contribute one and four-tenths or two-fifths of a cent daily, we contribute less than the cost of that cigarette. However, wait a moment, you ask the Central Office to split that thing up into twenty-two different parts because you have twenty-two units. I asked a Recorder of a Texas Temple sitting with me at breakfast this morning, "How many puffs do you get out of a cigarette?" Well, he said he had never thought about it. I then asked him if he got as many as twenty. He indicated that this was about right. Therefore, fellows, we contribute about one puff of a cigarette per day to each of the twenty-two hospitals.

Therefore, Nobles, I do want to be a part of correcting that particular situation.

I also indicated that I was concerned about the financial picture, at least as I see it, n relation to our hospitals. Where does our money come from and why am I con-erned?

Now, if it be true (and it is) that during the past five years our operating costs have gone up 59.5 percent; if it be true that last year, 1966, they went up 14 percent over the year before; if it be true that during the next five years you may confidently expect at least a ten percent increase per year, which means a total of 50 percent in ive years — and you just have approved 25 percent for next year, 1968 — well, where s that 50 percent going to come from?

If it be true that our total expenditures for 1966 were in excess of 24 percent above 965 and if it also be true (and it is) that your income was down 2.7 percent, then vhat do you propose to do about it?

If it is true that depreciation and modernization faces us (and it is), then what are rou going to do about this? For example, do you realize that 16 of the 19 orthopedic iospitals are now more than forty years old? Do you live in a house which is forty 'ears old?

I say to you, Imperial High Priest and Prophet and also to you, Mr. Oriental Guide, vho in some five years from now will be facing the responsibility of our Imperial Potentate Orville Rush — you are going to face some serious financial problems unless rou do something about it today and not five years from now.

If it be true (and it is) that one Scottish Rite Childrens Hospital in Dallas, Texas oday has an endowment fund of $90 million and they are shooting for $100 million efore they feel secure; and if it be true that our Hospitals have an average of but $14 million each, we should ask ourselves — are the Scottish Rite Masons of Dallas, Texas over ambitious or are we of the Shrine sticking our heads in the sand like the ostrich, hoping that this financial responsibility will pass by us. Well, let's say that ve should meet this halfway and that our endowment fund should total $45 million lollars and not $90 million per unit. My arithmetic tells me that if you multiply 45 nillion by twenty-two, that you will come up with about $10 million less than one illion dollars and we now have less than one third of that. Therefore, I am concerned ibout the financial responsibilities that are ahead of us.

Now, where does our money come from? Well, starting in at the bottom and using the auditor's figures, we can say that one percent of it comes from miscellaneous ources. This has to do with rungs on the ladder of baby smiles, life memberships, etc. Also, eight percent last year (and these figures do vary from year to year) came from he sale of assets which, in the mind or opinion of our committee handling such natters, should have been sold. You don't build up an endowment fund by selling rour assets but, on the other hand, I do understand that there are reasons why rom time to time, we should dispose of some of our assets. This is done in the ame way as one might dispose of a certain class of stocks.

Continuing, 8.5 percent came from this one cigarette deal; 11.5 percent comes rom such sources as you just had demonstrated to you here this morning — football games, circuses, paper sales, etc., etc.

Then, also, there is that fine Investment Committee of yours, headed up by Bill Lattimer as Executive Vice President, which, last year, 1966, accounted for 31 percent of our total income. What is that? Well, those are the assets gained through previous years' wills, bequests or gifts or Temple gifts which they have in their wisdom seen fit to invest here, there and elsewhere, either directly or through their bank contacts or agencies.

Then your largest contributor in relation to your total income in the Colorado Corporation are your wills, bequests and gifts.

My analysis of those different sources of income is this — can we increase the rungs on the ladder of smiles? Well, I don't think so. Can you increase the sale of our present assets? Yes, but then I again repeat, you don't build up your endowment doing hat.

Do you want to increase the five-dollar hospital assessment? Well, if you doubled t, it would only amount to $3.5 million. I don't think you will vote for that for a long ime to come.

Can you increase these football games which are doing such a wonderful job? By the way, do you realize that over the past five years our Temples have contributed an average of $4 million a year – $19,975,000 in a five-year period (in round figures $4 million a year) coming from Temple gifts. That is an average of $24,000 from each of the 169 Temples. Mr. Potentate, did your Temple come across with $24,000 last year? I doubt that we can materially increase percentagewise that particular source of income.

Further, investment income is contingent upon these other factors and we cannot expect, unless inflation hits us, a material increase there.

I was pleased to hear Past Imperial Potentate Wilson refer to requests for additional hospitals. You just took on two additional orthopedic hospitals and now you have likewise taken on three Burns Institutes. Don't think for a moment that the Shriners out here from the Middlewest or Far West are going to remain idle very long until they begin to put the pressure on the boys for a hospital out on the West Coast, or even a Burns Institute.

Now, my third reason is this. Some twelve years ago you had a fellow who served you as Imperial Potentate by name of Walter C. Guy. I challenge every man in this room, excepting two, to tell me any fundamental, basic contribution that Imperial Potentate made to Shrinedom which will perpetuate his favorable memory in the minds of the members of our great fraternity. For some reason or other, I have a semi-selfish motive in wanting to be remembered a little while after the grim reaper calls. I want to make a contribution in excess of one and two fifths cents per day.

Mr. Potentate, what contribution have you made this year that will perpetuate your memory in the minds of your membership.

Let me ask you another question. For what reason do you remember the names of Freeland Kendrick, Galloway Calhoun, Tom Law, and Harold Lloyd? Do you remember, for example, any contribution those men made while they were Imperial Potentates? Well, I cannot but, I know of volumes that can be written about their contributions after they served as Imperial Potentate.

Therefore, I say to you Potentates, go back home, review your program and if you have not set up an active Wills, Bequests and Gifts Committee in your Temple, kindly do so immediately. Also, if you have not found the dedicated man needed to head up that Temple Committee as yet, then ask your successor who is sitting at your side, your Chief Rabban, to appoint you next year as Chairman of your Temple Wills, Bequests and Gifts Committee. I hope you join me in wanting to contribute more than one and two-fifths cents a day. Thank you very much.

Imperial Sir, I move the adoption of this report.

(The motion was duly seconded.) (Applause)

IMPERIAL POTENTATE RUSH: You have heard the motion, which has been duly seconded. Are you ready for the question? All in favor indicate by saying "aye"; opposed "no." The motion is carried unanimously

Walter, I thank you for your very illuminating and splendid report. Walter is a shining example of real dedication to purpose.

I will now again call on Past Potentate Warren Jones, Chairman of the Committee on Jurisprudence and Laws.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE SEAY: Nobles, it is always the privilege of the Imperial Potentate to make appointments for the ensuing year. Of course, this is one of the biggest problems that an Imperial Potentate has and I have found this to be so. There are many good Nobles on committees now whom you hate to remove and then, on the other hand, there are also many outstanding Nobles in North America whom you feel should be given an opportunity to indicate their ability.

Now, this morning I am not going to announce the entire committees because I am still working on some of them. However, I will give you the appointments in relation to the first five committees.

There are two of these appointments that need the approval of the Imperial Divan. One of them is the General Legal Counsel and the other is the Auditor.

I take pleasure in appointing as General Legal Counsel a man that I have known for many years. He has been a Mason for many years and was just elected a Thirty-Third Degree Mason.

He is a practicing attorney, an individual who has had a lot of experience. In fact, his specialty is probate and tax work.

Therefore, it is my pleasure to have the opportunity of appointing George William Sullivan as General Counsel. (Applause)

Our Auditor, Arthur Upleger, of Karem Temple, has served us for many years and his company has done an outstanding job. In fact, I have never asked them for anything that they did not come up with the answer to. They have been our Auditors for many years.

The job of auditing, of course, is a big job and therefore, I take pleasure in appointing Arthur C. Upleger as Auditor for the Iowa and Colorado Corporations. (Applause)

Of course you just met Timothy Reeves. He was a little late. However, I think he was in church praying for all of us and that is why he is late. Nevertheless, he is my appointment for Imperial Chaplain for the coming year.

The only things I can say about Timothy Reeves are good things. In fact, he has been wonderful to my family and when my wife had her heart attack, Timothy Reeves was the second person there and he was there every day during her crisis. Therefore, with his appointment, I feel that we will be in good hands. Timothy, we all need your prayers. (Applause)

In relation to the Jurisprudence and Laws Committee, as Chairman of this Committee, I am appointing an individual who has proven his ability. This gentleman has been on the Jurisprudence and Laws Committee. I have worked with him and I know of his capability. I believe you have to work with a man in order to know his capabilities. He is now Advisory Legal Counsel to the Governor of the State of Pennsylvania – Jacques H. Fox, Lu Lu Temple. (Applause)

On his committee will be: Elmer P. Bromley, Al Malaikah Temple; Walter S. Jeffries, Jr., Crescent Temple; William H. Knowlton, Tadmor Temple; John D. Cochran, Afifi Temple; J. Edgar Bowron, Zamora Temple and Warren L. Jones of Morocco Temple.

(Iowa Corporation Committee announcement at this time.)

Finance and Accounts, one of the most important committees we have – the man that served this year is one of the outstanding CPA's in the country and has done a terrific job – B. W. Vetter, Akdar Temple, Chairman; Lincoln G. Kelly, El Kalah Temple; Jesse A. White, Khedive Temple; James A. McKnight, Zem Zem Temple; Harold T. Jordan, Afifi Temple; Aurie J. Thompson, Nile Temple and William L. Backus, Medinah Temple.

(Further Iowa Corporation appointments at this time.)

IMPERIAL POTENTATE SEAY: I believe our Imperial Recorder has an announcement.

NOBLE GEORGE SAUNDERS: The Imperial Sir has asked me to announce to the Board of Directors and Board of Trustees, Colorado Corporation and the Board of Directors, Iowa Corporation that there will be a joint meeting of these Boards in our Board Meeting Room, the same room you met in last week, at two o'clock this afternoon.

IMPERIAL POTENTATE SEAY: Is there any other business or announcements to be made?

Hearing none, I hereby declare the Ninety-Third Annual Imperial Council Session closed.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, adjourned at 10:10 a.m.)

ANNUAL REPORT OF GEORGE M. SAUNDERS SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S. and Shriners Hospitals for Crippled Children

CHICAGO, ILLINOIS

GREETINGS:

IMPERIAL POTENTATE AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Secretary respectfully submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1966 to December 31, 1966, both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals.

The work of the Wills, Bequests and Gifts Committee continues to be successful under the able direction of the Committee Chairman, Past Imperial Potentate Walter C. Guy. I am pleased to report that the number of wills, bequests and gifts reflect an increase over years past. Many of the estates that benefit our Hospitals come from those outside our Fraternity and reflect the admiration of these non-Shriners for the work of the World's Greatest Philanthropy. This confidence so received is a sacred trust which places our Fraternity as a cynosure, medically, civically and culturally. This most important Committee has strengthened its organization during the year which insures continued growth in this field.

As we led the field in our orthopedics units for so many years, so do we now find ourselves in a similar position of leadership in the field of burns therapy in this most recent addition to our tradition of service in the World's Greatest Philanthropy—The Shriners Hospitals for Crippled Children. Our first Burns Institute, The Shriners Hospitals for Crippled Children, Galveston Unit, will soon celebrate their first anniversary in our own Hospital Building as an independent entity. Early in 1967 we will formally dedicate and open the second of these Burns Institutes, The Shriners Hospitals for Crippled Children, Cincinnati Unit, and I am

happy to report that the construction of the Shriners Hospital for Crippled Children, Burns Institute, Boston Unit is well enough on schedule that we can plan for opening ceremonies there in early 1968. We have been doing work in Burns in all three locations, in available beds in the University Hospitals while our own buildings are under construction.

Our sincere thanks are extended to the dedicated members of the Board of Trustees, Board of Directors, Local Boards of Governors, Doctors of the Surgical Advisory Board, Professional Staff Members and all employees of every Unit of the Shriners Hospitals for Crippled Children for their fine work and devotion to the ideals of the World's Greatest Philanthropy.

With continued growth, the work load of the General Offices in Chicago increases in direct proportion. I would be remiss if I did not extend my personal gratitude to such dedicated people as the Assistant to the General Counsel and his staff, the Director of Accounting and his staff, The Director of Public Relations and his staff, and the Assistant to the Secretary and his staff. Their loyalty and devotion to duty has earned them the heartfelt gratitude of all who come in contact with them as they carry out their assigned duties.

We direct a special word of appreciation to General Counsel Stanley Garrity for his contribution to Our Order in the complex field of Corporate Law. His talents as Corporation Counsel have been called upon time and again in the day-to-day operation of what has now become a very big business.

The Shriners Hospitals for Crippled Children—Orthopedics and Burns Units—is truly the soul of the Shrine. The work of the World's Greatest Philanthropy has gone on for almost four and a half decades, and with the dedication and love for the children of the world shared by the Men of the Red Fez it will continue to grow so long as the Temples of Shrinedom stand.

Cordially yours in the Faith,

George M. Saunders

BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
CHICAGO, ILLINOIS

We have examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, combining Colorado, Canadian, Massachusetts, Mexican S.A. and Mexican A.C., California and Texas Corporations, as of December 31, 1966 and the related summary of financial activities and statement of changes in fund balances for the year then ended. On instructions of the Board of Trustees, since the Central Office Staff makes its own internal audit, we did not examine the transactions in the Operating, Donation and Building Funds of the individual Orthopedic Hospitals and Burns Institutes. We did, however, verify all cash held in these funds at December 31, 1966 by independent confirmation and by the examination of cutoff bank statements and reconciliations sent directly to us. Otherwise, our examination was made in accordance with generally accepted auditing standards and accordingly included all procedures which we considered necessary in the circumstances. In the course of our examination we examined all checks issued by the Treasurer in 1966.

The Hospitals maintain their General Funds on the accrual basis of accounting. All other funds are maintained on a cash basis and therefore income is not recorded until actually received and expenses are not recorded until actually paid.

In our opinion, with the exception regarding the transactions of the Orthopedic Hospitals' and the Burns Institutes' Operating, Donation and Building Funds, the accompanying statements present fairly the assets and liabilities of the Shriners Hospitals for Crippled Children as of December 31, 1966 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

NOTES TO COMBINING FINANCIAL STATEMENTS

DECEMBER 31, 1966

NOTE (1) The accounts of the general funds are maintained on the accrual basis of accounting. The accounts of all other funds are maintained on the cash receipts and disbursements basis of accounting.

NOTE (2) Assets are recorded at cost, if purchased, or at fair market value at date of receipt by gift or bequest. No valuations are recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

NOTE (3) The endowment funds include funds restricted by the Boards of Directors of the Corporations as well as those restricted by devisees and donors.

NOTE (4) Land, buildings and equipment are carried at original cost without provision for depreciation. Normal replacements to land, buildings and equipment are charged to operations. Budgeted expenditures for 1967 for land, buildings and equipment amount to $11,969,229.

NOTE (5) (a) The Arabia Temple Crippled Childrens Clinic at Houston, Texas was brought into the operations of Shriners Hospitals for Crippled Children in 1966. Under a plan approved by the Boards of both organizations the name of the Arabia Temple Crippled Childrens Clinic Corporation was changed to Shriners Hospitals for Crippled Children, Texas Corporation. Certain other provisions in the charter were also changed. For these financial statements, the operations for the entire year of the Houston Unit are included even though the operational change was not concluded until the middle of the year. The accounts of the Arabia Temple Crippled Childrens Clinic included an amount which represented the assets of certain trusts where title was vested in other trustees. In order to conform with the accounting practices of Shriners Hospitals for Crippled Children, the carrying values of these assets in the amount of $1,268,513 have been written off.

NOTE (5) (b) The Boards of Shriners Hospitals for Crippled Children and Zem Zem Hospital for Crippled Children of Erie, Pennsylvania have also concluded arrangements for the operation of the Zem Zem Hospital to be taken over by Shriners Hospitals for Crippled Children in a manner similar to that followed in the Arabia Temple Crippled Childrens Clinic. The operational change is to be made early in 1967.

NOTE (6) Contributions to the two retirement funds during the current year amounted to $361,969. The retirement funds are non-contributory. The current year contribution actually represents the 1965 cost as the liability for the 1966 cost has not yet been determined. As of January 1, 1966 the unfunded liability of the plan amounted to $417,149. The book values of the assets of the two retirement funds at December 31, 1966 are as follows:

Assets	*Employees' Retirement Fund*	*Surgeons' Retirement Fund*
Cash	$ —	$ 768
